and simple Asanas were performed by the students and the teachers enthusiastically and the importance of these Asanas was explained simultaneously by Yoga trainer and Mr. A. B. Dhenge. He spoke about 'The Positive Framework of Meditation'. He began by explaining how negative thoughts disturb a person. Negativity he said increases the hormonal imbalance in people and thus there is a confusion of thoughts leading to stress. He also spoke about her experience as a counsellor where he has patients ranging from the age group 3 years to 90 years. He emphasized the fact that purity of thought increases positivity in a person. Purity of thought increases mentally and physically strong people, which further create a positive nation leading to positive world. Prof. Mahesh Patil Sir told the students that the International Yoga Day is a gift to the world by PM Modi, who put forward proposal on 11th December 2014 in the United Nations General Assembly (UNGA), which was accepted by 193 Nations. 21st June is since been celebrated as International Yoga Day. Mr. A. B. Dhenge explained the importance of breath in meditation. He told the students they should read ancient Indian texts books on yoga along with personality development books by international writers. The function ended with a vote of thanks by Prof. S. B. Sutar. The function was organised by sport Committee and DLLE students along with all the Professors and office staff who put in a lot of effort to make the function a success.

### **“Report on Competitive Exams and Career Guidance”**

The program was organized by Career Guidance Committee, Department of Physics, 17/ 07/2019, Time – 11.00. The chief guide in the competitive examination and career guidance program is Mr. P. R. Singate, Mrs. S. P. Singate, Miss. Isha Singate. He gave valuable guidance to the students about the competitive examination. All the teachers, non-teaching staff, 60 students were present in this program and they also got valuable support for this program. Thanks for this program done by Asst. Prof. J. A. Sawant.

Career guidance plays a very important role in the lives of all individuals specially in youngsters, as it helps in setting future goals and choosing careers. Career guidance is much-needed service to those who did not plan for their future at an early stage; more should be done

to assist the younger generations in personal career development. When college students have a clear grasp of their greatest job options, they may plan better, proceed faster to higher education, and contribute to a more productive society in the future.

All the students were highly motivated and got to know about various opportunities after completing their graduation. It was a very informative day for the students.

### Department Of Lifelong Learning And Extension

#### Report on Ganesh Sahit stall

Date- 01/09/2019

Department of Lifelong Learning & Extension at Amdar Deepakbhai Kesarkar Science College organized the Ganesha Sahitya Stall, where 57 students demonstrated their entrepreneurial spirit and culinary talents. The purpose of this event was to foster a business-minded mindset among the students by allowing them to showcase their skill & sell a variety of product, along with traditional items like agarbatti and perfumed cones, pooja sahitya & all things associated with the celebration of Ganesha Chaturthi. The Stall was a vibrant and engaging affair that attracted students, faculty, and the local community. The event showcased the diverse talents of our students and their commitment to learning beyond the classroom.

The stall featured an impressive display of agarbatti and dhup, essential elements of Ganesha Chaturthi celebrations. These items were lovingly crafted by the students and made available for purchase. The sale of these traditional items not only enriched the cultural experience but also contributed to the overall success of the event. The Stall aimed to install a sense of entrepreneurship among our students. They were actively involved in setting prices, managing finances, and interacting with customers. This hands-on experience allowed them to develop crucial business skills such as marketing, customer service, and financial management. The event received overwhelming support from the local community, which not only boosted the morale of our students

but also demonstrated the importance of community engagement and collaboration. It was heartening to see students and community members come together to celebrate this auspicious occasion.

The Ganesha Sahitya Stall organized by the Department of Lifelong Learning & Extension was a resounding success. It not only showcased the culinary talents of our students but also encouraged them to think like business-minded individuals. The event's emphasis on community involvement and cultural enrichment added to its significance. We hope that such initiatives will continue to empower our students and inspire them to excel in various aspects of life, including entrepreneurship.

#### Report on food festival

Date - 23/01/2020

This event aimed to foster entrepreneurial skills among students by encouraging them to create and serve a variety of dishes. The Department of Lifelong Learning & Extension have program of 'Annapurna yojana' so this festival provided a platform for students to showcase their culinary talents and understand the business. The Food Festival was a delightful spectacle of creativity and flavours. It featured an array of delectable dishes prepared and presented by the 51 students. The event drew an including student, faculty members.

The festival celebrated the diversity of culinary traditions, with students offering dishes from various regions and cultures. Some of the highlights included traditional Indian dishes, international cuisines. One of the primary objectives of the Food Festival was to instil an entrepreneurial spirit in the students. As they prepared and served their dishes, they gained valuable insights into the practical aspects of running a food business. Students learned about budgeting, pricing, marketing, and customer service, all essential skills for aspiring entrepreneurs.

The festival was not just about cooking and selling food; it also provided valuable learning opportunities. Students had the chance to interact with customers, gather feedback, and adapt their offerings

based on customer preferences. This hands-on experience will undoubtedly serve them well in their future.

The Food Festival organized by the Department of Lifelong Learning & Extension at Amdar Deepakbhai Kesarkar Science College was a delightful and educational experience for all involved. It not only showcased the students' culinary skills but also nurtured their entrepreneurial spirit. This event serves as a testament to the college's commitment to holistic education and community engagement, preparing students not only for academic success but also for real-world challenges and opportunities.

#### Report of Street Play on theme Save Food

Date - 25/01/2020

The "Save Food" concept is a crucial issue that needs to be addressed on a global level so Department of Lifelong Learning and extension of Amdar Deepakbhai Kesarkar Science College Dodamarg, decided to make awareness in Dodamarg city and bazarpeth by performing street play. Street plays is always an effective medium to convey social messages to the community. A street play based on the "Save Food" concept is an innovative way to create awareness about food wastage and encourage people to take necessary steps to reduce it.

The street play theme was started with a group of DLLE student playing the roles of a family sitting at a dining table, wasting a significant amount of food, and throwing it away. The play then showed the adverse effects of food wastage on the environment, economy, and society. The student also highlighted the hunger and malnutrition issues faced by several people worldwide and how food wastage only adds to the problem.

The next segment of the street play was showcased the audience practical tips on how they can contribute to reducing food wastage. That tips include simple things like planning meals, storing food properly, and using leftovers creatively.

Finally, the play concluded by emphasizing the need for collective action to reduce food wastage. It encouraged people to take part in local

initiatives and support organizations working towards this cause. The play also reminded people that every small step counts and together, we can make a significant impact.

In conclusion, a street play on the "Save Food" concept was a powerful medium to create awareness and bring about change. It is an excellent way to convey a crucial message to people of all ages and backgrounds, making them more conscious of their actions and their impact on the environment and society.

After the performing street play by DLLE student in Dodamrg bazarpeth they return to college. Our college Principal congratulated 65 students participating in street play for their performance and well-planned theme of street play.

## **"Report on Wildlife Tourism"**

The program was organized by Career Guidance Committee, 03/02/2020, Time - 11.00. The chief guide in the Wildlife Tourism is Assistant Prof. G. A. Margaj. (S. P. K. College, Sawantwadi). He gave valuable guidance to the students about Wildlife Tourism. All the teachers, non-teaching staff, 54 students were present in this program and they also got valuable support for this program.

The seminar focusing on the prospects and nuances of Wildlife Tourism as a potential career avenue. This seminar aimed to enlighten students about the vast opportunities available in this sector and how they can carve a niche for themselves.

The event commenced with an inaugural speech by Margaj Sir, a prominent faculty member of the S. P. K. College Sawantwadi. The speaker emphasized the importance of exploring diverse career opportunities and the significance of wildlife conservation in today's world.

Mr. Ganesh Margaj, a renowned figure in the field of wildlife tourism, graced the occasion as the Chief Guest. His vast experience and profound knowledge in the domain provided students with invaluable insights.

Several sessions were dedicated to discussing various career paths within wildlife tourism, including tour guiding, conservation research, eco-resort management, and wildlife photography. Experts from the industry shared their personal experiences and success stories, inspiring students to pursue their passion.

A lively Q&A session allowed students to clarify their doubts and seek guidance on career prospects, educational qualifications, and skill development required to excel in the field.

The seminar concluded with a vote of thanks by Mr. J. A. Sawant, expressing gratitude to Mr. Ganesh Margaj, the speakers, and all attendees for their active participation and valuable contributions.

The seminar received overwhelming positive feedback from the students and faculty alike. Many expressed their newfound interest in exploring careers in wildlife tourism and appreciated the college's initiative in organizing such an informative session.

The Career Guidance Committee intends to organize more such seminars and workshops in the future, focusing on diverse career avenues to equip students with knowledge and opportunities beyond conventional paths.

### **Report on Personality Development Programme**

The Student welfare committee had organized a programme on "Personality development" on 13<sup>th</sup> Feb 2020 for the B.Sc. students. Personality development is the development of the organised pattern of behaviours and attitude that makes a person distinctive. Personality development incurs by the continuous interaction of temperament, character and environment. The objective of this workshop was to develop the students spiritually and build self-confidence, enhance self-esteem and improve overall personality. The programme aimed at grooming the students through sensitizing them about proper behaviour, socially and professionally in both formal and informal circumstances. Nehru Yuva Kendra Sindhudurg were the resource persons on this special event. 55 students were present to this programme.

They said, "Personality should be like a magnet, which means attracting people towards oneself to learn something. And for that personality, students needed to be groomed". Further he added, "There are certain values like way of talking, behaving and dress code which shows one's personality that relates oneself to other". He concluded hoping for the change in students.

#### **Time Management & Positive Thinking.**

Speaking on time management he gave a task to the students of closing their eyes for one minute and to think whatever comes in their mind, through this the students realised that when it comes to closing eyes for one minute it seems a long period of time. They said, "Time management is setting priorities and taking charge of the situation and time utilization". They advised the students to spend every second in an efficient and productive way. They highlighted the major source of time

management problems and solutions to them. Sr. No. Major source of time management problems Solutions to go with time management.

### Report On International Women's Day

**Date:** March 8, 2020

**Venue:** Amdar Deepakbhai Kesarkar Science College, Dodamarg

**Introduction:** Amdar Deepakbhai Kesarkar Science College commemorated International Women's Day on March 8, 2020, with fervour and enthusiasm, celebrating the achievements and contributions of women across the globe. This year's theme, "Each for Equal," emphasized the importance of gender equality and inclusivity in all spheres of life.

**Event Highlights:** The celebration commenced with an inaugural ceremony graced by the esteemed Principal, Mr. M. V. Golase. His opening remarks underscored the significance of Women's Day and highlighted the college's commitment to promoting gender equality through education and awareness.

**Poster Making Competition:** A highlight of the event was the poster making competition, where students enthusiastically participated to express their thoughts on gender equality and women's empowerment. The posters vividly portrayed themes of unity, empowerment, and breaking stereotypes, showcasing the creativity and passion of the college's students.

**Student Speeches:** Several students delivered inspiring speeches, reflecting on the achievements of women in various fields and addressing contemporary issues related to gender equality. Their

Amdar Deepakbhai Kesarkar Science College

articulate presentations resonated with the audience, encouraging introspection and action towards a more equitable society.

**Vote of Thanks:** The event concluded with a heartfelt vote of thanks delivered by Ms. N. M. Dsouza, expressing gratitude to all participants, organizers, and supporters for their contributions to the event's success. She emphasized the importance of continued efforts in advocating for women's rights and empowerment both within the college community and beyond.

**Conclusion:** The Women's Day celebration at Aamdar Deepakbhai Kesarkar Science College was a testament to the collective commitment towards gender equality and women's empowerment. Through engaging activities like the poster making competition and thought-provoking speeches, the event fostered dialogue and awareness on critical issues facing women today.

**Acknowledgments:** Special thanks are extended to Principal Mr. M. V. Golase for his leadership and support, as well as to all faculty members, students, and staff who contributed to the success of this meaningful event.

### **In Conclusion:**

The celebration not only honored the achievements of women but also reinforced the college's dedication to nurturing an inclusive environment where every individual is respected and valued, irrespective of gender.

## **“Report on Competitive Exams and Career Guidance”**

The program was organized by Career Guidance Committee, Department of Physics, 06/01/2022 , Time – 11.00. The chief guide in the competitive examination and career guidance program is Hon. Prof. Mr. Ramakant Gawde sir (Gogte- Walke College, Panval, Banda). He gave valuable guidance to the students about the competitive examination .Also the program was chaired by Asst. Prof. M. V. Golase. All the teachers, non-teaching staff, 40 students were present in this program and they also got valuable support for this program.

**Venue:** Cultural Hall

**Attended By:** B.Sc Students

**Resource Person:** Hon. Prof. Mr. Ramakant Gawde sir ( Gogte-Walke college , Panval, Banda)

A Career Counselling programme was held for B.Sc. students. The programme gave an insight about how important it was for students of science streams to have a backup plan along with aiming for an admission in IIT's and Medical. The session provided us the information about the various branches of engineering and also the colleges apart from IIT and AIIMs that offer these courses. Discussion was held about the variety of option available other than engineering and medicine which were open for all the students, such as law, National Defence Services. Students were informed about the changes made in examination and pattern of National Level Examinations. The workshop also provided vital information about alternate courses in medical sciences like paramedics and alternative therapeutic approaches such as Ayurveda, Naturopathy etc. Information about cost efficient courses in medicine outside India was also provided to the students. The workshop emphasised on the point that there are various opportunities that are now being availed by science students other than Medical and Engineering. Informative booklets were given which contained information about various courses, the universities that offer those courses and the eligibility criteria of getting admission to those courses of different universities.

### Report on

### "Sexual Harassment of Women at Workplace"

**Introduction:** On the 10th of January 2022, an important and timely awareness programme on "Sexual Harassment of Women at Workplace" was organized by the Sexual Harassment Cell and Anti-Ragging Committee of Amdar Deepakbhai Kesarkar Science College, Dodamarg. The event took place in the college's Cultural Hall from 11:00 AM to 1:00 PM and was well-attended by students, faculty, and staff.

### **Inauguration:**

The programme was inaugurated by Mr. M. V. Golase, who emphasized the significance of addressing this critical issue in today's society. His inspiring words set the tone for the event, highlighting the college's commitment to creating a safe and inclusive environment for all its members. Adv. Naik also emphasized the importance of creating awareness and fostering a culture of respect and gender equality in educational institutions and workplaces alike. He provided practical tips on recognizing, preventing, and addressing sexual harassment, ensuring that all attendees left with a deeper understanding of their rights and responsibilities in this regard.

### **Interactive Session:**

Following the keynote address, there was an interactive session where participants had the opportunity to ask questions and seek clarifications. This session allowed for meaningful discussions, enabling attendees to share their concerns and experiences.

### **Awareness Initiatives:**

As part of the programme, the Sexual Harassment Cell also launched several awareness initiatives, including informative posters across the campus. These materials contained essential information on how to report incidents of sexual harassment and the support services available to victims.

### **Conclusion:**

The "Sexual Harassment of Women at Workplace" awareness programme was a resounding success. It not only educated the college community about the importance of preventing and addressing sexual harassment but also empowered individuals with knowledge and resources to ensure a safer and more respectful workplace.

The efforts of the organizing committee, along with the invaluable insights shared by Adv. Mr. P. L. Naik, have undoubtedly contributed to fostering a culture of respect and gender equality within Amdar Deepakbhai Kesarkar Science College, Dodamarg. This event serves as a testament to the institution's commitment to the well-being and safety of its members.

As we move forward, it is crucial that we continue to raise awareness and actively work towards eradicating sexual harassment from our workplaces and society as a whole. Programmes like this one are essential steps in that journey.

### **Report on Food Festival**

Date - 11/02/2022

A food stall organized by DLLE college students is an exciting event that offers a variety of food options, drinks, and snacks to cater to different tastes and dietary requirements. It's a perfect opportunity for students to indulge in their favourite foods, socialize with their peers while enjoying the festive atmosphere.

One of the most remarkable aspects of food festival was the vast array of cuisines represented. Student were encouraging to showcase traditional dishes from their respective cultures, resulting in a rich tapestry of flavours. This diverse selection of foods aimed to cater to every taste preference and provided an opportunity for attendees to explore new culinary experience.

The event was held in a college area allowing for ample seating and socializing space. The area was thoughtfully divided into different food stalls, each representing a specific cuisine. The food festival started at 10 am and 34 students took part in stall arrangement and management.

The student organizers displayed exceptional attention to details ensuring that the food stalls were presented attractively and maintained proper hygiene standards. The participating took pride in creating visually appealing food display, incorporating decorations. After that the examiner examine the quality of taste and decoration for deciding best food stall winner.

The food stall function organized for college students was a huge success as it provided a wide variety of food options, a festive and lively atmosphere, and affordable prices. The students were able to enjoy their favourite food while socializing with their peers, and the event proved to be a memorable one for all. Overall, the food stall function was an excellent addition to the college fest and helped enhance the student's overall experience.

### Report On International Women's Day Celebration

The Amdar Deepakbhai Kesarkar Science College celebrated International Women's Day with enthusiasm and fervour on March 8, 2022. The occasion was marked by various activities aimed at honoring and empowering women, highlighting their achievements, and advocating for gender equality.

#### **Activities and Highlights:**

One of the main highlights of the event was a Rangoli competition organized for the students. The competition not only showcased the artistic talents of the participants but also promoted the theme of celebrating womanhood through creative expression. Students enthusiastically participated, creating vibrant and intricate designs that symbolized empowerment and solidarity.

The program commenced with an inaugural ceremony graced by the college principal, who emphasized the importance of gender equality and the role of education in empowering women. The principal's address set the tone for the day, encouraging students to recognize and appreciate the contributions of women in all spheres of life.

Following the inauguration, Miss N. M. Dsouza delivered an insightful and inspiring speech. Her address focused on the challenges faced by women in society and the importance of creating a supportive environment where women can thrive and achieve their full potential. Miss Dsouza's words resonated deeply with the audience, sparking conversations about gender stereotypes and the need for inclusivity.

Throughout the day, various cultural performances and presentations highlighted the achievements of women in science, literature, and other fields. These performances served as a reminder of the significant contributions of women to society and underscored the importance of gender parity in all aspects of life.

### Conclusion:

The International Women's Day celebration at Amdar Deepakbhai Kesarkar Science College was a resounding success, fostering a spirit of unity and empowerment among students. The Rangoli competition, speeches, and cultural performances collectively highlighted the importance of gender equality and served as a catalyst for meaningful discussions on women's rights and representation.

The event concluded with a renewed commitment from the college community to continue supporting initiatives that promote gender equality and empower women. It was a day filled with reflection, celebration, and determination to create a more inclusive and equitable society.

### Report On World Environment Day

<b>Academic Year</b>	2022-23
<b>Name of the Committee</b>	Zoology Department and Nature Club
<b>Name of the Event</b>	World Environment Day
<b>Date</b>	June 05, 2022
<b>Venue</b>	Lecture hall and College Campus
<b>Objective</b>	To educate the people and students about pressing environmental issues and importance of sustainable practices.
<b>No. of Participants</b>	

On June 5, 2022, the globe celebrated World Environment Day. Our ADK Science College Dodamarg also participated to raise awareness of the necessity of protecting the environment and our home planet. Globally, Sweden sponsored the World Environment Day, with the theme "Living Sustainability in Harmony with Nature" and the tagline "Only One Earth." World Environment Day was originally observed in 1973, and since then it has served as a forum for bringing attention to environmental issues such as wildlife crime, overpopulation, global warming, and marine pollution. With annual participation from more than 143 nations, it serves as the platform for public engagement. Dr. Sanjay Jagtap, Joint Director, who

was the chief guest and highlighted speaker for the occasion, explained all of these things to the instructors and students. Finally, he provided us with suggestions for a variety of concerns that directly impact our ecosystem, including

1. Stop using plastic on day-today basis. 2. A tree should be planted every year.

3. Avoid dumping trash into the ocean or rivers. 4. Use objects with care and recycle them.

5. Attempt to reuse items. 6. Use bicycles more and reduce driving 7. Conserve as much water as you can 8. By using less wood and tree, the amount of forest must grow.

Later, the Chief Guest planted the saplings on the college campus alongside the students, instructors, and non-teaching staff.

Objective	To promote the adaption of lifestyle pattern and choices that leads to good health with yoga.
No. of Participants	

The Amdar Deepakbhai Kesarkar Science College in Dodamarg celebrated International Yoga Day on June 21, 2022, with great enthusiasm and participation from students and faculty. The event aimed to promote the practice of yoga for physical, mental, and spiritual well-being. The celebration commenced with the inaugural ceremony, graced by the esteemed presence of Mr. M. V. Golase, who officially inaugurated the event. Mr. Golase emphasized the importance of yoga in leading a balanced and healthy lifestyle. He highlighted the ancient roots of yoga and its relevance in the modern world, encouraging

students to incorporate yoga into their daily routine for holistic development. Following the inauguration, Mr. N. M. Chaugale delivered an insightful speech on the significance of International Yoga Day. He elaborated on the history of yoga and its positive impact on physical and mental health. Mr. Chaugale emphasized how yoga fosters inner peace, concentration, and stress management, essential attributes for academic and personal success. After the inspirational speeches, the main highlight of the event unfolded with a yoga session led by experienced instructors. The session catered to students of all levels, providing an opportunity for beginners to learn the basics and for experienced practitioners to deepen their practice. The yoga session aimed to introduce participants to various asanas, pranayama, and meditation techniques, promoting flexibility, strength, and mental clarity.

The event witnessed active participation from students, faculty, and staff, fostering a sense of unity and well-being within the college community. The serene atmosphere and picturesque surroundings of Dodamarg added to the overall experience, creating a conducive environment for mindfulness and self-reflection. The college administration expressed gratitude to Mr. M. V. Golase and Mr. N. M. Chaugale for their valuable contributions to the success of the International Yoga Day celebration. The event concluded with a sense of accomplishment, leaving a lasting impact on the participants, inspiring them to continue incorporating yoga into their daily lives.

The Amdar Deepakbhai Kesarkar Science College remains committed to promoting holistic well-being and plans to continue organizing such

### **Exploring Biodiversity: A One-Day Excursion to Dodamarg**

Date: 07/08/2022

#### **Introduction:**

On 06/08/2022, the Department of Zoology and Nature club committee organized an enriching one-day excursion to Dodamarg, a biodiverse region in close proximity to our college. The expedition aimed to provide 10 students, along with the Head of the Zoology Department (HOD) and other teaching staff, an opportunity to witness and document the rich animal and plant diversity, while also observing the transformative effects of the monsoon on the natural landscape.

#### **Itinerary:**

The day began with an early morning departure from the college premises, fostering a sense of anticipation and enthusiasm among the participants. The itinerary included visits to various locations within Dodamarg known for their unique flora and fauna.

#### **Animal Diversity:**

The participants were fortunate to observe a myriad of wildlife species, ranging from vibrant butterflies to elusive reptiles. The HOD and teaching staff shared their expertise, providing valuable insights into the ecological roles of these creatures. Notable sightings included indigenous bird species, small mammals, and even some rare reptiles. The excursion provided an invaluable opportunity for students to connect theoretical knowledge with real-world observations.

## Notice

All the and third year students are informed that the **Zoological excursion at Dodamarg** the Department of Zoology Has been organized by Zoology Department and Nature club committee on 06/08/2022. This Excursion is compulsory for all students.

**Note-** Those students who will remain absent for this study tour will not be given marks for the same.

### **Plant Diversity:**

Dodamarg's lush greenery served as the perfect backdrop for an exploration of plant diversity. Students engaged in hands-on activities such as identifying various plant species, understanding their ecological significance, and learning about their role in maintaining biodiversity. The HOD and teaching staff guided the participants in recognizing the importance of preserving such ecosystems for future generations.

### **Photography Session:**

To capture the essence of the excursion, a dedicated photography session was organized. Students, under the guidance of the teaching staff, honed their skills in capturing the intricate details of both flora and fauna. The resulting photographs will serve as not only cherished memories but also valuable educational resources for future classes.

### **Monsoon Changes:**

The excursion coincided with the monsoon season, allowing the participants to witness firsthand the transformative effects of rain on the landscape. Streams swelled, creating temporary water bodies that attracted diverse aquatic life. The HOD elucidated on the ecological significance of these seasonal changes, emphasizing the interconnectedness of various environmental factors.

### **Conclusion:**

The one-day excursion to Dodamarg provided a holistic learning experience for the 10 students, the HOD, and the teaching staff of the Zoology Department. It served as a reminder of the importance of experiential learning in fostering a deeper understanding and appreciation for the intricacies of our natural world. The photographs taken during the excursion will be compiled into a documentation for educational purposes, further enriching the department's resources. This excursion was not just a journey into Dodamarg's biodiversity; it was a journey into the heart of ecological awareness and appreciation.

### Report On Ozone Day Celebration

Academic Year	2022-23
Name of the Committee	Zoology Department and Nature club
Name of the Event	Ozone Day Celebration
Date	September 16, 2022
Venue	Seminar hall and Rally in the Dodamarg City
Objective	The main objective of this event is fixing the ozone layer and reducing climate change.
No. of Participants	

On the occasion of World Ozone Day which was celebrated on 16th September 2022 by ADK Science College Dodamarg commemorating the date on which the Montreal Protocol for the abatement of substances that deplete the ozone layer was signed in 1987 to describe the scientific overview and environmental impact or importance of ozone layer, this was explained by the key speaker. During the question-and-answer period that followed talks, the students engaged with the presenters. The ozone layer shields us from the sun's deadly ultraviolet rays. Sadly, the ozone layer is being destroyed in the name of preserving a high standard of living. The

purpose of the event was to raise awareness among the students, teachers, society, and the general public about the value of the ozone layer, the reasons for its depletion, and the negative repercussions on the earth's ecology. Global Cooperation Protecting Life on Earth is this year's subject for the UN Environment Programme's International Day for the Preservation of the Ozone Layer in 2022. Most of the dangerous UV rays from the sun are shielded from the Earth by the ozone layer. As is well known, the ozone hole, also known as an ozone layer hole, is caused by ozone depleting chemicals used in aerosols, refrigerators, air conditioners, and heaters. This breach allows damaging UV radiation to penetrate the ozone layer, which leads to human diseases like skin cancer and cataracts as well as negative effects on plant crops and the ecosystem as a whole. The following events were held as part of World Ozone Day at ADK Science College with the theme "Ozone for Life":

1. A poster-making competition was held for the purpose of showcasing student creativity and ideas.
2. An essay-writing contest to improve their writing and thinking abilities.
3. A writing contest for slogans.

Additionally, a rally was held to raise awareness for the preservation of the ozone layer in the Dodamarg market area. The competitions and rallies attracted a large number of kids who participated with enthusiasm.

### Report On Blood Checkup Camp

Academic Year	2022-23
Name of the Committee	Zoology department
Name of the Event	Blood check-up camp
Date	October 6, 2022
Venue	Lecture Hall
Objective	The main objective of the camp was to raise mass awareness about health and importance of regular check-up.
No. of Participants	

A significant health initiative was undertaken by the Zoology Department of Aamdar Deepakbhai Kesarkar College, aimed at promoting the well-being of students and staff. The event, a Blood Checking Camp, was conducted in collaboration with the Primary Health Center in Morgaon Dodamarg. The initiative was conducted on October 6, 2022, with the active participation of faculty members and students.

#### **Program Highlights:**

**Blood Sampling:** Trained nurses from the Primary Health Center were present at the venue to collect blood samples from both students and teachers. The process was carried out with precision and care to ensure minimal discomfort to the participants.

#### **Medical Tests:**

The collected blood samples were subjected to a range of medical tests to assess various health parameters. These tests aimed to detect any

potential health issues and provide valuable insights into the overall well-being of the participants.

### **Presence of Dignitaries:**

The event witnessed the esteemed presence of Dr. S. V. More, Head of the Zoology Department, and Dr. G. S. Marjag, Associate Professor from SPK College Sawantwadi. Their active involvement and encouragement added a sense of significance to the health initiative.

### **Educational Awareness:**

Alongside the health checkup, educational awareness sessions were conducted to enlighten participants about the importance of regular health checkups, preventive measures, and the significance of maintaining a healthy lifestyle.

### **Participant Involvement:**

The program received an overwhelming response from both students and teachers. The active participation demonstrated the awareness and importance placed on health and wellness within the academic community.

### **Conclusion:**

The Blood Checking Camp organized by the Zoology Department at Aamdar Deepakbhai Kesarkar College, in collaboration with the Primary Health Center, was a commendable initiative promoting the health and well-being of the academic community. The successful execution of the program, with the support of faculty members and participation from students and teachers, highlights the commitment of the institution towards fostering a healthy and aware academic environment.

This event not only addressed immediate health concerns but also served as a platform for fostering a culture of health consciousness and regular health checkups among the participants. Such initiatives play a crucial role in ensuring the holistic development and welfare of the academic community.

**INDUSTRIAL VISIT REPORT**

Date-02/12/2022

On 02<sup>nd</sup> of December 2022, 17 students of Third Year B.Sc. Chemistry along with 5 faculty members of Amdar Deepakbhai Kesarkar Science College Dodamarg visited Sadekar Enviro Engineers Pvt.Ltd. B-306/307, Plot No.61, Patel Estate, Reis Magos, Verem, Alto, Old Betim Road, Bardez, Porvorim, Panjim-goia Near football ground, Food ball Ground Porvorim Goa - 403101. We left our college at 10:00 am and reached Sadekar Enviro Engineers Pvt. Ltd. by 11:30 am. We travelled in a comfortable bus with 17 students and five teachers.

Firstly, they had taken to us in conference room. A brief introduction about industry was given by Mrs. Varsha Chopdekar, Technical Manager. The first department that we visited was Microbial section where we got to know how culturing, examination and identification of microorganisms like bacteria, fungi, yeasts, etc are doing. Then we had taken to instrumentation section where we shown different types of instruments which were used in water testing like UV spectrophotometer, COD measuring instrument, Gas chromatography, incubator, inductive coupled plasma, conductometry, Bomb calorimeter. Brief information of all these instruments was given by Technical Manager Mrs. Varsha Chopdekar. Meanwhile we got to know about why the sampling of tested water stored in storage section and what different kinds of analysis techniques they were using.

After that all were taken again to conference room and given us snacks. After that the Senior Scientific Officer Mr. Anand Chavan was felicitated. Lastly, we ended the visit by clicking a group photograph at 1.30 PM and we moved out of the plant.

## Outcomes

- Industrial visits provide the students with an opportunity to learn practically through interaction, working methods and employment practices.
- It gives the students an exposure to current work practices as opposed to theoretical knowledge being taught at their college classrooms.
- Industrial visits grant the students a great opportunity to interact with industries and know more about industrial environment.
- Industrial visits are arranged by colleges for their respective students with an objective of providing them an opportunity to explore the different industry sectors like pharmaceutical, manufacturing, services, finance.
- Industrial visit helps students to combine their theoretical knowledge of business operations with the practical knowledge of its actual functioning.
- Industrial realities are opened to the students through industrial visits.

### **"Report on Competitive Exams and Career Guidance"**

The program was organized by Career Guidance Committee, Department of Physics, 13/01/2023, Time - 11.00. The chief guide in the competitive examination and career guidance program is Mr. Mahendra Pednekar (Mahendra Academy Sawantwadi). He gave valuable guidance to the students about the competitive examination. Also the program was chaired by Prof. N. M. Chougale. The program was moderated by Prof. P. R. Desai. Also, all the teachers, non-teaching staff, 102 students were present in this program and they also got valuable support for this program. Thanks for this program done by Prof. A. A. Sinari.

He suggested varied ways that how to opt the career in one's life depending on the capabilities and potential. He talked about how to focus on the chosen career and what are the efforts to be put in to make that dream true. He explained by giving examples of various successful people, that how they achieved the status in spite of having lack of facilities and financial support.

The students cleared their doubts by asking various questions regarding the confusions, they usually face while deciding their career.

He motivated the students to be confident and communicative in life. Besides, hard work, time management and focus on the line opted are important aspects to be taken care of.

All the students were highly motivated and got to know about various opportunities after completing their graduation. It was a very informative day for the students.

## **Department Of Lifelong Learning And Extension**

### **Report on Food Festival Celebration**

Date-01/02/2023

The Department of Lifelong Learning Extension (DLLE) of our college recently organized a vibrant and delicious food festival exclusively for college students and community.

Objectives:

Culinary Exploration:

To give college students an opportunity to explore and savour a diverse range of culinary delights from various cuisines.

Community Building:

Foster a sense of community among students by bringing them together in a festive atmosphere.

Activities:

The DLLE-organized food festival featured a variety of engaging activities:

Food Stalls:

A section of the festival was dedicated to local and regional specialties, allowing students to appreciate their cultural heritage.

Cultural Exhibitions: Displays and exhibitions highlighting the cultural significance of different cuisines.

## Cooking competition

The department decided to declare best food stall by examine their taste and unique dish from all food stall.

### Outcomes:

The DLLE-organized food festival achieved several remarkable outcomes:

#### Culinary Exploration:

Students had the chance to explore diverse culinary experiences, expanding their palates and knowledge of different cuisines.

#### Cultural Exchange:

The event promoted cultural understanding and appreciation as students sampled foods from various regions and engaged in cultural performances.

#### Community Building:

The festival brought all students together from different departments and backgrounds, fostering a sense of community and camaraderie.

The DLLE-organized food festival was a resounding success, achieving its objectives of culinary exploration, cultural exchange, and community building among college students. For this food festival 50 students and staff was present. Such events not only provide a platform for students to indulge in diverse Flavors but also promote cultural awareness and create a stronger sense of belonging within the college community. This endeavour exemplifies the positive impact of organizing engaging and culturally enriching activities for college students.

### Report on Healthy lifestyle

**Student Welfare Committee** Organized Healthy Lifestyle on 03 Feb. 2023 with great zeal and devotion under the guidance of **Assistant Prof. P. R. Desai** to present the theme. 99 **students** and all teaching and non-teaching staff from college participated in this programme. On this occasion **Hon. Mr. Dr. Dnyaneshwar Awale (Medical Officer Rural Hospital, Dodamarg)**, **Hon. Mr. Dr. Ramdas Redkar (RBSK Medical officer)**, **Hon. Mrs. Kranti Baraskar (RBSK Medical officer)** guided us. They are guided us by Daily routine, meditation and health benefits of yoga.

Living a healthy lifestyle is crucial for overall well-being and reducing the risk of various health problems. It involves making positive changes to your daily routine and habits, such as eating a balanced diet, engaging in regular physical activity, getting enough sleep, managing stress and avoiding harmful substances.

Eating a healthy and balanced diet is a fundamental aspect of a healthy lifestyle. It is essential to consume a variety of nutrient-rich foods, including fruits, vegetables, whole grains, lean proteins and healthy fats. Consuming a balanced diet provides the body with the necessary nutrients to function correctly and helps prevent chronic diseases like heart disease, diabetes and obesity.

Engaging in regular physical activity is also crucial for a healthy lifestyle. Exercise helps maintain a healthy weight, improve cardiovascular health, boost mood and increase energy levels. It is recommended that adults get at least 150 minutes of moderate – intensity aerobic exercise or 75 minutes of vigorous –intensity aerobic exercise per week.

Getting enough sleep is essential for the body to function correctly. Adults should aim to get between seven and nine hours of sleep each night. Sleep deprivation can lead to a range of health problems, including obesity, diabetes and cardiovascular disease.

Managing stress is also an important aspect of a healthy lifestyle. Chronic stress can have detrimental effects on physical and mental health. Techniques such as meditation, yoga and deep breathing can help manage stress levels and promote relaxation.

Finally, avoiding harmful substances such as tobacco, drugs and excessive alcohol consumption is essential for a healthy lifestyle. These substances can have significant negative effects on physical and mental health, leading to a range of chronic diseases and conditions.

In conclusion, adopting a healthy lifestyle can have many positive effects on physical and mental wellbeing. By making small, positive changes to daily habits it is possible to improve overall health and reduce the risk of chronic diseases.

### Report On

### Self-Defence Awareness Program with Chief Guest Mr. Harshad Khanolkar from Hindu Jan Jagruti Mission.

Amdar Deepakbhai Kesarkar Science College was abuzz with enthusiasm on 10/02/2023 as it hosted a Self-Defence Awareness Program, organized by the Women Empowerment committee And Anti-Sexual Harassment Committee. The event featured esteemed Chief Guest Mr. Harshad Khanolkar from the Hindu Jan Jagruti Mission; a prominent organization dedicated to raising awareness on various societal issues.

The program commenced with a warm welcome extended to Mr. Khanolkar, who delivered an enlightening and empowering keynote address. He stressed the importance of self-defence techniques for personal safety and discussed the need for self-awareness in today's world. His insights into self-defence strategies were both informative and inspiring, resonating with the audience.

The event was presided over by the college's Principal, Mr. M. V. Golase, who emphasized the institution's commitment to ensuring a safe and secure environment for all students and staff. Mr. Golase commended the efforts of the Women Empowerment committee And Anti-Sexual Harassment Committee in organizing such crucial awareness programs.

Mr. A. B. Dhenge, the Head of IQAC (Internal Quality Assurance Cell), also addressed the gathering, highlighting the significance of holistic education that encompasses physical and mental well-being. He encouraged students to actively participate in programs like this, which equip them with essential life skills.

The Non-Teaching Staff provided logistical support, ensuring the smooth flow of the event. Their dedication and effort were commendable, contributing to the overall success of the program.

The presence of 50 enthusiastic students was a testament to the importance of such initiatives. They actively engaged in the program, expressing their appreciation for the opportunity to learn essential self-defence skills and increase their awareness of personal safety.

In conclusion, the Self-Defence Awareness Program with Chief Guest Mr. Harshad Khanolkar was a resounding success. It not only educated participants about self-defence but also fostered a sense of empowerment and community awareness. The event served as a reminder of the college's commitment to the well-being and safety of its students and staff. Such initiatives are instrumental in shaping responsible and confident individuals who can navigate the challenges of the modern world with resilience.

The Women Empowerment Committee and the Anti-Sexual Harassment Committee look forward to organizing more such programs to equip individuals with essential life skills and promote a safer and more aware society.

## **Report on Enrichment of computing knowledge**

Computing skills are also known as computer skills digital era. Computer plays a vital role in our day today life. The dependence on computer is increasing day by day. Computers have helped in reducing cost and increase efficiency and productivity at the same time. It helps in researching, keeping records, producing documents, presentations, documentations, training, saving paper etc.

### **About the programme**

A Lecture on computing skills was held on Friday, 10 Feb 2023, at 11:00 a.m. organised by Student Welfare Committee, A. D. K. Sc. College, Dodamarg. The Lecture was delivered by **Hon. Mr. K. N. Somanache Sir** (Govt. Industrial Training Institute, Dodamarg). The main objective for conducting such a Lecture was to give enrichment of computing knowledge to the students of this college since computer skills are so important. Knowledge of how to access and use the internet opens up a variety of possibilities to communicate with people to people. Instant messaging, e-mail and social media are all computer-based ways to communicate with people. Knowledge on correct e-mail etiquette and when it was appropriate to communicate via social media are invaluable soft skills that look for computer- based communication. students were present/ attended in the programme. Resource person **Hon. Mr. K. N. Somanache Sir** delivered the Lecture on computing skills so eloquently and it benefitted the 100 students of this college as well as the faculty member.

### **One page report on Millet Mission**

Our Amdar Deepak Bhai Kesarkar Science College Dodamarg and Taluka Agriculture Department Jointly Organized National Millet Mission Program on 09 / 02 / 2023 at our college. The opening ceremony of the program is completed in presence of city Mayor Mr Chetanji Chavan, Taluka Agriculture Officer Mr. P. D. Bankar sir, Sindhudurg Millet Mission Officer Mr Patil sir and our college principal Mr. M V Golase Sir and our CDC member Mr. Baburao Dhuri sir also some respected dignitaries to grace our events by their presence.

This program organized by the IQAC and Agriculture department for engaging the college students with society. Today most of the youngsters are follow heavy diet by preferentially packed and junk food. These foods affects the human health and hygiene. The India was continuously tried to celebrate world millet year by the UNESCO from 2016, now the UNESCO announced 2023 is celebrated as Millet mission year. To support our nation and aware our students about their liabilities for biodiversity conservation, problem solving skill, health and hygiene social responsibilities and patriotism we organize this program. Also some millets like Nachani, Rajgira, Bhagar, etc have cropped by the farmers of the Dodamarg tehsil on their personal need. To encourage and aware farmers about importance of millet in diet and to increase the yield of crop to get economic benefits.

Through this program we inculcate the importance of biodiversity conservation in the Dodamarg. Despite students have knowledge about the diet but organization of such program for students to give more emphasis on Indian knowledge system about their dietary importance? Hope the students are aware about the cultivation, conservation and importance of millet in diet. A total of 41 students of the college benefited from the programme and students interacted with farmers and agriculture officers of Dodamarg taluka.

### Report On Science Day Program

Science Day, celebrated on various dates globally, emphasizes the importance of science in our lives. It encourages public understanding of scientific achievements and their impact on society. Encourage interest in scientific exploration and discovery among people of all ages. It helps in highlighting the role of science in driving technological innovation and economic growth.

On 28 February 2023, Amdar Deepakbhai Kesarkar Science College celebrated Science Day with enthusiasm and a commitment to promoting scientific knowledge and innovation. The event aimed to inspire curiosity and appreciation for science among attendees of all ages.

We had experiment demonstration session, which aimed to showcase fundamental scientific principles through engaging, hands-on

activities, fostering curiosity and understanding among participants. The session began with an introduction to the importance of experimental learning in science education, emphasizing the role of observation, hypothesis testing, and data analysis.

We had performed various experiments like Titration experiment, Participants were shown how to perform titration using a standard solution and an unknown concentration solution, observing colour changes and calculating the endpoint.

Distillation Experiment, attendees were shown how to do distillation of a mixture of liquids was demonstrated, explaining vaporization, condensation, and the collection of distilled liquid.

We had explained about commonly used apparatus, Chemistry lab apparatus are indispensable tools that facilitate precise measurements, controlled reactions, and safe handling of chemicals in laboratory settings. Understanding their functions and uses is crucial for conducting experiments effectively and safely. Familiarity with this apparatus enhances proficiency in experimental techniques.

The event attracted participants from schools, including Madhyamik Vidyalay Matane who engaged in various activities and experiments throughout the day. Students actively participated in demonstrations, hands-on experiments, and discussions, enriching their

understanding of scientific concepts which greatly enhanced the science day program.

Attendees appreciated the interactive nature of the experiments and hands-on activities. Many expressed enthusiasms about the engaging demonstrations and the opportunity to conduct experiments themselves.

The Science Day program successfully achieved its goal of fostering scientific curiosity and engagement among students. The chemistry experiments and hands-on activities were well-received, and the participation from various schools added to the event's success. Future events can benefit from incorporating more diverse activities and addressing feedback to enhance the overall experience.

### **Report on Vanbhojan Event**

Date-15/02/2023

#### **Introduction:**

The Department of lifelong learning and extension of our College organized a vibrant and culturally rich event called "Vanbhojan" in Tilari Forest Area. The event aimed to bring all students, faculty, and staff together in a unique and informal setting, fostering a sense of community and celebrating diversity.

#### **Event Concept:**

"Vanbhojan" translates to "forest feast" in English, and the event drew inspiration from the traditional Indian concept of community dining in nature. The DLLE department aimed to create an atmosphere that promoted social interaction, cultural exchange, and a break from the routine of academic life.

#### **Community Building:**

Vanbhojan provided an informal setting for students, faculty and staff to interact beyond the classroom. The shared dining experience encouraged conversations, fostering a sense of belonging and unity among participants. It also provided an opportunity for networking and collaboration among individuals from different academic backgrounds.

#### **Environmental Awareness:**

In line with the DLLE department's commitment to sustainable practices, Vanbhojan emphasized eco-friendly measures. The use of

biodegradable plates and cutlery, waste recycling stations, and educational displays promoted environmental awareness among attendees.

Vanbhojan organized by the DLLE Department of Amdar Deepakbhai kesarkar science College was a resounding success, achieving its goals of cultural celebration, and environmental consciousness. The event not only provided a break from the academic routine but also highlighted the importance of fostering a sense of togetherness within the college community. Vanbhojan is poised to become an annual tradition, bringing joy and unity to the college campus for years to come. The 103 students were present for the vanbhojan activity.

### Department Of Lifelong Learning And Extension

#### Report on Tilari Forest Cleaning

Date-15/02/2022

The Department of lifelong learning and extension (DLLE) had organised a remarkable event aimed at environmental conservation and cleaning.

#### Objectives:

##### Environmental Conservation:

Promote environmental consciousness and actively contribute to the preservation of Tilari Forest's natural beauty. To educate students about the significance of nature conservation.

##### Planning and Coordination:

The DLLE Department coordinated the cleaning drive, assessed areas requiring attention, and organized the necessary resources, including transportation for students.

##### Student Participation:

College students, faculty members, and DLLE staff actively participated in the cleaning drive. Teams were formed, and each was assigned specific areas for cleaning.

The student participants were equipped with garbage bags, gloves, and cleaning tools. They worked together to remove litter and debris from the forest.

### Waste Segregation:

Participants ensured proper waste segregation, emphasizing the importance of separating recyclables from non-recyclables.

### Outcomes:

#### Cleaner Environment:

The cleaning drive significantly improved the cleanliness and visual appeal of Tilari Forest, making it a more enjoyable natural space.

#### Awareness and Education:

Participants gained a deeper understanding of environmental conservation, sustainable living, and the significance of community involvement.

### Conclusion:

The DLLE Department's Tilari Forest cleaning exemplified the positive impact of combining environmental conservation with community engagement. By continuing these efforts and expanding the scope of community-based initiatives, the college students and faculty contribute to the preservation of Tilari Forest as a natural treasure,

fostering community unity and environmental stewardship. This endeavour underscores the importance of students and faculty working together to create a better living environment for all. For this Tilari cleaning activity 103 students was present.

### REPORT ON INTERNATIONAL WOMEN'S DAY CELEBRATION

The United Nation's theme for International Women's Day 2023 is **Embrace Equity**, which is part of an ongoing effort to raise awareness around "Why equal opportunities are no longer enough." Today is a time to highlight achievements made by women, but also an opportunity to become better informed, and collaborate and brainstorm about the path forward.

The Women Cell of the Amdar Deepakbhai Kesarkar Science College, Dodamarg has organized International Women's Day on 8th March 2023 at 11.00 am in College Cultural Hall. The purpose of celebrating Women's Day was sensitization about "Gender equality and women's empowerment". The program was started with a welcome note by a girl student of T.Y B.Sc. Miss Akshada Naik followed by inviting the dignitaries on the dais. On the dais Dr. B. V. Rashivade sir as President, Guest of honour for the programme was Mrs. Rukmini Gawas, who is a Police Patil and Mrs. Sneha Desai who is an advocate. Women Empowerment coordinator Assistant Professor Miss M.M. Shet and member of Women Empowerment Assistant Professor Miss. S. B. Sutar was present. Function started by offering garland to the photo of goddess Saraswati.

All the dignitaries were welcomed by giving rose. The chief guest given Mrs. Rukmini Gawas speech on the importance of girl's presence and International Women's Day, self-employability of women, role of women in the family and society. Also given a valuable message to girl students to be brave in worst situations and be dynamic in decision

making. Advocate Mrs. Sneha Desai emphasized the need to be conscious of their rights and assert them. She said that women should fight against the gender discrimination and help rural women to make them literate. Whenever women rights are violated by legal regulations, they must be protected by women themselves. She cited various laws that are enacted in favour of women and asked the women to utilize and protect them. Women Empowerment member Assistant Professor Miss P.V. Samarth, in her speech said that thought process of women should change and each woman should respect other woman and lastly recited poem of G. D. Madgulkar. Student from class T. Y. B. Sc, Miss Janhvi Sawant proposed vote of thanks.

### REPORT ON

### INTERNATIONAL YOGA DAY CELEBRATION

Academic Year	2023-24
Name of the Committee	Sport Committee
Name of the Event	International Yoga Day
Date	June 21, 2023
Venue	Seminar hall
Objective	To raise global awareness about the benefits of practising of yoga.
No. of Participants	

On June 21, 2023, the Amdar Deepakbhai Kesarkar Science College in Dodamarg observed International Yoga Day with a lot of energy and involvement from the staff and students. The goal of the event was to raise awareness of the benefits of yoga for one's physical, mental, and spiritual health. The celebration began with the official opening ceremony, which was presided over by the distinguished Mr. M. V. Golase. Mr. Golase stressed the value of yoga in maintaining a healthy, balanced lifestyle. He emphasized the historical foundations of yoga as well as its applicability today, urging students to use yoga in their daily routines for all-around growth. Mr. N. M. Chaugale gave a perceptive remark on the significance of International Yoga Day after

the inauguration. He went into detail on the benefits of yoga for both physical and mental well-being as well as its history. Mr. Chaugale highlighted how yoga promotes inner serenity, focus, and stress reduction—qualities that are critical for both academic and personal success. Following the motivational talks, a yoga class taught by skilled instructors was the event's major attraction. All skill levels were catered to, giving novices a chance to learn the fundamentals and seasoned practitioners a chance to hone their craft. In order to promote flexibility, strength, and mental clarity, the yoga class intended to introduce participants to various asanas, pranayama, and meditation techniques. Students, staff, and instructors all actively participated in the event, which promoted harmony and well-being among the college community. Dodamarg's beautiful surroundings and calm mood enhanced the whole experience, fostering a setting that was ideal for introspection and mindfulness. Mr. M. V. Golase and Mr. N. M. Chaugale were thanked by the college administration for their invaluable contributions to the International Yoga Day celebration's success. The participants felt a feeling of success when the event came to an end, and it inspired them to keep adopting yoga into their daily lives. In the years to come, the Amdar Deepakbhai Kesarkar Science College intends to keep hosting activities of this nature to support the practice of yoga among its professors and students as part of its ongoing commitment to holistic well-being.

### Report on Self-Defence Program for Girl Students

#### Introduction:

On July 18, 2023, Amdar Deepakbhai Kesarkar Science College in Dodamarg organized a comprehensive self-defence program exclusively for 40 female students. This initiative aimed to empower young women with practical skills and knowledge necessary to protect themselves in various situations.

#### Program Structure:

The self-defence program was conducted by experienced trainers from a renowned local martial arts academy. It spanned a full day and comprised a variety of modules designed to equip the participants with essential self-defence techniques and strategies. The program included:

1. **Basic Self-Defence Techniques:** The participants were introduced to fundamental self-defence moves such as blocking, striking, and escaping holds.
2. **Awareness and Prevention:** The instructors emphasized the importance of situational awareness and how to identify potential threats early.
3. **Escape Techniques:** The students were taught how to break free from common holds and grabs, ensuring their safety in case of physical confrontations.
4. **Verbal De-Escalation:** Training included effective communication strategies to diffuse potentially dangerous situations without resorting to physical force.

Principal

Amdar Deepakbhai Kesarkar Science College  
Dodamarg, Tal. Dodamarg, Dist. Sindhudurg

5. Use of Everyday Objects: The trainers demonstrated how everyday objects can be used as improvised self-defence tools in emergencies.

6. Group Scenarios: The participants engaged in practical exercises, simulating real-life situations, to apply the skills they had learned.

#### Participant Feedback:

The 40 girl students who participated in the program expressed overwhelmingly positive feedback. They felt more confident and empowered after the training, with many reporting that they had gained valuable skills they could use in the future. Some of the comments included:

- "I feel much safer now and more prepared to handle any unexpected situations."
- "The instructors were patient and made sure we understood each technique thoroughly."
- "This program should be a regular feature at our college. It's an essential life skill."

#### Future Plans:

Amdar Deepakbhai Kesarkar Science College intends to make this self-defence program a recurring event, providing more female students with the opportunity to acquire these crucial skills. The college administration is also considering the possibility of expanding the program to include additional topics such as cyber safety and mental health awareness.

#### Conclusion:

The self-defence program held on July 17, 2023, at Amdar Deepakbhai Kesarkar Science College in Dodamarg was a resounding success, equipping 40 girl students with practical self-defence skills and boosting their self-confidence.

## **“Report on Competitive Exams Talathi Bharati and Career Guidance”**

The program was organized by Career Guidance Committee, Department of Physics, 17/08/2023, Time – 11.00 am, Tuesday. The chief guide in the competitive examination and career guidance program from **Mr. Vishwajit Patil (Unique Academy)**. He gave valuable guidance to the students about the competitive examination .Also the program was chaired by Mr. B. V. Rashivade Sir. The program was moderated by Prof. M. S. Patil Sir. Also, all the teachers, non-teaching staff, 60 students were present in this program and they also got valuable support for this program. Thanks for this program done by Mr. V. M . Hodawadekar sir .

He suggested how to clear Talathi bharati exam. He talked about how to focus on the chosen career and what are the efforts to be put in to make that dream true. He explained by giving examples of various successful people, that how they achieved the status in spite of having lack of facilities and financial support.

The students cleared their doubts by asking various questions regarding the confusions, they usually face while choosing books and free materials on youtube.

He motivated the students to be confident and communicative in life. Besides, hard work, time management and focus on the line opted are important aspects to be taken care of.

All the students were highly motivated and got to know about various opportunities after completing their graduation. It was a very informative day for the students.

### Report On

### One-Day Monsoon Trip at Tilari Nagar - Tilari Ghat, Western Ghats

Date: 19/08/2023

Location: Tilari Nagar - Tilari Ghat, Western Ghats

Participants: 17 students from the Department of Zoology at Amdar Deepakbhai Kesarkar Science College, along with the Head of Department and other teaching and non-teaching staff.

Introduction: The one-day monsoon trip to Tilari Nagar - Tilari Ghat in the Western Ghats organized by the Department of Zoology and Nature Club committee at Amdar Deepakbhai Kesarkar Science College was an educational and enriching experience. The primary focus of this trip was to observe and study the diverse flora and fauna of this region.

#### Activities and Highlights:

1. Flora and Fauna Observation: The day began with an early morning nature walk through the dense rainforest of Tilari Ghat. Students and faculty members had the opportunity to observe and document the various plant and animal species present in their natural habitat. The lush greenery and vibrant biodiversity of the Western Ghats were truly mesmerizing.

2. Photography and Identification: The participants were encouraged to capture photographs of the wildlife and plant species they encountered. These photographs were later used for species

identification and documentation. The trip allowed students to develop their skills in wildlife photography and research.

3. **Interactive Sessions:** Throughout the day, there were interactive sessions conducted by faculty members, offering insights into the behaviour and ecology of the species encountered. These sessions enhanced the participants' understanding of the Western Ghats' unique ecosystems.

4. **Swapanawel Waterfall:** One of the trip's highlights was the visit to the stunning Swapanawel Waterfall in Tilari Nagar. The participants enjoyed the breathtaking scenery and had the opportunity to cool off in the refreshing waters of the waterfall.

5. **Group Discussions and Knowledge Sharing:** The trip fostered an atmosphere of learning and knowledge sharing. Group discussions were held at various locations to share observations and insights. These discussions proved invaluable in broadening the participants' understanding of the region's biodiversity.

#### Conclusions:

The one-day monsoon trip to Tilari Nagar - Tilari Ghat provided a unique opportunity for students and staff to connect with nature and gain practical knowledge in the field of zoology. The Western Ghats, known for its rich biodiversity, did not disappoint, as participants had the privilege of witnessing various species of animals and plants in their natural habitat.

This trip not only facilitated academic learning but also instilled a sense of environmental conservation and a deep appreciation for the beauty of the Western Ghats. The experience at Swapanawel Waterfall added an element of fun and relaxation to the educational journey.

The event was a resounding success, and the Department of Zoology at Amdar Deepakbhai Kesarkar Science College looks forward to organizing more such excursions in the future to promote ecological awareness and research in this ecologically significant region.

### Department of Lifelong Learning and Extension

#### Report on College Student-Led Temple Cleaning

##### Initiative in Kasai

Date - 29/08/2023

#### Introduction:

In an endeavour to promote community engagement and uphold the cultural significance of the Kasai Temple, a group of college students initiated a temple cleaning drive.

#### Objectives:

**Preserve Cultural Heritage:** Recognize and uphold the cultural heritage of Kasai by maintaining the cleanliness and sanctity of the Kasai Temple.

#### Promote Community Participation:

Encourage local residents and students alike to actively engage in preserving their cultural landmarks.

#### Enhance Religious Experience:

Provide devotees and visitors with a clean and welcoming environment for religious worship and reflection.

#### Activities:

The student-led temple cleaning initiative in Kasai encompassed a series of coordinated activities:

### Planning and Coordination:

A dedicated team of student volunteers organized and planned the temple cleaning drive, including scheduling, resource procurement, and coordination with temple authorities.

### Community Engagement:

Students reached out to the local community, raising awareness about the initiative and inviting residents to participate. They emphasized the importance of collective responsibility in preserving cultural heritage.

### Cleanup Day:

On the designated day, students, along with enthusiastic community members, assembled at the Kasai Temple. They brought cleaning supplies such as brooms, mops, buckets, and cleaning agents.

### Outcomes:

**Enhanced Temple Appearance:** The cleaning and beautification efforts significantly improved the overall appearance and cleanliness of the Kasai Temple.

**Improved Religious Experience:** Devotees and visitors experienced an enhanced sense of tranquillity and reverence while visiting the temple due to its clean and well-maintained surroundings.

**Strengthened Community Bonds:** The collaborative effort between college students and the local community fostered stronger community bonds and mutual respect.

### Conclusion:

The student-led temple cleaning initiative in Kasai exemplifies the positive impact of community engagement and cultural preservation. By continuing these efforts and expanding the scope of community-based initiatives, the college 88 students contribute to the preservation of Kasai Temple as a cultural landmark and ensure it remains a place of

religious significance and community cohesion for generations to come. This endeavour underscores the importance of students working hand-in-hand with local communities to preserve and celebrate their cultural heritage.

### **Report on Presentation on Eco-Friendly Ganesh Festival at Parent Meeting**

Date- 15/09/2023

#### Introduction:

In an effort to promote environmental awareness and sustainable practices, a student delivered a presentation on the importance of an eco-friendly Ganesh festival during a parent-teacher meeting.

#### Presentation Highlights:

##### 1. Introduction to Ganesh Festival:

The student began by introducing the significance of the Ganesh festival in Indian culture, emphasizing its popularity and importance among families. They highlighted how it traditionally involves the worship of Lord Ganesha with elaborate decorations, idols, and celebrations.

##### 2. Environmental Concerns:

The presentation then shifted its focus on the environmental concerns associated with the traditional way of celebrating Ganesh Chaturthi. The student explained how the immersion of idols made of non-biodegradable materials, along with chemical-laden paints and decorations, can harm water bodies and ecosystems.

##### 3. Eco-Friendly Alternatives:

The student discussed various eco-friendly alternatives that can be adopted to celebrate Ganesh Chaturthi while minimizing

environmental impact. This included using clay idols, natural colours, and sustainable decorations made from recyclable materials.

#### 4. Personal Responsibility:

The presentation emphasized the role of each family and individual in making a positive change. The student encouraged parents to take personal responsibility for ensuring their celebrations are eco-friendly and sustainable.

#### 5. Community Initiatives:

The student highlighted successful examples of communities and neighbourhoods that have come together to celebrate an eco-friendly Ganesh festival. This included communal immersion of clay idols in artificial ponds, reducing pollution of natural water bodies.

#### Conclusion:

The student's presentation on eco-friendly Ganesh festival celebrations during the parent meeting was a valuable initiative in promoting environmental consciousness. It had not only raised awareness but also inspired parents to consider alternative, sustainable practices in their celebrations. This underscores the importance of involving 62 students in promoting eco-friendly initiatives and engaging parents in discussions about sustainable living.

The chief guide in the Unlocking Your Potential: Personality Development guidance program from **Mr. Hrudaynath Hand (Lakshya career Academy)**. He gave valuable guidance to the students about the personality development. Also the program was chaired by Mr. B. V. Rashivade Sir. The program was moderated by Ass. Prof. N. M. Chougale Sir. Also, all the teachers, non-teaching staff and 66 students were present in this program and they also got valuable support for this program. Thanks for this program done by Mr. M. S. Patil sir.

Personality development is the process of enhancing and refining your personality traits, skills and behaviours to achieve personal and professional growth.

### **Key areas of focus**

1. Self-Awareness : Understanding your strengths, weaknesses, values and emotions.
2. Communication skills : Effective verbal and nonverbal communication.
3. Confidence Building : Developing a positive self-image and assertiveness.
4. Emotional Intelligence : Managing emotions, empathy and relationships.
5. Goal setting : Setting and achieving personal and professional goals.

### **Benefits:**

1. Improved relationships
2. Increased confidence and self-esteem
3. Enhanced communication skills
4. Better decision- making and problem- solving
5. Personal and professional growth

### **Tips for Personality Development:**

1. Practice self – reflection and journaling
2. Engage in public speaking and group activities
3. Develop a growth mind-set
4. Seek feedback and learn from criticism
5. Set achievable goals and work towards them

Personality development is lifelong process that empowers you to become a better version of yourself. By focusing on key areas and practicing tips, you can unlock your potentials and achieve success in all aspects of life.

#### Report on Food Festival 2023-2024

Date- 24/01/2024

In a culturally diverse country such as India which has a rich culinary heritage and eating meals together is a part of social traditions followed since generations. With this background in mind on order to bring motivate students to engage and culinary arts and share the food cooked by the with the teacher's and the 60 student of the college, the Department of lifelong learning and Extension organizes annual Food Festival in the college premises. The food festival is very popular amongst the student and teachers since it takes them on a culinary trip with an opportunity to taste diverse Indian and western recipes. This event is also combined with the Entrepreneurship exhibition to motivate students to turn their culinary hobby into business.

#### Objectives-

1. To create an awareness about rich culinary heritage.
2. To motivate students to engage in culinary arts and share food preparing skills amongst themselves.
3. To recognize the important of traditional ingredients.
4. To share stories and recipes through various media.

#### Outcomes-

1. This event helps the students to present their culinary skills with a touch of creativity.
2. They learn the importance of ingredients used for preparation of food items.

3. This platform helps them to participate for various cookery competitions.
4. It helps students to learn about profit and loss as well as management.
5. It helps attendees gain a deeper understanding of diverse cuisines and cooking techniques.
6. It enhanced recognition and respect for different food cultures and traditions.

#### **Report on Ganpati Festival Stall Event**

Date -16/09/2023

The Amdar Deepakbhai Kesarkar Science college, Dodamarg, organized a vibrant and engaging event featuring non-food stalls, which showcased the talent, and entrepreneurial spirit of our students. The event aimed to provide a platform for students to display and sell various non-food items, including incense sticks, camphor, Ganesha garlands and Ganesha decorations, Ganesh modak, fashion accessories, and more. This report provides an overview of the event and its impact on the college community. For this activity 79 students was take part.

#### **Event Highlights:**

**Inauguration-** The non-food stall is inaugurated by one of the parents who was present on this occasion and principal and other dignities present. Some of the parents also bought some items from stall and this made a positive mind set start among the student.

#### **Diverse Range of Stalls:**

These included incense sticks, camphor, Ganesha garlands and Ganesha decorations, Ganesh modak and other creative items. The variety of stalls ensured that there was something for everyone.

#### **Student Entrepreneurship:**

Many of the stalls were run by student entrepreneurs who used this event as an opportunity to test their business ideas and gain practical

experience in marketing and sales. It was inspiring to see our student's taking initiative and showcasing their entrepreneurial skills.

#### Eco-friendly and Sustainable Products:

Many stalls focused on eco-friendly and sustainable products, aligning with the growing global emphasis on sustainability. This highlighted our students' awareness of environmental issues and their commitment to responsible consumerism.

#### Impact:

The non-food stall event had a significant impact on the college community:

#### Entrepreneurship Development:

Student entrepreneurs gained valuable experience in marketing, sales, and business management. This hands-on experience will benefit them in their future careers.

#### Community Building:

The event brought together students, faculty, and staff, fostering a sense of community and camaraderie within the college.

#### Promoting Sustainability:

The emphasis on eco-friendly and sustainable products raised awareness about environmental issues and encouraged responsible consumer behaviour.

#### Skill Enhancement:

The workshops and demonstrations allowed students to acquire new skills and enhance their existing ones, contributing to their personal and professional development.

### Report On International Women's Day

On March 9, 2024, Amdar Deepakbhai Kesarkar Science College celebrated International Women's Day with great enthusiasm and reverence. The event commenced at 10:00 AM, with a ceremonial homage to the late Savitribai Phule, a pioneering figure in women's education in India. A framed photograph of Phule was displayed prominently, symbolizing the struggles and achievements of women throughout history. Additionally, a poojan of the Devi Saraswati murti was conducted by our college clerk, Miss P. P. Bagdi, reflecting the celebration's emphasis on knowledge and empowerment.

The program was inaugurated with an introductory speech by Miss A. E. Shekar, who highlighted the significance of International Women's Day as a platform to recognize the achievements of women across various fields. She emphasized the importance of women's empowerment and the need for continued efforts towards gender equality.

The event was anchored by Miss S. B. Sutar, who guided the audience through the program seamlessly. The highlight of the celebration was a series of inspiring speeches delivered by third-year female students. They shared stories and achievements of remarkable Indian women across diverse sectors such as sports, politics, and entertainment. The students paid tribute to these achievers, shedding light on how their contributions have shaped contemporary society and inspired future generations.

The celebration not only honored past accomplishments but also encouraged students to aspire towards breaking barriers and

challenging societal norms. It served as a reminder of the ongoing journey toward equality and empowerment for women everywhere.

Overall, the International Women's Day celebration at Amdar Deepakbhai Kesarkar Science College was a successful event, fostering a spirit of appreciation and inspiration among students and faculty alike. The engagement and enthusiasm shown during the program were testaments to the college's commitment to promoting gender equality and celebrating women's achievements.

### REPORT ON "MERI MAATI MERA DESH"

"Meri Maati Mera Desh" is an event that aims to cultivate a sense of patriotism and environmental awareness among individuals. This report delves into the impact of the event on college students at Amdar Deepakbhai Kesarkar Science College.

*Principal*

Amdar Deepakbhai Kesarkar Science College  
Dodamarg, Tal. Dodamarg, Dist. Sindhudurg

"Meri Maati Mera Desh" is an initiative that combines a love for the nation with a commitment to preserving the environment. The event often involves activities such as tree planting, cleanliness drives, and talks on environmental conservation and nationalism.

The "Meri Maati Mera Desh" event held at Amdar Deepakbhai Kesarkar Science College has left a significant impact on college students. From fostering environmental consciousness to nurturing patriotic sentiments and encouraging community engagement, the event has successfully achieved its goals. The students' active participation and positive response reflect the event's effectiveness in creating a sense of responsibility towards both the nation and the environment. It is recommended that such initiatives continue to be organized to further instill these values in future generations.

"Meri Mitti, Mera Desh" captures the essence of patriotism, environmental awareness, and cultural identity. It can evoke a range of positive feelings and encourage individuals to reflect on their connection to their country and the environment.

About 52 college Students, Teaching & Non-Teaching Staff participated actively & joyfully.
