Report on Ganesh Sahit stall

Date- 01/09/2019

Department of Lifelong Learning & Extension at Amdar Deepakbhai Kesarkar Science College organized the Ganesha Sahitya Stall, where 57 students demonstrated their entrepreneurial spirit and culinary talents. The purpose of this event was to foster a business-minded mindset among the students by allowing them to showcase their skill & sell a variety of product, along with traditional items like agarbatti and perfumed cones, pooja sahitya & all things associated with the celebration of Ganesha Chaturthi. The Stall was a vibrant and engaging affair that attracted students, faculty, and the local community. The event showcased the diverse talents of our students and their commitment to learning beyond the classroom.

The stall featured an impressive display of agarbatti and dhup, essential elements of Ganesha Chaturthi celebrations. These items were lovingly crafted by the students and made available for purchase. The sale of these traditional items not only enriched the cultural experience but also contributed to the overall success of the event. The Stall aimed to install a sense of entrepreneurship among our students. They were actively involved in setting prices, managing finances, and interacting with customers. This hands-on experience allowed them to develop crucial business skills such as marketing, customer service, and financial management. The event received overwhelming support from the local community, which not only boosted the morale of our students

but also demonstrated the importance of community engagement and collaboration. It was heartening to see students and community members come together to celebrate this auspicious occasion.

The Ganesha Sahitya Stall organized by the Department of Lifelong Learning & Extension was a resounding success. It not only showcased the culinary talents of our students but also encouraged them to think like business-minded individuals. The event's emphasis on community involvement and cultural enrichment added to its significance. We hope that such initiatives will continue to empower our students and inspire them to excel in various aspects of life, including entrepreneurship.

Report on TIRANGA OUR PRIDE

Rally and street play

Date-16/08/2022

On the occasion 75th independence year DLLE department arranged rally and street play named as TIRANGA OUR PRIDE in Dodamarg Bazarpeth. In rally student made awareness on the importance of independence and work of the great men and women who scarified their life for the people of this country and for their unity. The rally started with holding flag in our hand from the college heading towards Dodamarg bazarpeth with announcing Mahatma's names, exclamation sentences and independence songs. After reaching at Pimpleshwar temple which is centre of bazarpeth all student's made a circle at the centre of the street which was surrounded by local peoples to perform the street play. DLLE student perform TIRANGA OUR PRIDE street play and sends out a powerful message for the people, that India got its independence more than 75 year ago. After all these years, what does freedom means to us How do we perceive it. Student's tried to ask these important question through this play. Student also give information that 'Har Ghar Tiranga' is a campaign under the aegis of Azadi Ka Amrit Mahotsav to encourage people to bring the Tiranga home and to hoist it to mark the 75th year of India's independence.

Our relationship with the flag has always been more formal and institutional than personal. Bringing the flag home collectively as a nation in the 75th year of independence thus becomes symbolic of not

only an act of personal connection to the Tiranga but also an embodiment of our commitment to nation-building. The idea behind the initiative is to invoke the feeling of patriotism in the hearts of the people and to promote awareness about the Indian National Flag.

After performing street play the rally return to college then DLLE committee head Mr. M. S. Patil congratulate all the participating 100 students and the college staff for successful programme.

Report on Healthy lifestyle

Student Welfare Committee Organized Healthy Lifestyle on 03 Feb. 2023 with great zeal and devotion under the guidance of **Assistant Prof. P. R. Desai** to present the theme. 99 **students** and all teaching and non-teaching staff from college participated in this programme. On this occasion **Hon. Mr. Dr. Dnyaneshwar Awale (Medical Officer Rural Hospital, Dodamarg)**, **Hon. Mr. Dr. Ramdas Redkar (RBSK Medical officer)**, **Hon. Mrs. Kranti Baraskar (RBSK Medical officer)** guided us. They are guided us by Daily routine, meditation and health benefits of yoga.

Living a healthy lifestyle is crucial for overall well-being and reducing the risk of various health problems. It involves making positive changes to your daily routine and habits, such as eating a balanced diet, engaging in regular physical activity, getting enough sleep, managing stress and avoiding harmful substances.

Eating a healthy and balanced diet is a fundamental aspect of a healthy lifestyle. It is essential to consume a variety of nutrient-rich foods, including fruits, vegetables, whole grains, lean proteins and healthy fats. Consuming a balanced diet provides the body with the necessary nutrients to function correctly and helps prevent chronic diseases like heart disease, diabetes and obesity.

Engaging in regular physical activity is also crucial for a healthy lifestyle. Exercise helps maintain a healthy weight, improve cardiovascular health, boost mood and increase energy levels. It is recommended that adults get at least 150 minutes of moderate – intensity aerobic exercise or 75 minutes of vigorous –intensity aerobic exercise per week.

Getting enough sleep is essential for the body to function correctly. Adults should aim to get between seven and nine hours of sleep each night. Sleep deprivation can lead to a range of health problems, including obesity, diabetes and cardiovascular disease.

Managing stress is also an important aspect of a healthy lifestyle. Chronic stress can have detrimental effects on physical and mental health. Techniques such as meditation, yoga and deep breathing can help manage stress levels and promote relaxation.

Finally, avoiding harmful substances such as tobacco, drugs and excessive alcohol consumption is essential for a healthy lifestyle. These substances can have significant negative effects on physical and mental health, leading to a range of chronic diseases and conditions.

In conclusion, adopting a healthy lifestyle can have many positive effects on physical and mental wellbeing. By making small, positive changes to daily habits it is possible to improve overall health and reduce the risk of chronic diseases.
