and simple Asanas were performed by the students and the teachers enthusiastically and the importance of these Asanas was explained simultaneously by Yoga trainer and Mr. A. B. Dhenge. The spoke about 'The Positive Framework of Meditation'. He began by explaining how negative thoughts disturb a person. Negativity he said increases the hormonal imbalance in people and thus there is a confusion of thoughts leading to stress. He also spoke about her experience as a counsellor where he has patients ranging from the age group 3 years to 90 years. He emphasized the fact that purity of thought increases positivity in a person. Purity of thought increases mentally and physically strong people, which further create a positive nation leading to positive world. Prof. Mahesh Patil Sir told the students that the International Yoga Day is a gift to the world by PM Modi, who put forward proposal on 11th December 2014 in the United Nations General Assembly (UNGA), which was accepted by 193 Nations. 21st June is since been celebrated as International Yoga Day. Mr. A. B. Dhenge explained the importance of breath in meditation. He told the students they should read ancient Indian texts books on yoga along with personality development books by international writers. The function ended with a vote of thanks by Prof. S. B. Sutar. The function was organised by sport Committee and DLLE students along with all the Professors and office staff who put in a lot of effort to make the function a success.

"Report on Competitive Exams and Career Guidance"

The program was organized by Career Guidance Committee, Department of Physics, 17/ 07/2019, Time – 11.00. The chief guide in the competitive examination and career guidance program is Mr. P. R. Singate, Mrs. S. P. Singate, Miss. Isha Singate. He gave valuable guidance to the students about the competitive examination. All the teachers, non-teaching staff, 60 students were present in this program and they also got valuable support for this program. Thanks for this program done by Asst. Prof. J. A. Sawant.

Career guidance plays a very important role in the lives of all individuals specially in youngsters, as it helps in setting future goals and choosing careers. Career guidance is much-needed service to those who did not plan for their future at an early stage; more should be done

to assist the younger generations in personal career development. When college students have a clear grasp of their greatest job options, they may plan better, proceed faster to higher education, and contribute to a more productive society in the future.

All the students were highly motivated and got to know about various opportunities after completing their graduation. It was a very informative day for the students.

Report On World Nature Conservation Day

Academic Year	2019-2020
Name of the Committee	Zoology department and Nature Club
Name of the Event	World Nature Conservation Day
Date	July 28, 2019
Venue	College campus.
Objective	The main objective of this event is respect and promote the values of wide range of forests to raise awareness about the importance of nature and promote sustainable conservation practises.
No. of Participants	

World Nature Conservation Day is celebrated today on July 28. This day is celebrated to conserve everything in nature like trees, mountains, rivers, forests, animals, birds and to create awareness about natural resources in the society. The current era is called the progressive era of science and technology. The world is fighting to raise the graph of development and progress on the basis of human intelligence and techniques in a modern way. While doing this, the increasing needs of human beings, the increasing need for food grains, factories, and

products, along with the increasing demand according to the population, all these things are putting a huge strain on the natural resources. By destroying the natural forest resources, humans are setting up their settlements, while setting up these settlements, people forget that the survival of these trees is more important than the need for development. As the population increases and the population increases, man is destroying the forest resources to provide more space for new settlements, new factories to create jobs for those people. Man in this modern era is currently looking only for his happiness, wealth, glory and selfishness. In the name of modernizing smart city, man is fulfilling his desire by encroaching on many natural resources of nature. But while doing all this, people do not realize that we are breaking the balanced life cycle of nature somewhere. "Vrikshavalli Amha Soyre Vanchare" has been told by our saints long ago. In our agrarian culture, our ancestors gave importance to numerous types of trees like wad, pimpal, tulsa, mango, lemon. By planting these indigenous trees, if they are properly conserved, these trees can provide adequate amount of rainfall, thus providing abundant water, providing shade, vapour retention, oxygenation, and most importantly, raising the ground water level, thus automatically reducing the temperature. Therefore, it is the need of the hour for everyone to plant trees and conserve forests. The inaugural programme then took place, including Mr. M.V. Golase as the chief guest of honour, as well as Mr. B.V. Rashiwade and other dignitaries. The activities and performances in the programme were aimed at educating students about our nature. The programme began with the opening ceremony, during which Chief Guest Mr. M. V.

Golase delivered on lecture on Nature conservation day. The day offers a chance to raise awareness about the conservation strategy and prevent deforestation from natural habitat all over the world. Speaking about Nature conservation day were Mr. Milind Golase Sir, Mr. A.B. Dhenge Sir and other teaching staff. The program's anchoring and conclusion were performed by Mr. J. A. Sawant.

Report on Ganesh Sahit stall

Date- 01/09/2019

Department of Lifelong Learning & Extension at Amdar Deepakbhai Kesarkar Science College organized the Ganesha Sahitya Stall, where 57 students demonstrated their entrepreneurial spirit and culinary talents. The purpose of this event was to foster a business-minded mindset among the students by allowing them to showcase their skill & sell a variety of product, along with traditional items like agarbatti and perfumed cones, pooja sahitya & all things associated with the celebration of Ganesha Chaturthi. The Stall was a vibrant and engaging affair that attracted students, faculty, and the local community. The event showcased the diverse talents of our students and their commitment to learning beyond the classroom.

The stall featured an impressive display of agarbatti and dhup, essential elements of Ganesha Chaturthi celebrations. These items were lovingly crafted by the students and made available for purchase. The sale of these traditional items not only enriched the cultural experience but also contributed to the overall success of the event. The Stall aimed to install a sense of entrepreneurship among our students. They were actively involved in setting prices, managing finances, and interacting with customers. This hands-on experience allowed them to develop crucial business skills such as marketing, customer service, and financial management. The event received overwhelming support from the local community, which not only boosted the morale of our students

but also demonstrated the importance of community engagement and collaboration. It was heartening to see students and community members come together to celebrate this auspicious occasion.

The Ganesha Sahitya Stall organized by the Department of Lifelong Learning & Extension was a resounding success. It not only showcased the culinary talents of our students but also encouraged them to think like business-minded individuals. The event's emphasis on community involvement and cultural enrichment added to its significance. We hope that such initiatives will continue to empower our students and inspire them to excel in various aspects of life, including entrepreneurship.

Report on Yuva Day Celebration

Date-12/01/2020

Yuva Day is a celebration of youth and young people on January 12th in India. The day is dedicated to the youth of the country and their contributions to society. It is a day to recognize the potential of young people and their ability to bring about positive change in the world.

The topic of fundamentals of life is a broad and complex subject that encompasses various aspects of human existence, including physical, emotional, social, and spiritual dimensions. At the college level, students are often exposed to different perspectives on the fundamental aspects of life, such as the meaning of life, human nature, morality, and ethics.

The celebration of Yuva Day at the college level provides an opportunity for students to reflect on the fundamental aspects of life and their own potential to make a positive impact on society. It can also be a platform for students to showcase their talents and skills and engage in meaningful discussions on topics related to youth empowerment and social change.

Overall, the celebration of Yuva Day and the exploration of the fundamentals of life at the college level can be an enriching experience for 55 students, helping them to develop a deeper understanding of themselves and the world around them.

At a college level, Yuva day celebrations may focus on inspiring students to embrace the fundamental principles of life, such as honesty, respect, perseverance, and empathy. The celebration may include various activities, such as speeches, cultural performances, debates, and competitions that encourage students to reflect on these principles and their significance.

The celebration also provides an opportunity for students to connect with each other and the larger community. It promotes teamwork, collaboration, and social responsibility. Overall, Yuva day celebrations a powerful way to encourage students to embrace the fundamental principles of life and to become responsible and productive members of society.

Report on food festival

Date – 23/01/2020

This event aimed to foster entrepreneurial skills among students by encouraging them to create and serve a variety of dishes. The Department of Lifelong Learning & Extension have program of 'Annapurna yojana' so this festival provided a platform for students to showcase their culinary talents and understand the business. The Food Festival was a delightful spectacle of creativity and flavours. It featured an array of delectable dishes prepared and presented by the 51 students. The event drew an including student, faculty members.

The festival celebrated the diversity of culinary traditions, with students offering dishes from various regions and cultures. Some of the highlights included traditional Indian dishes, international cuisines. One of the primary objectives of the Food Festival was to instil an entrepreneurial spirit in the students. As they prepared and served their dishes, they gained valuable insights into the practical aspects of running a food business. Students learned about budgeting, pricing, marketing, and customer service, all essential skills for aspiring entrepreneurs.

The festival was not just about cooking and selling food; it also provided valuable learning opportunities. Students had the chance to interact with customers, gather feedback, and adapt their offerings

Report of Street Play on theme Save Food

Date – 25/01/2020

The "Save Food" concept is a crucial issue that needs to be addressed on a global level so Department of Lifelong Learning and extension of Amdar Deepakbhai Kesarkar Science College Dodamarg, decided to make awareness in Dodamarg city and bazarpeth by performing street play. Street plays is always an effective medium to convey social messages to the community. A street play based on the "Save Food" concept is an innovative way to create awareness about food wastage and encourage people to take necessary steps to reduce it.

The street play theme was started with a group of DLLE student playing the roles of a family sitting at a dining table, wasting a significant amount of food, and throwing it away. The play then showed the adverse effects of food wastage on the environment, economy, and society. The student also highlighted the hunger and malnutrition issues faced by several people worldwide and how food wastage only adds to the problem.

The next segment of the street play was showcased the audience practical tips on how they can contribute to reducing food wastage. That tips include simple things like planning meals, storing food properly, and using leftovers creatively.

Finally, the play concluded by emphasizing the need for collective action to reduce food wastage. It encouraged people to take part in local

initiatives and support organizations working towards this cause. The play also reminded people that every small step counts and together, we can make a significant impact.

In conclusion, a street play on the "Save Food" concept was a powerful medium to create awareness and bring about change. It is an excellent way to convey a crucial message to people of all ages and backgrounds, making them more conscious of their actions and their impact on the environment and society.

After the performing street play by DLLE student in Dodamrg bazarpeth they return to college. Our college Principal congratulated 65 students participating in street play for their performance and well-planned theme of street play.

"Report on Wildlife Tourism"

The program was organized by Career Guidance Committee, 03/ 02/2020, Time – 11.00. The chief guide in the Wildlife Tourism is Assistant Prof. G. A. Margaj. (S. P. K. College, Sawantwadi). He gave valuable guidance to the students about Wildlife Tourism. All the teachers, non-teaching staff, 54 students were present in this program and they also got valuable support for this program.

The seminar focusing on the prospects and nuances of Wildlife Tourism as a potential career avenue. This seminar aimed to enlighten students about the vast opportunities available in this sector and how they can carve a niche for themselves.

The event commenced with an inaugural speech by Margaj Sir, a prominent faculty member of the S. P. K. College Sawantwadi. The speaker emphasized the importance of exploring diverse career opportunities and the significance of wildlife conservation in today's world.

Mr. Ganesh Margaj, a renowned figure in the field of wildlife tourism, graced the occasion as the Chief Guest. His vast experience and profound knowledge in the domain provided students with invaluable insights.

Several sessions were dedicated to discussing various career paths within wildlife tourism, including tour guiding, conservation research, eco-resort management, and wildlife photography. Experts from the industry shared their personal experiences and success stories, inspiring students to pursue their passion.

A lively Q&A session allowed students to clarify their doubts and seek guidance on career prospects, educational qualifications, and skill development required to excel in the field.

The seminar concluded with a vote of thanks by Mr. J. A. Sawant, expressing gratitude to Mr. Ganesh Margaj, the speakers, and all attendees for their active participation and valuable contributions.

The seminar received overwhelming positive feedback from the students and faculty alike. Many expressed their newfound interest in exploring careers in wildlife tourism and appreciated the college's initiative in organizing such an informative session.

The Career Guidance Committee intends to organize more such seminars and workshops in the future, focusing on diverse career avenues to equip students with knowledge and opportunities beyond conventional paths.

Report on Personality Development Programme

The Student welfare committee had organized a programme on "Personality development" on 13th Feb 2020 for the B.Sc. students. Personality development is the development of the organised pattern of behaviours and attitude that makes a person distinctive. Personality development incurs by the continuous interaction of temperament, character and environment. The objective of this workshop was to develop the students spiritually and build self-confidence, enhance self-esteem and improve overall personality. The programme aimed at grooming the students through sensitizing them about proper behaviour, socially and professionally in both formal and informal circumstances. Nehru Yuva Kendra Sindhudurg were the resource persons on this special event. 55 students were present to this programme.

They said, "Personality should be like a magnet, which means attracting people towards oneself to learn something. And for that personality, students needed to be groomed". Further he added, "There are certain values like way of talking, behaving and dress code which shows one's personality that relates oneself to other". He concluded hoping for the change in students.

Time Management & Positive Thinking.

Speaking on time management he gave a task to the students of closing their eyes for one minute and to think whatever comes in their mind, through this the students realised that when it comes to closing eyes for one minute it seems a long period of time. They said, "Time management is setting priorities and taking charge of the situation and time utilization". They advised the students to spend every second in an efficient and productive way. They highlighted the major source of time

management problems and solutions to them. Sr. No. Major source of time management problems Solutions to go with time management.

1 Unclear objectives SMART Goal settings- SMART work

2 Disorganised Working with To Do list

3 Paper work Computerized

4 Procrastination Time to time work

5 Lack of concentration etc. Focus and concentration etc.

Topic: Grooming and Personality Development.

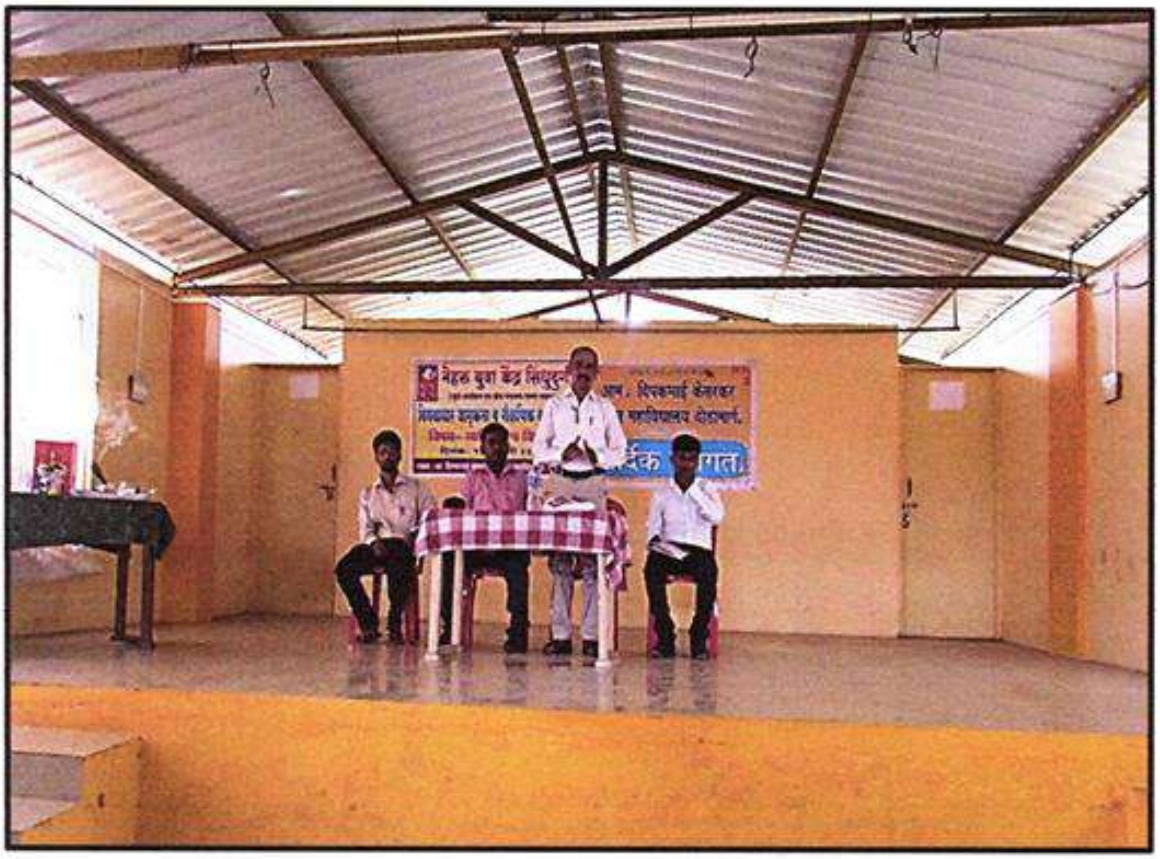

They said that a 'smile' can lead a person towards success. So he advised the students to keep a smile on face every time and never cry for the same problem several times. To face job interviews he presented the rule of ABC. i.e. Appearance, Body language and Communication. Appearance Body language Communication.

- Clean face
- Smiling face
- Ironed and formal cloths
- Polished shoes
- Well set hair
- Sit and stand upright
- Firm Handshake

Report On International Women's Day

Date: March 8, 2020

Venue: Amdar Deepakbhai Kesarkar Science College, Dodamarg

Introduction: Amdar Deepakbhai Kesarkar Science College commemorated International Women's Day on March 8, 2020, with fervour and enthusiasm, celebrating the achievements and contributions of women across the globe. This year's theme, "Each for Equal," emphasized the importance of gender equality and inclusivity in all spheres of life.

Event Highlights: The celebration commenced with an inaugural ceremony graced by the esteemed Principal, Mr. M. V. Golase. His opening remarks underscored the significance of Women's Day and highlighted the college's commitment to promoting gender equality through education and awareness.

Poster Making Competition: A highlight of the event was the poster making competition, where students enthusiastically participated to express their thoughts on gender equality and women's empowerment. The posters vividly portrayed themes of unity, empowerment, and breaking stereotypes, showcasing the creativity and passion of the college's students.

Student Speeches: Several students delivered inspiring speeches, reflecting on the achievements of women in various fields and addressing contemporary issues related to gender equality. Their

articulate presentations resonated with the audience, encouraging introspection and action towards a more equitable society.

Vote of Thanks: The event concluded with a heartfelt vote of thanks delivered by Ms. N. M. Dsouza, expressing gratitude to all participants, organizers, and supporters for their contributions to the event's success. She emphasized the importance of continued efforts in advocating for women's rights and empowerment both within the college community and beyond.

Conclusion: The Women's Day celebration at Aamdar Deepakbhai Kesarkar Science College was a testament to the collective commitment towards gender equality and women's empowerment. Through engaging activities like the poster making competition and thought-provoking speeches, the event fostered dialogue and awareness on critical issues facing women today.

Acknowledgments: Special thanks are extended to Principal Mr. M. V. Golase for his leadership and support, as well as to all faculty members, students, and staff who contributed to the success of this meaningful event.

In Conclusion:

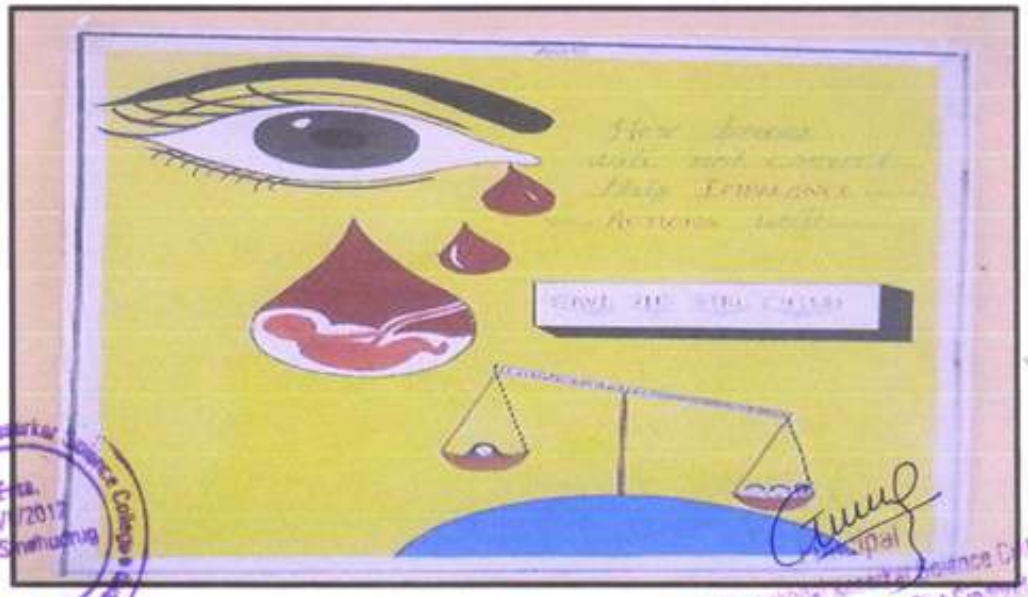

The celebration not only honored the achievements of women but also reinforced the college's dedication to nurturing an inclusive environment where every individual is respected and valued, irrespective of gender.

"Report on Competitive Exams and Career Guidance"

The program was organized by Career Guidance Committee, Department of Physics, 06/01/2022 , Time – 11.00. The chief guide in the competitive examination and career guidance program is Hon. Prof. Mr. Ramakant Gawde sir (Gogte- Walke College, Panval, Banda). He gave valuable guidance to the students about the competitive examination .Also the program was chaired by Asst. Prof. M. V. Golase. All the teachers, non-teaching staff, 40 students were present in this program and they also got valuable support for this program.

Venue: Cultural Hall

Attended By: B.Sc Students

Resource Person: Hon. Prof. Mr. Ramakant Gawde sir (Gogte-Walke college , Panval, Banda)

A Career Counselling programme was held for B.Sc. students. The programme gave an insight about how important it was for students of science streams to have a backup plan along with aiming for an admission in IIT's and Medical. The session provided us the information about the various branches of engineering and also the colleges apart from IIT and AIIMs that offer these courses. Discussion was held about the variety of option available other than engineering and medicine which were open for all the students, such as law, National Defence Services. Students were informed about the changes made in examination and pattern of National Level Examinations. The workshop also provided vital information about alternate courses in medical sciences like paramedics and alternative therapeutic approaches such as Ayurveda, Naturopathy etc. Information about cost efficient courses in medicine outside India was also provided to the students. The workshop emphasised on the point that there are various opportunities that are now being availed by science students other than Medical and Engineering. Informative booklets were given which contained information about various courses, the universities that offer those courses and the eligibility criteria of getting admission to those courses of different universities.

Report on
"Sexual Harassment of Women at Workplace"

Introduction: On the 10th of January 2022, an important and timely awareness programme on "Sexual Harassment of Women at Workplace" was organized by the Sexual Harassment Cell and Anti-Ragging Committee of Amdar Deepakbhai Kesarkar Science College, Dodamarg. The event took place in the college's Cultural Hall from 11:00 AM to 1:00 PM and was well-attended by students, faculty, and staff.

Inauguration:

The programme was inaugurated by Mr. M. V. Golase, who emphasized the significance of addressing this critical issue in today's society. His inspiring words set the tone for the event, highlighting the college's commitment to creating a safe and inclusive environment for all its members. Adv. Naik also emphasized the importance of creating awareness and fostering a culture of respect and gender equality in educational institutions and workplaces alike. He provided practical tips on recognizing, preventing, and addressing sexual harassment, ensuring that all attendees left with a deeper understanding of their rights and responsibilities in this regard.

Interactive Session:

Following the keynote address, there was an interactive session where participants had the opportunity to ask questions and seek clarifications. This session allowed for meaningful discussions, enabling attendees to share their concerns and experiences.

Principal
Amdar. Deepakbhai Kesarkar Science College
Dodamarg, Tal.Dodamarg, Dist.Sindhudrug

Awareness Initiatives:

As part of the programme, the Sexual Harassment Cell also launched several awareness initiatives, including informative posters across the campus. These materials contained essential information on how to report incidents of sexual harassment and the support services available to victims.

Conclusion:

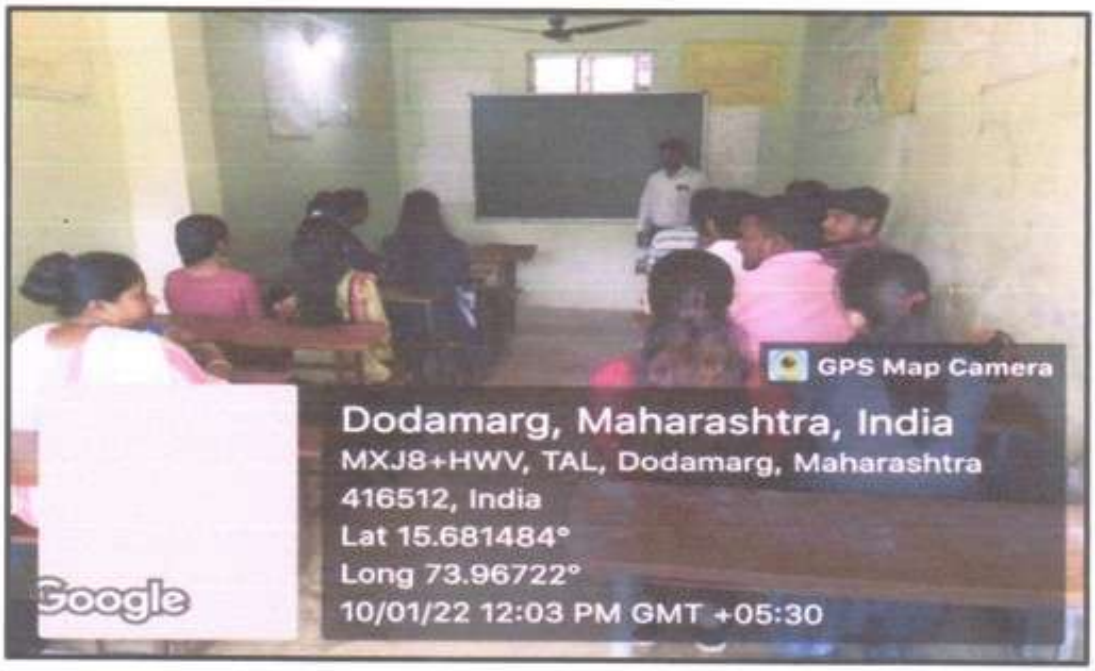

The "Sexual Harassment of Women at Workplace" awareness programme was a resounding success. It not only educated the college community about the importance of preventing and addressing sexual harassment but also empowered individuals with knowledge and resources to ensure a safer and more respectful workplace.

The efforts of the organizing committee, along with the invaluable insights shared by Adv. Mr. P. L. Naik, have undoubtedly contributed to fostering a culture of respect and gender equality within Amdar Deepakbhai Kesarkar Science College, Dodamarg. This event serves as a testament to the institution's commitment to the well-being and safety of its members.

As we move forward, it is crucial that we continue to raise awareness and actively work towards eradicating sexual harassment from our workplaces and society as a whole. Programmes like this one are essential steps in that journey.

Report on World Suryanamskar Day

Student Welfare Committee Organized **World Suryanamskar Day** on 14 January 2022 with great zeal and devotion under the guidance of **Assistant Prof. M. S. Patil** as a Yoga Activity to present the theme.50 **Students** and all teaching and non-teaching staff from college participated in the World Suryanamskar Day. On this occasion Yoga teachers of Sahaj Yoga guided us. They are guided us by demonstrating different steps of Suryanaskar, yoga types and health benefits of yoga.

Physical and mental health

The Surya Namaskar tones the entire body, helps with weight loss, and strengthens muscles and joints. Practice this flow if you want to improve your complexion as it ensures a better functioning digestive system. Improve your sleep as it helps combat insomnia and reduces stress levels. This is especially beneficial for women as it ensures regular menstrual cycle. The sun salutation is also useful in treatment of frozen shoulders. It helps in weight loss, improves balance in the nervous system, reduces blood sugar levels and stimulates the manipura chakra.

Benefits of Surya Namaskar:

1. Improved complexion
2. Ensures a better functioning digestive system
3. Helps with weight loss
4. Strengthens muscles and joints
5. Helps combat insomnia

6. Ensures regular menstrual cycle
7. Useful in treatment of frozen shoulders

Report on Food Festival

Date – 11/02/2022

A food stall organized by DLLE college students is an exciting event that offers a variety of food options, drinks, and snacks to cater to different tastes and dietary requirements. It's a perfect opportunity for students to indulge in their favourite foods, socialize with their peers while enjoying the festive atmosphere.

One of the most remarkable aspects of food festival was the vast array of cuisines represented. Student were encouraging to showcase traditional dishes from their respective cultures, resulting in a rich tapestry of flavours. This diverse selection of foods aimed to cater to every taste preference and provided an opportunity for attendees to explore new culinary experience.

The event was held in a college area allowing for ample seating and socializing space. The area was thoughtfully divided into different food stalls, each representing a specific cuisine. The food festival started at 10 am and 34 students took part in stall arrangement and management.

The student organizers displayed exceptional attention to details ensuring that the food stalls were presented attractively and maintained proper hygiene standards. The participating took pride in creating visually appealing food display, incorporating decorations. After that the examiner examine the quality of taste and decoration for deciding best food stall winner.

Amdar Deepakbhai Kesarkar Science College Estd. 15/8/2012 Dist.Sindhudrug

The food stall function organized for college students was a huge success as it provided a wide variety of food options, a festive and lively atmosphere, and affordable prices. The students were able to enjoy their favourite food while socializing with their peers, and the event proved to be a memorable one for all. Overall, the food stall function was an excellent addition to the college fest and helped enhance the student's overall experience.

Report On International Women's Day Celebration

The Amdar Deepakbhai Kesarkar Science College celebrated International Women's Day with enthusiasm and fervour on March 8, 2022. The occasion was marked by various activities aimed at honoring and empowering women, highlighting their achievements, and advocating for gender equality.

Activities and Highlights:

One of the main highlights of the event was a Rangoli competition organized for the students. The competition not only showcased the artistic talents of the participants but also promoted the theme of celebrating womanhood through creative expression. Students enthusiastically participated, creating vibrant and intricate designs that symbolized empowerment and solidarity.

The program commenced with an inaugural ceremony graced by the college principal, who emphasized the importance of gender equality and the role of education in empowering women. The principal's address set the tone for the day, encouraging students to recognize and appreciate the contributions of women in all spheres of life.

Following the inauguration, Miss N. M. Dsouza delivered an insightful and inspiring speech. Her address focused on the challenges faced by women in society and the importance of creating a supportive environment where women can thrive and achieve their full potential. Miss Dsouza's words resonated deeply with the audience, sparking conversations about gender stereotypes and the need for inclusivity.

Dodamarg, Tal.Dodamarg, Dist.Sindhudurg

Throughout the day, various cultural performances and presentations highlighted the achievements of women in science, literature, and other fields. These performances served as a reminder of the significant contributions of women to society and underscored the importance of gender parity in all aspects of life.

Conclusion:

The International Women's Day celebration at Amdar Deepakbhai Kesarkar Science College was a resounding success, fostering a spirit of unity and empowerment among students. The Rangoli competition, speeches, and cultural performances collectively highlighted the importance of gender equality and served as a catalyst for meaningful discussions on women's rights and representation.

The event concluded with a renewed commitment from the college community to continue supporting initiatives that promote gender equality and empower women. It was a day filled with reflection, celebration, and determination to create a more inclusive and equitable society.

Report On World Nature Conservation Day

Academic Year	2021-22
Name of the Committee	Zoology Department and Nature Club
Name of the Event	World Forest Conservation Day
Date	March 21, 2022
Venue	College campus And Surrounding area
Objective	To conserve forests and ensure their sustainable management. To regulate the diversion of forestland for non-forestry purposes, such as mining, industrial projects, or infrastructure development
No. of Participants	

World Nature Conservation Day is observed annually on March 21, 2022 to raise awareness about the importance of forests and the urgent need to conserve them. Forests play a crucial role in maintaining ecological balance, supporting biodiversity, mitigating climate change, and providing livelihoods to millions of people worldwide. Forest Conservation Day serves as a reminder of our responsibility to protect and sustainably manage our forests. It highlights the interconnectedness of forests with our well-being and the environment. Continued efforts are essential to ensure that future generations can benefit from the invaluable services that forests provide. World Nature Conservation Day was observed on March 21, 2022, with a focus on the critical importance of forests and the necessity of their

conservation. The event aimed to raise awareness about the vital role forests play in ecological balance, biodiversity support, climate change mitigation, and the sustenance of millions of livelihoods globally. Introductory Speech: The event commenced with an insightful introductory speech by Asst. Prof. Dr. S. V. More, who emphasized the significance of forest conservation and the collective responsibility of individuals and communities to protect these natural resources? Welcome Speech: Ms. S. B. Sutar extended a warm welcome to all attendees, setting the tone for a day dedicated to understanding and addressing forest conservation issues. Principal Address: Mr. M. V. Golase delivered the principal address, highlighting the interconnectedness between human well-being and forest ecosystems, and reinforcing the call for sustainable management practices. Vote of Thanks: Mr. A. B. Dhenge concluded the event by expressing gratitude to all participants.

Report On World Environment Day

Academic Year	2022-23
Name of the Committee	Zoology Department and Nature Club
Name of the Event	World Envirnment Day
Date	June 05, 2022
Venue	Lecture hall and College Campus
Objective	To educate the people and students about pressing environmental issues and importance of sustainable practices.
No. of Participants	

On June 5, 2022, the globe celebrated World Environment Day. Our ADK Science College Dodamarg also participated to raise awareness of the necessity of protecting the environment and our home planet. Globally, Sweden sponsored the World Environment Day, with the theme "Living Sustainability in Harmony with Nature" and the tagline "Only One Earth." World Environment Day was originally observed in 1973, and since then it has served as a forum for bringing attention to environmental issues such wildlife crime, overpopulation, global warming, and marine pollution. With annual participation from more than 143 nations, it serves as the platform for public engagement. Dr. Sanjay Jagtap, Joint Director, who

was the chief guest and highlighted speaker for the occasion, explained all of these things to the instructors and students. Finally, he provided us with suggestions for a variety of concerns that directly impact our ecosystem, including

1. Stop using plastic on day-today basis. 2. A tree should be planted every year.

3. Avoid dumping trash into the ocean or rivers. 4. Use objects with care and recycle them.

5. Attempt to reuse items. 6. Use bicycles more and reduce driving 7. Conserve as much water as you can 8. By using less wood and tree, the amount of forest must grow.

Later, the Chief Guest planted the saplings on the college campus alongside the students, instructors, and non-teaching staff.

students to incorporate yoga into their daily routine for holistic development. Following the inauguration, Mr. N. M. Chaugale delivered an insightful speech on the significance of International Yoga Day. He elaborated on the history of yoga and its positive impact on physical and mental health. Mr. Chaugale emphasized how yoga fosters inner peace, concentration, and stress management, essential attributes for academic and personal success. After the inspirational speeches, the main highlight of the event unfolded with a yoga session led by experienced instructors. The session catered to students of all levels, providing an opportunity for beginners to learn the basics and for experienced practitioners to deepen their practice. The yoga session aimed to introduce participants to various asanas, pranayama, and meditation techniques, promoting flexibility, strength, and mental clarity.

The event witnessed active participation from students, faculty, and staff, fostering a sense of unity and well-being within the college community. The serene atmosphere and picturesque surroundings of Dodamarg added to the overall experience, creating a conducive environment for mindfulness and self-reflection. The college administration expressed gratitude to Mr. M. V. Golase and Mr. N. M. Chaugale for their valuable contributions to the success of the International Yoga Day celebration. The event concluded with a sense of accomplishment, leaving a lasting impact on the participants, inspiring them to continue incorporating yoga into their daily lives. The Amdar Deepakbhai Kesarkar Science College remains committed to promoting holistic well-being and plans to continue organizing such

The National Sports Day in India is celebrated on 29 August, on the birth anniversary of hockey player Major Dhyan Chand. This day marks the birthday of Major Dhyan Chand Singh, the hockey player who won gold medals in Olympics for India in the years 1928, 1932 and 1936. He scored 400 goals in his total career, from 1926 - 1949 (according to his autobiography) The day commenced with a palpable energy as students, faculty, and staff gathered at the college grounds, transformed into a hub of sporting activities. The National Sports Day, celebrated annually on the birth anniversary of the legendary hockey player Major Dhyan Chand, aims to promote the significance of sports and physical activities in our lives.

Mr. A. B. Dhenge, a prominent figure in the sports community, took the stage to deliver a stirring speech on the importance of sports in education and life. He emphasized the values of discipline, teamwork, and perseverance that sports instill in individuals. Mr. Dhenge words resonated with the audience, inspiring them to embrace an active and healthy lifestyle. Following the motivational address, Mr. M. V. Golase, a respected personality in the local community, inaugurated the program. His presence added prestige to the event, and he spoke about the role of sports in fostering community bonds and nurturing talent. The lighting of the ceremonial lamp marked the official commencement of the day's festivities.

The celebration saw the active participation of 50 students and members of the teaching and non-teaching staff. The sports committee, in charge of organizing the event, had curated a range of activities to cater to diverse interests. Among the competitions held, chess and

carrom tournaments took center stage, attracting enthusiastic participants and spectators alike. The chess and carrom competitions showcased not only the strategic prowess of the participants but also the camaraderie and sportsmanship that define such events. The level of skill and passion displayed by the competitors was a testament to the dedication and training that goes into excelling in these indoor sports.

The event served as a platform to celebrate the achievements of the college's sports enthusiasts and recognize the role of sports in holistic development. It fostered a sense of unity and community spirit among the students and staff, promoting the idea that physical activity is an integral part of a well-rounded education. The National Sports Day celebration at Amdar Deepakbhai Kesarkar Science College not only honored the legacy of Major Dhyan Chand but also inspired a new generation to embrace the values of sports in their academic journey and beyond.

Report on Nature Conservation Day Conservation Day

Academic Year	2022-23
Name of the Committee	Zoology department and Nature Club
Name of the Event	World Nature Conservation Day
Date	July 23, 2022
Venue	College campus and surrounding empty areas.
Objective	The main objective of this event is respect and promote the values of wide range of forests to rise awareness about the importance of forest and trees and promote sustainable forest management practises.
No. of Participants	

Forest Conservation Day is celebrated today on July 23.2022. This day is celebrated to conserve everything in nature like trees, mountains, rivers, forests, animals, birds and to create awareness about natural resources in the society. The current era is called the progressive era of science and technology. The world is fighting to raise the graph of development and progress on the basis of human intelligence and

techniques in a modern way. While doing this, the increasing needs of human beings, the increasing need for food grains, factories, and products, along with the increasing demand according to the population, all these things are putting a huge strain on the natural resources. By destroying the natural forest resources, humans are setting up their settlements, while setting up these settlements, people forget that the survival of these trees is more important than the need for development. As the population increases and the population increases, man is destroying the forest resources to provide more space for new settlements, new factories to create jobs for those people. Man in this modern era is currently looking only for his happiness, wealth, glory and selfishness. In the name of modernizing smart city, man is fulfilling his desire by encroaching on many natural resources of nature. But while doing all this, people do not realize that we are breaking the balanced life cycle of nature somewhere. "Vrikshavalli Amha Soyre Vanchare" has been told by our saints long ago. In our agrarian culture, our ancestors gave importance to numerous types of trees like wad, pimpal, tulsa, mango, lemon. By planting these indigenous trees, if they are properly conserved, these trees can provide adequate amount of rainfall, thus providing abundant water, providing shade, vapour retention, oxygenation, and most importantly, raising the ground water level, thus automatically reducing the temperature. Therefore, it is the need of the hour for everyone to plant trees and conserve forests. The inaugural programme then took place, including Mr. M.V. Golase as the chief guest of honour, as well as Mr. B.V. Rashiwade Mr, Sanjay Sawant and other dignitaries. The activities and performances in the

programme were aimed at educating the public and students about our natural forests. The programme began with the opening ceremony, during which Chief Guest Mr. Sanjay Sawant delivered on lecture on forest conservation day. The day offers a chance to raise awareness about the forest conservation strategy and prevent deforestation from natural habitat all over the world. Speaking about Forest conservation day were Mr. Milind Golase Sir, Mr. A.B. Dhenge Sir and other teaching staff. The program's anchoring and conclusion were performed by Mr. A.S.Sinari.

Report On Ozone Day Celebration

Academic Year	2022-23
Name of the Committee	Zoology Department and Nature club
Name of the Event	Ozone Day Celebration
Date	September 16, 2022
Venue	Seminar hall and Rally in the Dodamarg City
Objective	The main objective of this event is fixing the ozone layer and reducing climate change.
No. of Participants	

On the occasion of World Ozone Day which was celebrated on 16th September 2022 by ADK Science College Dodamarg commemorating the date on which the Montreal Protocol for the abatement of substances that deplete the ozone layer was signed in 1987 to describe the scientific overview and environmental impact or importance of ozone layer, this was explained by the key speaker. During the question-and-answer period that followed talks, the students engaged with the presenters. The ozone layer shields us from the sun's deadly ultraviolet rays. Sadly, the ozone layer is being destroyed in the name of preserving a high standard of living. The

purpose of the event was to raise awareness among the students, teachers, society, and the general public about the value of the ozone layer, the reasons for its depletion, and the negative repercussions on the earth's ecology. Global Cooperation Protecting Life on Earth is this year's subject for the UN Environment Programme's International Day for the Preservation of the Ozone Layer in 2022. Most of the dangerous UV rays from the sun are shielded from the Earth by the ozone layer. As is well known, the ozone hole, also known as an ozone layer hole, is caused by ozone depleting chemicals used in aerosols, refrigerators, air conditioners, and heaters. This breach allows damaging UV radiation to penetrate the ozone layer, which leads to human diseases like skin cancer and cataracts as well as negative effects on plant crops and the ecosystem as a whole. The following events were held as part of World Ozone Day at ADK Science College with the theme "Ozone for Life":

1. A poster-making competition was held for the purpose of showcasing student creativity and ideas.

2. An essay-writing contest to improve their writing and thinking abilities.

3. A writing contest for slogans.

Additionally, a rally was held to raise awareness for the preservation of the ozone layer in the Dodamarg market area. The competitions and rallies attracted a large number of kids who participated with enthusiasm.

Report On

Gandhi Jaynthi Celebration with Swatch Bharat Abhiyan

Academic Year	2022-23
Name of the Committee	Cultural Committee and DLLE
Name of the Event	Gandhi Jaynthi with Swatch Bharat Abhiyan
Date	October 2, 2022
Venue	College Campus and Seminar Hall
No. of Participants	

Swatch Bharat Abhiyan programme and cleanliness drive along with campaigning was organised in ADK Science College Dodamarg on 2nd October 2022 to improve the quality of life in rural areas through cleanliness and personal hygiene.

OBJECTIVE:

To contribute in Swachh Bharat Abhiyan activity, undertake cleanliness drive and organize rally and campaigning in the surrounding area.

The Swachh Bharat Mission (SBM) launched on October 2, 2014 aims to reduce open defecation in India. The SBM aims to construct 11 crore toilets, to be able to achieve its goal.

Swachh Bharat Abhiyan is a five year long cleanliness campaign launched by the Government of India on 2nd October 2014. The campaign was aimed for making the streets, roads and offices along with the clean surrounding from filth and garbage.

One of the main objectives of the drive is to make India Open Defecation Free (ODF). The campaign also targets raising public awareness about cleanliness through rigorous media campaigns and to institute door to door garbage collection in rural/urban household and ensuring its safe disposal.

Importance of Swachh Bharat Abhiyan:

Swachh Bharat Mission is very important considering the condition of sanitation, cleanliness and hygiene in India.Millions of deaths in India have been reported in previous years due to diseases resulting from poor sanitation and hygiene. Also, people were not fully aware of the need for cleanliness and its impact on their health and social life.Every urban/rural Indian household as well as offices were generating a good quantity of waste every day. This waste was either being accumulated or was strewn on streets in the absence of proper collection and disposal mechanism.It is very important to make people aware of the nuisance caused by open defecation and also to strengthen the local bodies for proper door to door efficient collection of waste and its proper disposal. To reduce the spread of contagious diseases which causes due to poor sanitation facilities, open defecation and garbage collection at various places.

Swachh Bharat Mission in Dodamarg Taluka:

The project Swatch Bharat Abhiyan aims for creating awareness among the villagers and motivating panchayats to participate actively in the cleanliness drives and campaigns.In the Dodamarg taluka ADK Science college have organized cleanliness drive in the college campus and also in the vicinity of the college, after this SBA committee also conducted campaign and rally in the market area to spread the awareness and importance of SBA among the local people about hygiene at personal and public places, how to maintain cleanliness at public places and benefit of reducing open defecation.

Why India Needs Swachh Bharat Abhiyan:

Swachh Bharat Abhiyan is a much needed initiative by India, as poor state of cleanliness in the country could be directly linked to high infant mortality and degrading health conditions.Poor hygiene and cleanliness is causing maximum number of infant deaths in the country. Moreover, there is a direct link between poor sanitation and life threatening diseases like cholera, diarrhoea and typhoid etc.

Objectives of Swachh Bharat Abhiyan:

The various objectives stated under the Swachh Bharat Abhiyan are listed in bulleted points below-

- Improving the quality of life in rural areas through cleanliness and personal hygiene.
- To make India free of open defecation within five years.
- To construct toilets in rural areas.
- To encourage private sectors for making capital expenditure in the project or into the operational and maintenance cost.
- To convert unsanitary toilets into the toilets with flush.
- Create awareness among communities towards sanitation and cleanliness.
- To bring about behavioral changes in the people towards sanitation and hygiene.
- Motivating the communities for adopting a proper sanitation model for better health and life.
- To tell people how sanitation is linked to their overall health and happiness.
- To encourage and acknowledge new technological innovation in the field of sanitation or cleanliness.
- To rope in proper support from eminent personalities and notable public figures to raise awareness among the people.
- To devise a proper, door to door, waste collection and disposal system, both in villages as well as urban areas.

- To make necessary changes in the local bodies in order to strengthen their functions and efficiency.
- To ensure proper availability of water in rural areas through a network of pipes.
- To construct separate toilets for boys and girls in all the schools throughout the country.
- To provide clean drinking water in all the schools and also to ensure availability of toiletries like soap etc.
- To provide proper toilets at all the anganwadis in the country.

Report On Blood Checkup Camp

Academic Year	2022-23
Name of the Committee	Zoology department
Name of the Event	Blood check-up camp
Date	October 6, 2022
Venue	Lecture Hall
Objective	The main objective of the camp was to raise mass awareness about health and importance of regular check-up.
No. of Participants	

A significant health initiative was undertaken by the Zoology Department of Aamdar Deepakbhai Kesarkar College, aimed at promoting the well-being of students and staff. The event, a Blood Checking Camp, was conducted in collaboration with the Primary Health Center in Morgaon Dodamarg. The initiative was conducted on October 6, 2022, with the active participation of faculty members and students.

Program Highlights:

Blood Sampling: Trained nurses from the Primary Health Center were present at the venue to collect blood samples from both students and teachers. The process was carried out with precision and care to ensure minimal discomfort to the participants.

Medical Tests:

The collected blood samples were subjected to a range of medical tests to assess various health parameters. These tests aimed to detect any

potential health issues and provide valuable insights into the overall well-being of the participants.

Presence of Dignitaries:

The event witnessed the esteemed presence of Dr. S. V. More, Head of the Zoology Department, and Dr. G. S. Marjag, Associate Professor from SPK College Sawantwadi. Their active involvement and encouragement added a sense of significance to the health initiative.

Educational Awareness:

Alongside the health checkup, educational awareness sessions were conducted to enlighten participants about the importance of regular health checkups, preventive measures, and the significance of maintaining a healthy lifestyle.

Participant Involvement:

The program received an overwhelming response from both students and teachers. The active participation demonstrated the awareness and importance placed on health and wellness within the academic community.

Conclusion:

The Blood Checking Camp organized by the Zoology Department at Aamdar Deepakbhai Kesarkar College, in collaboration with the Primary Health Center, was a commendable initiative promoting the health and well-being of the academic community. The successful execution of the program, with the support of faculty members and participation from students and teachers, highlights the commitment of the institution towards fostering a healthy and aware academic environment.

This event not only addressed immediate health concerns but also served as a platform for fostering a culture of health consciousness and regular health checkups among the participants. Such initiatives play a crucial role in ensuring the holistic development and welfare of the academic community.

CHEMISTRY WEEK CELEBRATION

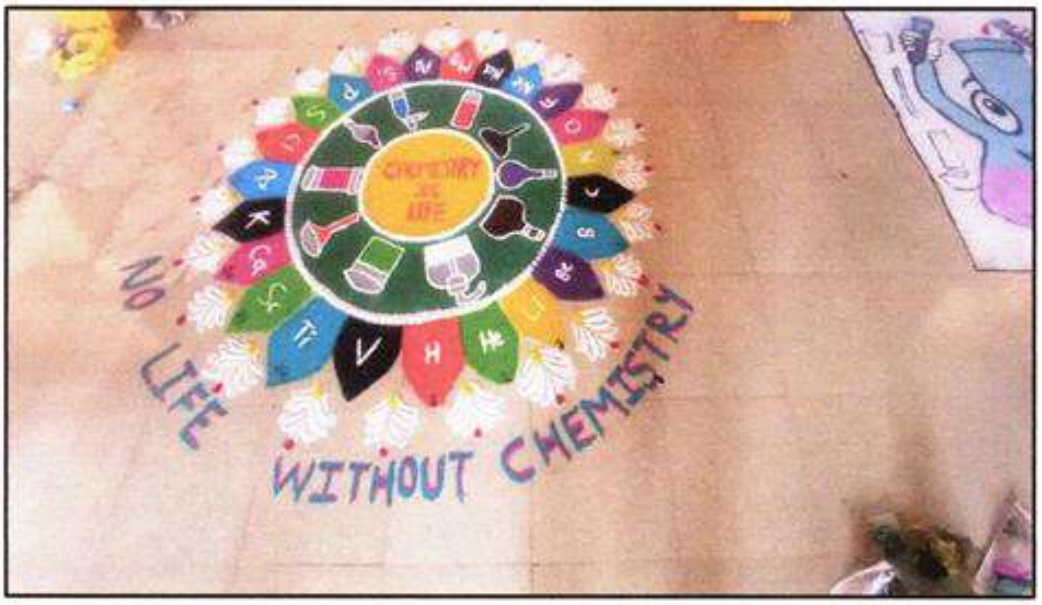

Department of Chemistry of Amdar Deepakbhai Kesarkar Science College, Dodamarg celebrated the "Chemistry Week" from 14th Nov. to 19th Nov.2022 in college premises by organizing various competitions. The celebration was organized by Department of Chemistry. During this event large number of students participated in various activities with full zeal & enthusiasm.

Head of department of chemistry Mr. N. M. Chougale sir talked about why we have to celebrate chemistry week & who had founded it.Chemistry week is an annual event that celebrates the contribution of chemistry & its importance to our everyday life. Have you ever really thought about how much your life is affected by chemistry? You create chemical reactions just by eating and breathing. Your body runs on chemicals. So does the world around you. At Chemours, we have harnessed the pervasive power of chemistry to make modern-day conveniences perform better and last longer—from your refrigerator, to your car, to your smart devices and more.

Chemistry's influence is so all-encompassing that we also use it to encourage curiosity in the minds of future generations. To celebrate this annual event, we're highlighting the periodic table for its organizing properties and all the chemistry it helps us create. The periodic table is a fundamental tool where all chemical elements are arranged, based on their atomic number and chemical property. We use it to help make sense of the world that surrounds us all.

Various competitions such as poster competition, Quiz competition, Rangoli, Essay writing, Painting, Periodic table drawing are organized. They all participants had rewarded with certificate.

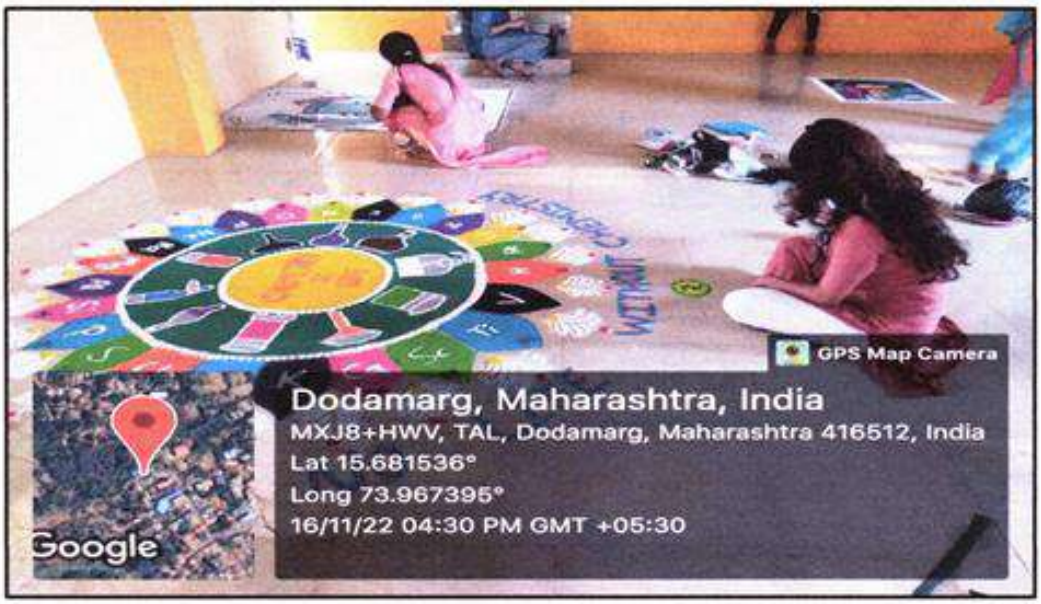

Date 15/6/2012 Dist. Sindhudurg

Outcomes

- Student will deeply know about Elements, its molecular number & weight, elemental properties by writing periodic table.
- Student will able to draw structures of chemical compounds through innovative way.
- General knowledge of student enhances by taking quiz competition
- They can express their chemistry knowledge by essay writing.

Report on AIDS Day Celebration

Academic Year	2022-23
Name of the Organizer	DLLE and Zoology Department
Name of the Event	AIDS Day Celebration
Date	December 01, 2022
Venue	Rally in Dodamarg Market and Seminar Hall
Objective	To spread awareness about the status of the pandemic and encourage progress in HIV/AIDS prevention, treatment and care around the world.
No. of Participants	

World AIDS Day is celebrated annually on December 1 2022. This is a chance for people all over the world to come together in the battle against HIV, to support those who are living with HIV, and to remember those who have passed away from an AIDS-related illness. World AIDS Day was the first international health day and was established in 1988. On December 1, 2022, at 9:00 am in the seminar Hall of Amdar Deepakbhai Kesarkar Science College in Dodamarg, the department DLLE committee celebrated AIDS Day. The inaugural programme then took place, including P.V. Rashivade as the chief guest of honour, as well as A.S. Sinari, P.R. Dessai, and other dignitaries. The activities and performances in the programme were aimed at educating the public about HIV/AIDS and lessening the stigma associated with it. The programme began with the opening ceremony,

during which Chief Guest Prof. N.M. Chougale presented a garland to Saraswati. The day offers a chance to raise awareness about the pandemic's current state and to promote advancements in HIV/AIDS prevention, treatment, and care all over the world. It has grown to be one of the most well-known international health days and a significant chance to spread awareness. Speaking about AIDS were Janhvi Sawant, Samiksha Gawas, and Vaishnavi Betkekar from the T.Y.B.Sc. The program's anchoring and conclusion were performed by Akshata Naik.

Report on World Suryanamskar Day

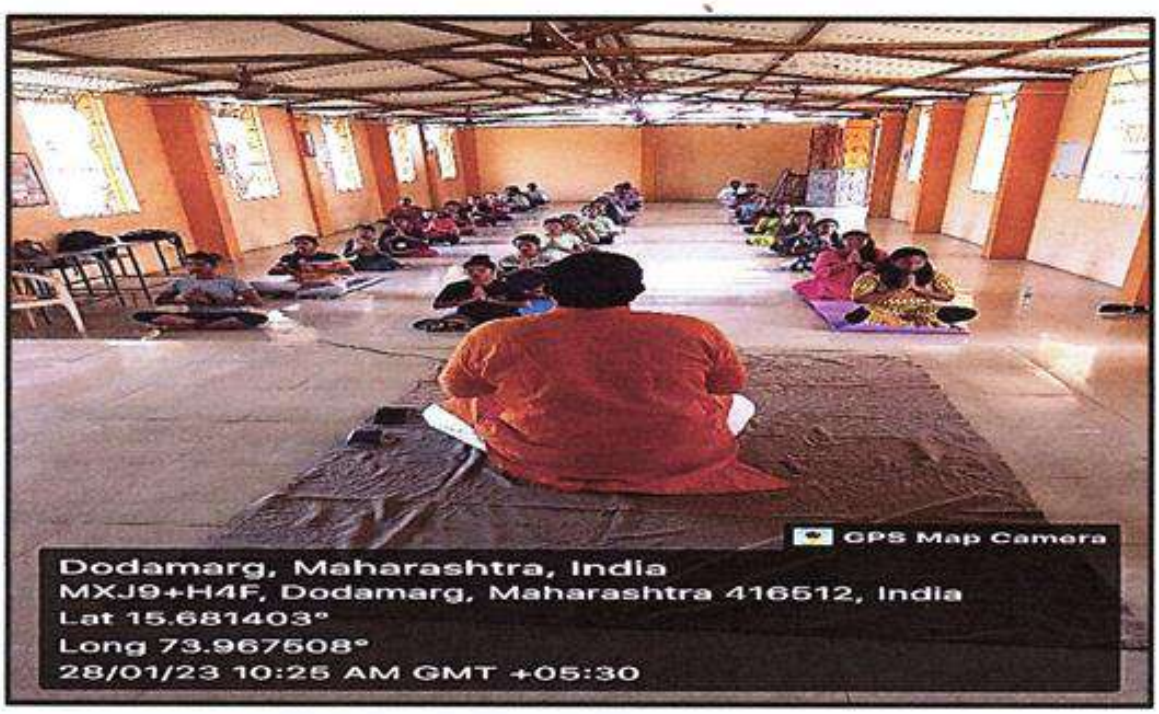

Student Welfare Committee Organized **World Suryanamskar Day** on 28 January 2023 with great zeal and devotion under the guidance of **Assistant Prof. P. R. Desai** as a Yoga Activity to present the theme. About 101 students and all teaching and non-teaching staff from college participated in the World Suryanamskar Day. On this occasion Yoga teacher **Hon. Mr. Shravankumar Rajpurohit (Patanjali Aarogyakendra, Dodamarg)** guided us. They are guided us by demonstrating different steps of Suryanaskar, yoga types and health benefits of yoga.

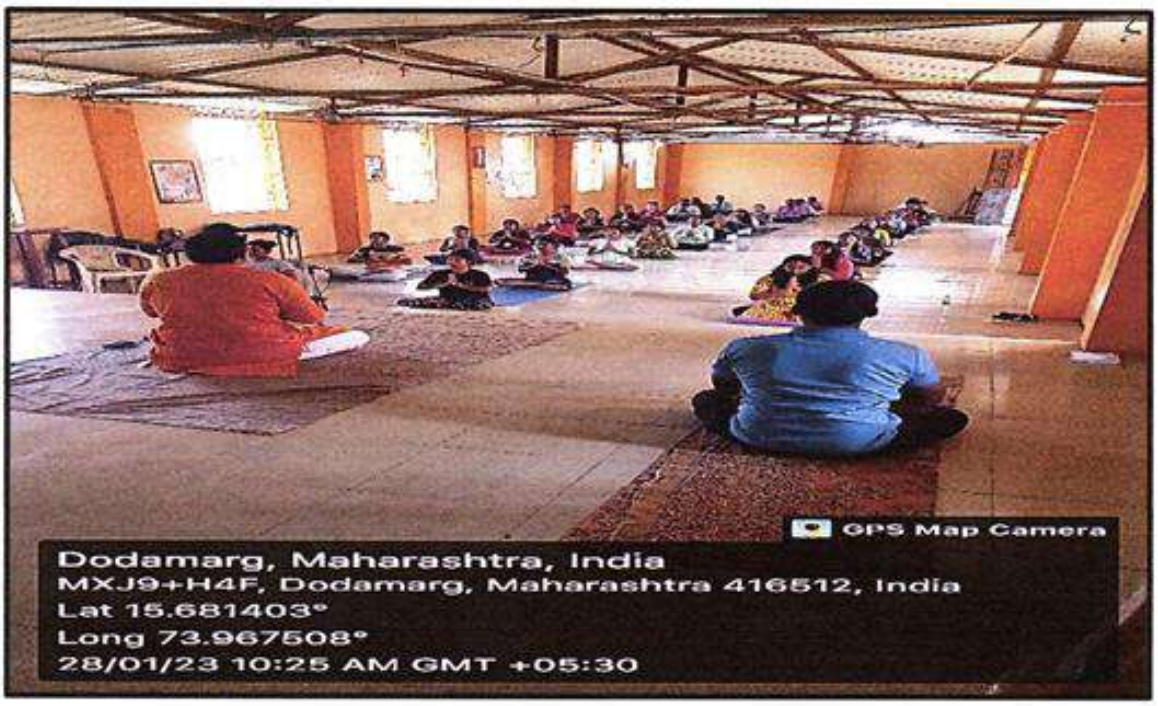

Physical and mental health

The Surya Namaskar tones the entire body, helps with weight loss, and strengthens muscles and joints. Practice this flow if you want to

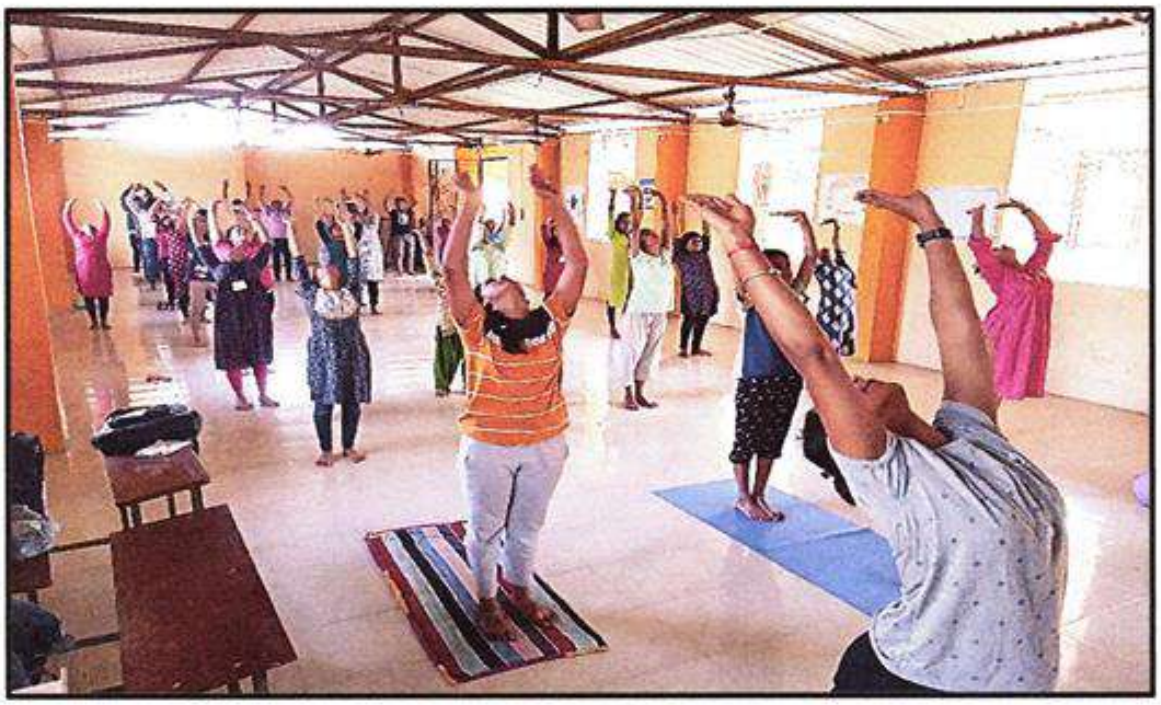

improve your complexion as it ensures a better functioning digestive system. Improve your sleep as it helps combat insomnia and reduces stress levels. This is especially beneficial for women as it ensures regular menstrual cycle. The sun salutation is also useful in treatment of frozen shoulders. It helps in weight loss, improves balance in the nervous system, reduces blood sugar levels and stimulates the manipura chakra.

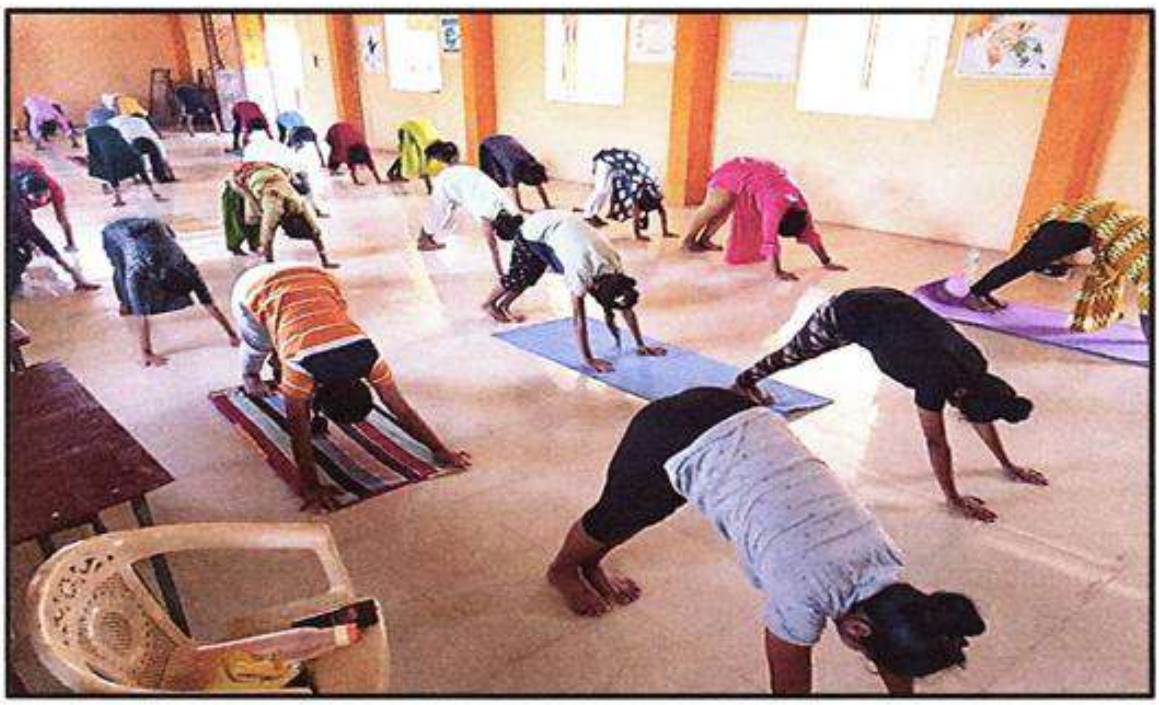

Steps to perform Surya Namaskar

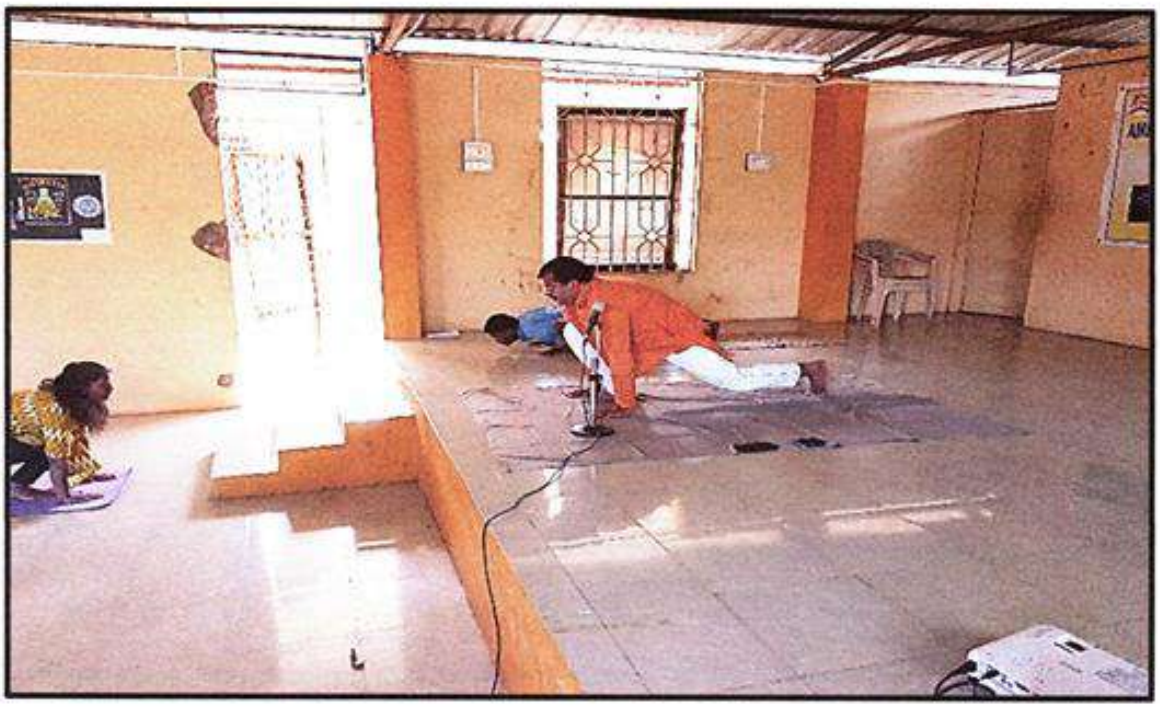

- Pranam Asana (The Prayer pose)
- Hastha Utanasana (Raised arm pose)
- Padahastasana (Standing forward bend)
- Ashwa Sanchalanasana (Equestrian pose)
- Santholanasana (Plank Pose)
- Ashtanga Namaskar Asana (Eight limbed salutation)
- Bhujangasana (Cobra pose)
- Adho Mukha Svanasana (Downward dog pose)
- Ashwa Sanchalanasana (Equestrian pose)
- Padahastasana (Standing forward bend)
- Hastha Uthanasana
- Pranam Asana

Mr. M. V. Golase the former I/C Principal of college is the chairperson of the program. Ad Mr. Pravin L. Naik is the chief guest the programme. Empowerment Committee head Ms. M. M. Shet gave the vote of thanks. More than 40 student's participants attended the programme.

- Number of Participants: More than 50 students attended the program.

Program Highlights:

- The program focused on raising awareness about "Sexual Harassment of Women at Workplace."
- The presence of Mr. Pravin L. Naik as the chief guest suggests the importance and significance of the event.
- It's commendable that more than 40 students actively participated in the event, highlighting the importance of addressing this issue.

Such awareness programs are essential in promoting a safe and respectful environment for women in the workplace, and it's encouraging to see educational institutions taking proactive steps to address this issue. We thankful to Adv. P. L. Naik for this amazing session of lecture.

Report on Food Festival Celebration

Date-01/02/2023

The Department of Lifelong Learning Extension (DLLE) of our college recently organized a vibrant and delicious food festival exclusively for college students and community.

Objectives:

Culinary Exploration:
To give college students an opportunity to explore and savour a diverse range of culinary delights from various cuisines.
Community Building:

Foster a sense of community among students by bringing them together in a festive atmosphere.

Activities:

The DLLE-organized food festival featured a variety of engaging activities:

Food Stalls:

A section of the festival was dedicated to local and regional specialties, allowing students to appreciate their cultural heritage. Cultural Exhibitions: Displays and exhibitions highlighting the cultural significance of different cuisines.

Amdar Deepakbhai Kesarkar Science College Estd. 15/8/2012 Dist.Sindhudurg Dodamarg, Tal.Dodamarg

Cooking competition

The department decided to declare best food stall by examine their taste and unique dish from all food stall.

Outcomes:

The DLLE-organized food festival achieved several remarkable outcomes:

Culinary Exploration:

Students had the chance to explore diverse culinary experiences, expanding their palates and knowledge of different cuisines.

Cultural Exchange:

The event promoted cultural understanding and appreciation as students sampled foods from various regions and engaged in cultural performances.

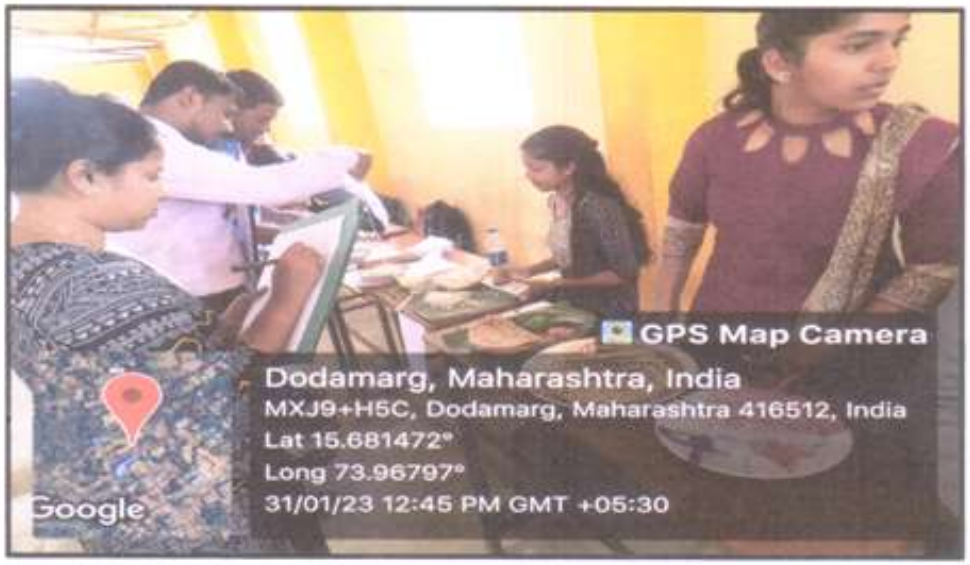

Community Building:

The festival brought all students together from different departments and backgrounds, fostering a sense of community and camaraderie.

The DLLE-organized food festival was a resounding success, achieving its objectives of culinary exploration, cultural exchange, and community building among college students. For this food festival 50 students and staff was present. Such events not only provide a platform for students to indulge in diverse Flavors but also promote cultural awareness and create a stronger sense of belonging within the college community. This endeavour exemplifies the positive impact of organizing engaging and culturally enriching activities for college students.

Report on Healthy lifestyle

Student Welfare Committee Organized Healthy Lifestyle on 03 Feb. 2023 with great zeal and devotion under the guidance of **Assistant Prof. P. R. Desai** to present the theme. 99 **students** and all teaching and non-teaching staff from college participated in this programme. On this occasion **Hon. Mr. Dr. Dnyaneshwar Awale (Medical Officer Rural Hospital, Dodamarg), Hon. Mr. Dr. Ramdas Redkar (RBSK Medical officer), Hon. Mrs. Kranti Baraskar (RBSK Medical officer)** guided us. They are guided us by Daily routine, meditation and health benefits of yoga.

Living a healthy lifestyle is crucial for overall well-being and reducing the risk of various health problems. It involves making positive changes to your daily routine and habits, such as eating a balanced diet, engaging in regular physical activity, getting enough sleep, managing stress and avoiding harmful substances.

Eating a healthy and balanced diet is a fundamental aspect of a healthy lifestyle. It is essential to consume a variety of nutrient-rich foods, including fruits, vegetables, whole grains, lean proteins and healthy fats. Consuming a balanced diet provides the body with the necessary nutrients to function correctly and helps prevent chronic diseases like heart disease, diabetes and obesity.

Engaging in regular physical activity is also crucial for a healthy lifestyle. Exercise helps maintain a healthy weight, improve cardiovascular health, boost mood and increase energy levels. It is recommended that adults get at least 150 minutes of moderate – intensity aerobic exercise or 75 minutes of vigorous –intensity aerobic exercise per week.

Getting enough sleep is essential for the body to function correctly. Adults should aim to get between seven and nine hours of sleep each night. Sleep deprivation can lead to a range of health problems, including obesity, diabetes and cardiovascular disease.

Managing stress is also an important aspect of a healthy lifestyle. Chronic stress can have detrimental effects on physical and mental health. Techniques such as meditation, yoga and deep breathing can help manage stress levels and promote relaxation.

Finally, avoiding harmful substances such as tobacco, drugs and excessive alcohol consumption is essential for a healthy lifestyle .These substances can have significant negative effects on physical and mental health, leading to a range of chronic diseases and conditions.

In conclusion, adopting a healthy lifestyle can have many positive effects on physical and mental wellbeing. By making small, positive changes to daily habits it is possible to improve overall health and reduce the risk of chronic diseases.

Report On

Self-Defence Awareness Program with Chief Guest Mr. Harshad Khanolkar from Hindu Jan Jagruti Mission.

Amdar Deepakbhai Kesarkar Science College was abuzz with enthusiasm on 10/02/2023 as it hosted a Self-Defence Awareness Program, organized by the Women Empowerment committee And Anti-Sexual Harassment Committee. The event featured esteemed Chief Guest Mr. Harshad Khanolkar from the Hindu Jan Jagruti Mission; a prominent organization dedicated to raising awareness on various societal issues.

The program commenced with a warm welcome extended to Mr. Khanolkar, who delivered an enlightening and empowering keynote address. He stressed the importance of self-defence techniques for personal safety and discussed the need for self-awareness in today's world. His insights into self-defence strategies were both informative and inspiring, resonating with the audience.

The event was presided over by the college's Principal, Mr. M. V. Golase, who emphasized the institution's commitment to ensuring a safe and secure environment for all students and staff. Mr. Golase commended the efforts of the Women Empowerment committee And Anti-Sexual Harassment Committee in organizing such crucial awareness programs.

Mr. A. B. Dhenge, the Head of IQAC (Internal Quality Assurance Cell), also addressed the gathering, highlighting the significance of holistic education that encompasses physical and mental well-being. He encouraged students to actively participate in programs like this, which equip them with essential life skills.

Principal
Amdar Deepakbhai Kesarkar Science College
Dodamarg, Tal.Dodamarg, Dist.Sindhudurg

The Non-Teaching Staff provided logistical support, ensuring the smooth flow of the event. Their dedication and effort were commendable, contributing to the overall success of the program.
The presence of 50 enthusiastic students was a testament to the importance of such initiatives. They actively engaged in the program, expressing their appreciation for the opportunity to learn essential self-defence skills and increase their awareness of personal safety.

In conclusion, the Self-Defence Awareness Program with Chief Guest Mr. Harshad Khanolkar was a resounding success. It not only educated participants about self-defence but also fostered a sense of empowerment and community awareness. The event served as a reminder of the college's commitment to the well-being and safety of its students and staff. Such initiatives are instrumental in shaping responsible and confident individuals who can navigate the challenges of the modern world with resilience.

The Women Empowerment Committee and the Anti-Sexual Harassment Committee look forward to organizing more such programs to equip individuals with essential life skills and promote a safer and more aware society.

Report on Enrichment of computing knowledge

Computing skills are also known as computer skills digital era. Computer plays a vital role in our day today life. The dependence on computer is increasing day by day. Computers have helped in reducing cost and increase efficiency and productivity at the same time. It helps in researching, keeping records, producing documents, presentations, documentations, training, saving paper etc.

About the programme

A Lecture on computing skills was held on Friday, 10 Feb 2023, at 11:00 a.m. organised by Student Welfare Committee, A. D. K. Sc. College, Dodamarg. The Lecture was delivered by **Hon. Mr. K. N. Somanache Sir** (Govt. Industrial Training Institute, Dodamarg). The main objective for conducting such a Lecture was to give enrichment of computing knowledge to the students of this college since computer skills are so important. Knowledge of how to access and use the internet opens up a variety of possibilities to communicate with people to people. Instant messaging, e-mail and social media are all computer-based ways to communicate with people. Knowledge on correct e-mail etiquette and when it was appropriate to communicate via social media are invaluable soft skills that look for computer- based communication. students were present/ attended in the programme. Resource person **Hon. Mr. K. N. Somanache Sir** delivered the Lecture on computing skills so eloquently and it benefitted the 100 students of this college as well as the faculty member.

One page report on Millet Mission

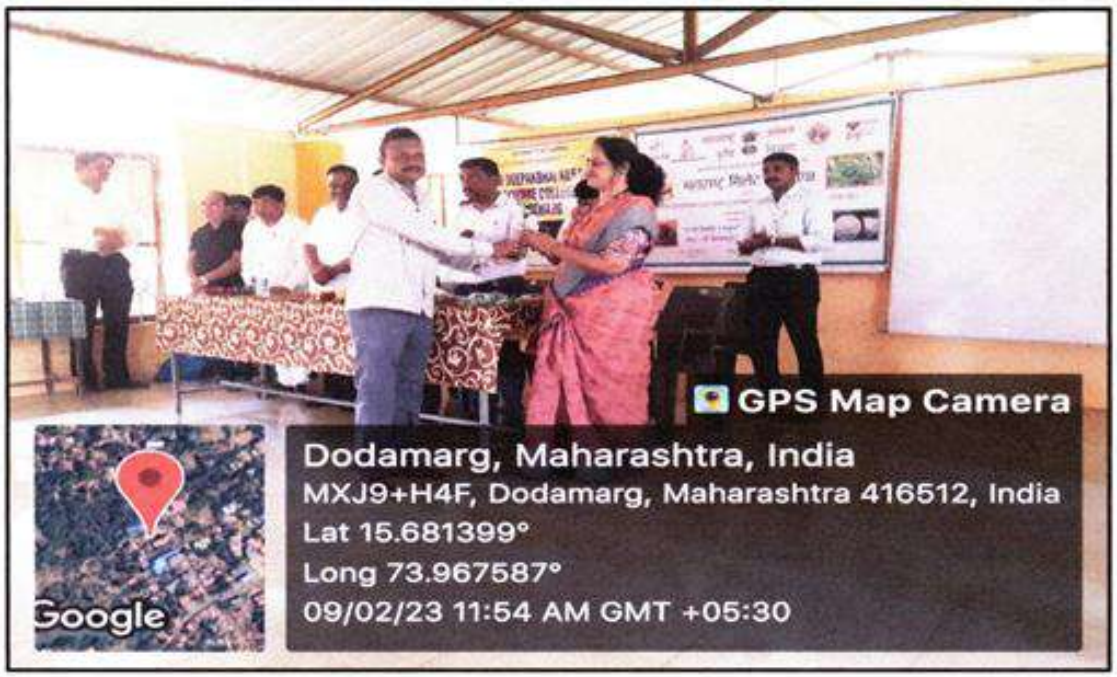

Our Amdar Deepak Bhai Kesarkar Science College Dodamarg and Taluka Agriculture Department Jointly Organized National Millet Mission Program on 09 / 02 / 2023 at our college. The opening ceremony of the program is completed in presence of city Mayor Mr Chetanji Chavan, Taluka Agriculture Officer Mr. P. D. Bankar sir, Sindhudurg Millet Mission Officer Mr Patil sir and our college principal Mr. M V Golase Sir and our CDC member Mr. Baburao Dhuri sir also some respected dignitaries to grace our events by their presence.

This program organized by the IQAC and Agriculture department for engaging the college students with society. Today most of the youngsters are follow heavy diet by preferentially packed and junk food. These foods affects the human health and hygiene. The India was continuously tried to celebrate world millet year by the UNESCO from 2016, now the UNESCO announced 2023 is celebrated as Millet mission year. To support our nation and aware our students about their liabilities for biodiversity conservation, problem solving skill, health and hygiene social responsibilities and patriotism we organize this program. Also some millets like Nachani, Rajgira, Bhagar, etc have cropped by the farmers of the Dodamarg tehsil on their personal need. To encourage and aware farmers about importance of millet in diet and to increase the yield of crop to get economic benefits.

Through this program we inculcate the importance of biodiversity conservation in the Dodamarg. Despite students have knowledge about the diet but organization of such program for students to give more emphasis on Indian knowledge system about their dietary importance? Hope the students are aware about the cultivation, conservation and importance of millet in diet. A total of 41 students of the college benefited from the programme and students interacted with farmers and agriculture officers of Dodamarg taluka.

Report On Science Day Program

Science Day, celebrated on various dates globally, emphasizes the importance of science in our lives. It encourages public understanding of scientific achievements and their impact on society. Encourage interest in scientific exploration and discovery among people of all ages. It helps in highlighting the role of science in driving technological innovation and economic growth.

On 28 February 2023, Amdar Deepakbhai Kesarkar Science College celebrated Science Day with enthusiasm and a commitment to promoting scientific knowledge and innovation. The event aimed to inspire curiosity and appreciation for science among attendees of all ages.

We had experiment demonstration session, which aimed to showcase fundamental scientific principles through engaging, hands-on

activities, fostering curiosity and understanding among participants. The session began with an introduction to the importance of experimental learning in science education, emphasizing the role of observation, hypothesis testing, and data analysis.

We had performed various experiments like Titration experiment, Participants were shown how to perform titration using a standard solution and an unknown concentration solution, observing colour changes and calculating the endpoint.

Distillation Experiment, attendees were shown how to do distillation of a mixture of liquids was demonstrated, explaining vaporization, condensation, and the collection of distilled liquid.

We had explained about commonly used apparatus, Chemistry lab apparatus are indispensable tools that facilitate precise measurements, controlled reactions, and safe handling of chemicals in laboratory settings. Understanding their functions and uses is crucial for conducting experiments effectively and safely. Familiarity with this apparatus enhances proficiency in experimental techniques.

The event attracted participants from schools, including Madhyamik Vidyalay Matane who engaged in various activities and experiments throughout the day. Students actively participated in demonstrations, hands-on experiments, and discussions, enriching their

understanding of scientific concepts which greatly enhanced the science day program.

Attendees appreciated the interactive nature of the experiments and hands-on activities. Many expressed enthusiasms about the engaging demonstrations and the opportunity to conduct experiments themselves.

The Science Day program successfully achieved its goal of fostering scientific curiosity and engagement among students. The chemistry experiments and hands-on activities were well-received, and the participation from various schools added to the event's success. Future events can benefit from incorporating more diverse activities and addressing feedback to enhance the overall experience.

विषय - प्रयोग सादरीकरणानिमित्त उपस्थित राहणेबाबत...

आदरणीय महोदय,

शालेय विद्यार्थांमध्ये विज्ञान विषयाची आवड निर्माण करण्यासाठी तसेच त्यांच्यामध्ये वैज्ञानिक दृष्टिकोन अधिक रुजावा या उद्देशाने आमच्या महाविद्यालयामध्ये **मंगळवार दि. २८ फ्रेब्रुवारी २०२३** रोजी **राष्ट्रीय विज्ञान दिनाचे** औचित्य साधुन विविध शालेय विज्ञान प्रयोगांचे सादरीकरण करण्यात येणार आहे. तरी आपल्या शाळेतील विद्यार्थ्यांना या उपक्रमाचा लाभ मिळावा यासाठी आपण जास्तीत जास्त विद्यार्थ्यांना पाठवून सहकार्य करावे, ही नम्र विनंती.

REPORT ON
INTERNATIONAL WOMEN'S DAY CELEBRATION

The United Nation's theme for International Women's Day 2023 is **Embrace Equity**, which is part of an ongoing effort to raise awareness around "Why equal opportunities are no longer enough." Today is a time to highlight achievements made by women, but also an opportunity to become better informed, and collaborate and brainstorm about the path forward.

The Women Cell of the Amdar Deepakbhai Kesarkar Science College, Dodamarg has organized International Women's Day on 8th March 2023 at 11.00 am in College Cultural Hall. The purpose of celebrating Women's Day was sensitization about "Gender equality and women's empowerment". The program was started with a welcome note by a girl student of T.Y B.Sc. Miss Akshada Naik followed by inviting the dignitaries on the dais. On the dais Dr. B. V. Rashivade sir as President, Guest of honour for the programme was Mrs. Rukmini Gawas, who is a Police Patil and Mrs. Sneha Desai who is an advocate. Women Empowerment coordinator Assistant Professor Miss M.M. Shet and member of Women Empowerment Assistant Professor Miss. S. B. Sutar was present. Function started by offering garland to the photo of goddess Saraswati.

All the dignitaries were welcomed by giving rose. The chief guest given Mrs. Rukmini Gawas speech on the importance of girl's presence and International Women's Day, self-employability of women, role of women in the family and society. Also given a valuable message to girl students to be brave in worst situations and be dynamic in decision

making. Advocate Mrs. Sneha Desai emphasized the need to be conscious of their rights and assert them. She said that women should fight against the gender discrimination and help rural women to make them literate. Whenever women rights are violated by legal regulations, they must be protected by women themselves. She cited various laws that are enacted in favour of women and asked the women to utilize and protect them. Women Empowerment member Assistant Professor Miss P.V. Samarth, in her speech said that thought process of women should change and each woman should respect other woman and lastly recited poem of G. D. Madgulkar. Student from class T. Y. B. Sc, Miss Janhvi Sawant proposed vote of thanks.

Report On Workshop: How to face Interview

A one-day workshop on " HOW TO FACE INTERVIEW" organized by the Amdar Deepakbhai Kesarkar Science College Dodamarg in association with Department of chemistry, on a 3rd march 2023 from 9:00 AM to 4:30 PM .

Inauguration of workshop is done by college I/C principal Mr. M. V. Golase Sir. This workshop will be very useful to our all college students in future and some important keynotes are given by the principal sir.

Next session related about to introduction and CV preparation conducting by Mr. A. B. Dhenge sir. They discuss about what important points must be included in CV such as academic achievement,

extracurricular activities, Objective of working and any relevant experience listed on your resume. As well as Anticipate question about your strength, weakness, career goals and why you are interested in job.

HoD Mr. N. M. Chougale sir explained concepts of solution chemistry. In which they told what are the basic concept involved in solution chemistry for examples ,Normality , Formality , Molarity , molality etc.

Then the IV session related to spectroscopy that is involves types spectroscopy, examples- IR,NMR UV Visible spectroscopy as well as explained in detailed working and applications The session is conducted by Mr. M. S. Patil Sir.

Miss. P. V. Samarth madam described about to chromatoghraphy introduction part to including types of chromatography their working as well as application also for HPLC, TLC, GAS Chromatograohy.

The most important part of this workshop is introduction of pharma company related information gave to detailed in how many departments in pharma company ,mostly highlighted to QC, QA Production, Packing, Storage are available in factory related department. And end of this workshop the thanks giving of all the teachers was done. Students very much Happy & satisfied with this workshop.

Department Of Lifelong Learning And Extension

Report on Vanbhojan Event

Date-15/02/2023

Introduction:

The Department of lifelong learning and extension of our College organized a vibrant and culturally rich event called "Vanbhojan" in Tilari Forest Area. The event aimed to bring all students, faculty, and staff together in a unique and informal setting, fostering a sense of community and celebrating diversity.

Event Concept:

"Vanbhojan" translates to "forest feast" in English, and the event drew inspiration from the traditional Indian concept of community dining in nature. The DLLE department aimed to create an atmosphere that promoted social interaction, cultural exchange, and a break from the routine of academic life.

Community Building:

Vanbhojan provided an informal setting for students, faculty and staff to interact beyond the classroom. The shared dining experience encouraged conversations, fostering a sense of belonging and unity among participants. It also provided an opportunity for networking and collaboration among individuals from different academic backgrounds.

Environmental Awareness:

In line with the DLLE department's commitment to sustainable practices, Vanbhojan emphasized eco-friendly measures. The use of

Estd. 15/6/2012 Dist.Sindhudurg

biodegradable plates and cutlery, waste recycling stations, and educational displays promoted environmental awareness among attendees.

Vanbhojan organized by the DLLE Department of Amdar Deepakbhai kesarkar science College was a resounding success, achieving its goals of cultural celebration, and environmental consciousness. The event not only provided a break from the academic routine but also highlighted the importance of fostering a sense of togetherness within the college community. Vanbhojan is poised to become an annual tradition, bringing joy and unity to the college campus for years to come. The 103 students were present for the vanbhojan activity.

Department Of Lifelong Learning And Extension

Report on Tilari Forest Cleaning

Date-15/02/2022

The Department of lifelong learning and extension (DLLE) had organised a remarkable event aimed at environmental conservation and cleaning.

Objectives:

Environmental Conservation:

Promote environmental consciousness and actively contribute to the preservation of Tilari Forest's natural beauty. To educate students about the significance of nature conservation.

Planning and Coordination:

The DLLE Department coordinated the cleaning drive, assessed areas requiring attention, and organized the necessary resources, including transportation for students.

Student Participation:

College students, faculty members, and DLLE staff actively participated in the cleaning drive. Teams were formed, and each was assigned specific areas for cleaning.

The student participants were equipped with garbage bags, gloves, and cleaning tools. They worked together to remove litter and debris from the forest.

Amdar Deepakbhai Kesarkar Science College Estd. 15/6/2012 Dist.Sindhudrug Student's T.A.Dodamarg

Waste Segregation:

Participants ensured proper waste segregation, emphasizing the importance of separating recyclables from non-recyclables.

Outcomes:

Cleaner Environment:

The cleaning drive significantly improved the cleanliness and visual appeal of Tilari Forest, making it a more enjoyable natural space.

Awareness and Education:

Participants gained a deeper understanding of environmental conservation, sustainable living, and the significance of community involvement.

Conclusion:

The DLLE Department's Tilari Forest cleaning exemplified the positive impact of combining environmental conservation with community engagement. By continuing these efforts and expanding the scope of community-based initiatives, the college students and faculty contribute to the preservation of Tilari Forest as a natural treasure,

Estd. 15/6/2012 Dist.Sindhudurg

fostering community unity and environmental stewardship. This endeavour underscores the importance of students and faculty working together to create a better living environment for all. For this Tilari cleaning activity 103 students was present.

INTERNATIONAL YOGA DAY CELEBRATION

Academic Year	2023-24
Name of the Committee	Sport Committee
Name of the Event	International Yoga Day
Date	June 21, 2023
Venue	Seminar hall
Objective	To raise global awareness about the benefits of practising of yoga.
No. of Participants	

On June 21, 2023, the Amdar Deepakbhai Kesarkar Science College in Dodamarg observed International Yoga Day with a lot of energy and involvement from the staff and students. The goal of the event was to raise awareness of the benefits of yoga for one's physical, mental, and spiritual health. The celebration began with the official opening ceremony, which was presided over by the distinguished Mr. M. V. Golase. Mr. Golase stressed the value of yoga in maintaining a healthy, balanced lifestyle. He emphasized the historical foundations of yoga as well as its applicability today, urging students to use yoga in their daily routines for all-around growth. Mr. N. M. Chaugale gave a perceptive remark on the significance of International Yoga Day after

the inauguration. He went into detail on the benefits of yoga for both physical and mental well-being as well as its history. Mr. Chaugale highlighted how yoga promotes inner serenity, focus, and stress reduction—qualities that are critical for both academic and personal success. Following the motivational talks, a yoga class taught by skilled instructors was the event's major attraction. All skill levels were catered to, giving novices a chance to learn the fundamentals and seasoned practitioners a chance to hone their craft. In order to promote flexibility, strength, and mental clarity, the yoga class intended to introduce participants to various asanas, pranayama, and meditation techniques. Students, staff, and instructors all actively participated in the event, which promoted harmony and well-being among the college community. Dodamarg's beautiful surroundings and calm mood enhanced the whole experience, fostering a setting that was ideal for introspection and mindfulness. Mr. M. V. Golase and Mr. N. M. Chaugale were thanked by the college administration for their invaluable contributions to the International Yoga Day celebration's success. The participants felt a feeling of success when the event came to an end, and it inspired them to keep adopting yoga into their daily lives. In the years to come, the Amdar Deepakbhai Kesarkar Science College intends to keep hosting activities of this nature to support the practice of yoga among its professors and students as part of its ongoing commitment to holistic well-being.

Report on
Self-Defence Program for Girl Students

Introduction:

On July 18, 2023, Amdar Deepakbhai Kesarkar Science College in Dodamarg organized a comprehensive self-defence program exclusively for 40 female students. This initiative aimed to empower young women with practical skills and knowledge necessary to protect themselves in various situations.

Program Structure:

The self-defence program was conducted by experienced trainers from a renowned local martial arts academy. It spanned a full day and comprised a variety of modules designed to equip the participants with essential self-defence techniques and strategies. The program included:

1. Basic Self-Defence Techniques: The participants were introduced to fundamental self- defence moves such as blocking, striking, and escaping holds.
2. Awareness and Prevention: The instructors emphasized the importance of situational awareness and how to identify potential threats early.
3. Escape Techniques: The students were taught how to break free from common holds and grabs, ensuring their safety in case of physical confrontations.
4. Verbal De-Escalation: Training included effective communication strategies to diffuse potentially dangerous situations without resorting to physical force.

5. Use of Everyday Objects: The trainers demonstrated how everyday objects can be used as improvised self-defence tools in emergencies.

6. Group Scenarios: The participants engaged in practical exercises, simulating real-life situations, to apply the skills they had learned.

Participant Feedback:

The 40 girl students who participated in the program expressed overwhelmingly positive feedback. They felt more confident and empowered after the training, with many reporting that they had gained valuable skills they could use in the future. Some of the comments included:

- "I feel much safer now and more prepared to handle any unexpected situations."
- "The instructors were patient and made sure we understood each technique thoroughly."
- "This program should be a regular feature at our college. It's an essential life skill."

Future Plans:

Amdar Deepakbhai Kesarkar Science College intends to make this self-defence program a recurring event, providing more female students with the opportunity to acquire these crucial skills. The college administration is also considering the possibility of expanding the program to include additional topics such as cyber safety and mental health awareness.

Conclusion:

The self-defence program held on July 17, 2023, at Amdar Deepakbhai Kesarkar Science College in Dodamarg was a resounding success, equipping 40 girl students with practical self-defence skills and boosting their self-confidence.

Report on Election Literacy Rally

Date-02 /08/2023

The Amdar Deepakbhai Kesarkar Science College Dodamarg, college students have stepped forward to spread the word about the importance of voting and the right to vote. The voter awareness rally is organised under the Department of Lifelong learning and extension to create the awareness about the right to vote among the youngsters. For this rally 86 students were present.

- The main objective of this awareness programme was to increase voters' registration and voting to make the democracy more powerful.
- To encourage students' participation and engagement in the election process.
- To foster a sense of democratic values and responsibility among students.
- To promote voting awareness and encourage citizens to exercise their right to vote.
- To provide information on the importance of voting, how it impacts local and national governance, and the role of each individual vote in shaping policies.
- To explain the steps involved in voting, including registration, identification requirements, and how to cast a vote, whether in person or by mail.
- To encourage eligible individuals to register to vote and ensure they understand the deadlines and requirements for registration.

- To address and correct common myths or misconceptions about voting, voting rights, and election procedures to ensure accurate and reliable information.
- To motivate citizens to participate in elections by highlighting the significance of their vote and the Impact of their involvement on community and national issues.

"Report on Competitive Exams Talathi Bharati and Career Guidance"

The program was organized by Career Guidance Committee, Department of Physics, 17/08/2023, Time – 11.00 am, Tuesday. The chief guide in the competitive examination and career guidance program from **Mr. Vishwajit Patil (Unique Academy)**. He gave valuable guidance to the students about the competitive examination .Also the program was chaired by Mr. B. V. Rashivade Sir. The program was moderated by Prof. M. S. Patil Sir. Also, all the teachers, non-teaching staff, 60 students were present in this program and they also got valuable support for this program. Thanks for this program done by Mr. V. M . Hodawadekar sir .

He suggested how to clear Talathi bharati exam. He talked about how to focus on the chosen career and what are the efforts to be put in to make that dream true. He explained by giving examples of various successful people, that how they achieved the status in spite of having lack of facilities and financial support.

The students cleared their doubts by asking various questions regarding the confusions, they usually face while choosing books and free materials on youtube.

He motivated the students to be confident and communicative in life. Besides, hard work, time management and focus on the line opted are important aspects to be taken care of.

All the students were highly motivated and got to know about various opportunities after completing their graduation. It was a very informative day for the students.

Report on College Student-Led Temple Cleaning Initiative in Kasai

Date – 29/08/2023

Introduction:

In an endeavour to promote community engagement and uphold the cultural significance of the Kasai Temple, a group of college students initiated a temple cleaning drive.

Objectives:

Preserve Cultural Heritage: Recognize and uphold the cultural heritage of Kasai by maintaining the cleanliness and sanctity of the Kasai Temple.

Promote Community Participation:

Encourage local residents and students alike to actively engage in preserving their cultural landmarks.

Enhance Religious Experience:

Provide devotees and visitors with a clean and welcoming environment for religious worship and reflection.

Activities:

The student-led temple cleaning initiative in Kasai encompassed a series of coordinated activities:

Amdar Deepakbhai Kesarkar Science College
Estd. 15/8/2012 Dist.Sindhudrug

Planning and Coordination:
A dedicated team of student volunteers organized and planned the temple cleaning drive, including scheduling, resource procurement, and coordination with temple authorities.

Community Engagement:
Students reached out to the local community, raising awareness about the initiative and inviting residents to participate. They emphasized the importance of collective responsibility in preserving cultural heritage.

Cleanup Day:
On the designated day, students, along with enthusiastic community members, assembled at the Kasai Temple. They brought cleaning supplies such as brooms, mops, buckets, and cleaning agents

Outcomes:
Enhanced Temple Appearance: The cleaning and beautification efforts significantly improved the overall appearance and cleanliness of the Kasai Temple.

Improved Religious Experience: Devotees and visitors experienced an enhanced sense of tranquillity and reverence while visiting the temple due to its clean and well-maintained surroundings.

Strengthened Community Bonds: The collaborative effort between college students and the local community fostered stronger community bonds and mutual respect.

Conclusion:
The student-led temple cleaning initiative in Kasai exemplifies the positive impact of community engagement and cultural preservation. By continuing these efforts and expanding the scope of community-based initiatives, the college 88 students contribute to the preservation of Kasai Temple as a cultural landmark and ensure it remains a place of

Report on Ganpati Festival Stall Event

Date -16/09/2023

The Amdar Deepakbhai Kesarkar Science college, Dodamarg, organized a vibrant and engaging event featuring non-food stalls, which showcased the talent, and entrepreneurial spirit of our students. The event aimed to provide a platform for students to display and sell various non-food items, including incense sticks, camphor, Ganesha garlands and Ganesha decorations, Ganesh modak, fashion accessories, and more. This report provides an overview of the event and its impact on the college community. For this activity 79 students was take part.

Event Highlights:

Inauguration- The non-food stall is inaugurated by one of the parents who was present on this occasion and principal and other dignities present. Some of the parents also bought some items from stall and this made a positive mind set start among the student.

Diverse Range of Stalls:

These included incense sticks, camphor, Ganesha garlands and Ganesha decorations, Ganesh modak and other creative items. The variety of stalls ensured that there was something for everyone.

Student Entrepreneurship:

Many of the stalls were run by student entrepreneurs who used this event as an opportunity to test their business ideas and gain practical

Estd. 15/6/2012 Dist.Sindhudurg

experience in marketing and sales. It was inspiring to see our student's taking initiative and showcasing their entrepreneurial skills.

Eco-friendly and Sustainable Products:

Many stalls focused on eco-friendly and sustainable products, aligning with the growing global emphasis on sustainability. This highlighted our students' awareness of environmental issues and their commitment to responsible consumerism.

Impact:

The non-food stall event had a significant impact on the college community:

Entrepreneurship Development:

Student entrepreneurs gained valuable experience in marketing, sales, and business management. This hands-on experience will benefit them in their future careers.

Community Building:

The event brought together students, faculty, and staff, fostering a sense of community and camaraderie within the college.

Promoting Sustainability:

The emphasis on eco-friendly and sustainable products raised awareness about environmental issues and encouraged responsible consumer behaviour.

Skill Enhancement:

The workshops and demonstrations allowed students to acquire new skills and enhance their existing ones, contributing to their personal and professional development.

Report on Presentation on Eco-Friendly Ganesh Festival at Parent Meeting

Date- 15/09/2023

Introduction:

In an effort to promote environmental awareness and sustainable practices, a student delivered a presentation on the importance of an eco-friendly Ganesh festival during a parent-teacher meeting.

Presentation Highlights:

1. Introduction to Ganesh Festival:

The student began by introducing the significance of the Ganesh festival in Indian culture, emphasizing its popularity and importance among families. They highlighted how it traditionally involves the worship of Lord Ganesha with elaborate decorations, idols, and celebrations.

2. Environmental Concerns:

The presentation then shifted its focus on the environmental concerns associated with the traditional way of celebrating Ganesh Chaturthi. The student explained how the immersion of idols made of non-biodegradable materials, along with chemical-laden paints and decorations, can harm water bodies and ecosystems.

3. Eco-Friendly Alternatives:

The student discussed various eco-friendly alternatives that can be adopted to celebrate Ganesh Chaturthi while minimizing

Estd. 15/8/2012

environmental impact. This included using clay idols, natural colours, and sustainable decorations made from recyclable materials.

4. Personal Responsibility:

The presentation emphasized the role of each family and individual in making a positive change. The student encouraged parents to take personal responsibility for ensuring their celebrations are eco-friendly and sustainable.

5. Community Initiatives:

The student highlighted successful examples of communities and neighbourhoods that have come together to celebrate an eco-friendly Ganesh festival. This included communal immersion of clay idols in artificial ponds, reducing pollution of natural water bodies.

Conclusion:

The student's presentation on eco-friendly Ganesh festival celebrations during the parent meeting was a valuable initiative in promoting environmental consciousness. It had not only raised awareness but also inspired parents to consider alternative, sustainable practices in their celebrations. This underscores the importance of involving 62 students in promoting eco-friendly initiatives and engaging parents in discussions about sustainable living.

Meri Maati Mera Desh" is an initiative that combines a love for the nation with a commitment to preserving the environment. The event often involves activities such as tree planting, cleanliness drives, and talks on environmental conservation and nationalism.

The "Meri Maati Mera Desh" event held at Amdar Deepakbhai Kesarkar Science College has left a significant impact on college students. From fostering environmental consciousness to nurturing patriotic sentiments and encouraging community engagement, the event has successfully achieved its goals. The students' active participation and positive response reflect the event's effectiveness in creating a sense of responsibility towards both the nation and the environment. It is recommended that such initiatives continue to be organized to further instill these values in future generations.

"Meri Mitti, Mera Desh" captures the essence of patriotism, environmental awareness, and cultural identity. It can evoke a range of positive feelings and encourage individuals to reflect on their connection to their country and the environment.

About 52 college Students, Teaching & Non-Teaching Staff participated actively & joyfully.

"Report on Unlocking Your Potential:Personality Development "

The program was organized by Student Welfare Committee, Department of Physics, 19/01/2024, Time – 10.00 am, Friday. The chief guide in the Unlocking Your Potential: Personality Development guidance program from **Mr. Hrudaynath Hand (Lakshya career Academy).** He gave valuable guidance to the students about the personality development. Also the program was chaired by Mr. B. V. Rashivade Sir. The program was moderated by Ass. Prof. N. M. Chougale Sir. Also, all the teachers, non-teaching staff and 66 students were present in this program and they also got valuable support for this program. Thanks for this program done by Mr. M. S. Patil sir.

Personality development is the process of enhancing and refining your personality traits, skills and behaviours to achieve personal and professional growth.

Key areas of focus

1. Self-Awareness : Understanding your strengths, weaknesses, values and emotions.
2. Communication skills : Effective verbal and nonverbal communication.
3. Confidence Building : Developing a positive self-image and assertiveness.
4. Emotional Intelligence : Managing emotions, empathy and relationships.
5. Goal setting : Setting and achieving personal and professional goals.

Benefits:

1. Improved relationships
2. Increased confidence and self-esteem
3. Enhanced communication skills
4. Better decision- making and problem- solving
5. Personal and professional growth

Tips for Personality Development:

1. Practice self – reflection and journaling
2. Engage in public speaking and group activities
3. Develop a growth mind-set
4. Seek feedback and learn from criticism
5. Set achievable goals and work towards them

Personality development is lifelong process that empowers you to become a better version of yourself. By focusing on key areas and practicing tips, you can unlock your potentials and achieve success in all aspects of life.

Report on Food Festival 2023-2024

Date- 24/01/2024

In a culturally diverse country such as India which has a rich culinary heritage and eating meals together is a part of social traditions followed since generations. With this background in mind on order to bring motivate students to engage and culinary arts and share the food cooked by the with the teacher's and the 60 student of the college, the Department of lifelong learning and Extension organizes annual Food Festival in the college premises. The food festival is very popular amongst the student and teachers since it takes them on a culinary trip with an opportunity to taste diverse Indian and western recipes. This event is also combined with the Entrepreneurship exhibition to motivate students to turn their culinary hobby into business.

Objectives-

1. To create an awareness about rich culinary heritage.
2. To motivate students to engage in culinary arts and share food preparing skills amongst themselves.
3. To recognize the important of traditional ingredients.
4. To share stories and recipes through various media.

Outcomes-

1. This event helps the students to present their culinary skills with a touch of creativity.
2. They learn the importance of ingredients used for preparation of food items.

Amdar Deepakbhai Kesarkar Science College Estd. 15/6/2012 Dist.Sindhudrug

3. This platform helps them to participate for various cookery competitions.
4. It helps students to learn about profit and loss as well as management.
5. It helps attendees gain a deeper understanding of diverse cuisines and cooking techniques.
6. It enhanced recognition and respect for different food cultures and traditions.

Report On International Women's Day

On March 9, 2024, Amdar Deepakbhai Kesarkar Science College celebrated International Women's Day with great enthusiasm and reverence. The event commenced at 10:00 AM, with a ceremonial homage to the late Savitribai Phule, a pioneering figure in women's education in India. A framed photograph of Phule was displayed prominently, symbolizing the struggles and achievements of women throughout history. Additionally, a poojan of the Devi Saraswati murti was conducted by our college clerk, Miss P. P. Bagdi, reflecting the celebration's emphasis on knowledge and empowerment.

The program was inaugurated with an introductory speech by Miss A. E. Shekar, who highlighted the significance of International Women's Day as a platform to recognize the achievements of women across various fields. She emphasized the importance of women's empowerment and the need for continued efforts towards gender equality.

The event was anchored by Miss S. B. Sutar, who guided the audience through the program seamlessly. The highlight of the celebration was a series of inspiring speeches delivered by third-year female students. They shared stories and achievements of remarkable Indian women across diverse sectors such as sports, politics, and entertainment. The students paid tribute to these achievers, shedding light on how their contributions have shaped contemporary society and inspired future generations.

The celebration not only honored past accomplishments but also encouraged students to aspire towards breaking barriers and
