“Report on Competitive Exams and Career Guidance”

The program was organized by Career Guidance Committee, Department of Physics, 17/ 07/2019, Time – 11.00. The chief guide in the competitive examination and career guidance program is Mr. P. R. Singate, Mrs. S. P. Singate, Miss. Isha Singate. He gave valuable guidance to the students about the competitive examination. All the teachers, non-teaching staff, 60 students were present in this program and they also got valuable support for this program. Thanks for this program done by Asst. Prof. J. A. Sawant.

Career guidance plays a very important role in the lives of all individuals specially in youngsters, as it helps in setting future goals and choosing careers. Career guidance is much-needed service to those who did not plan for their future at an early stage; more should be done

to assist the younger generations in personal career development. When college students have a clear grasp of their greatest job options, they may plan better, proceed faster to higher education, and contribute to a more productive society in the future.

All the students were highly motivated and got to know about various opportunities after completing their graduation. It was a very informative day for the students.

“Report on Competitive Exams and Career Guidance”

The program was organized by Career Guidance Committee, Department of Physics, 06/01/2022 , Time – 11.00. The chief guide in the competitive examination and career guidance program is Hon. Prof. Mr. Ramakant Gawde sir (Gogte- Walke College, Panval, Banda). He gave valuable guidance to the students about the competitive examination .Also the program was chaired by Asst. Prof. M. V. Golase. All the teachers, non-teaching staff, 40 students were present in this program and they also got valuable support for this program.

Venue: Cultural Hall

Attended By: B.Sc Students

Resource Person: Hon. Prof. Mr. Ramakant Gawde sir (Gogte-Walke college , Panval, Banda)

A Career Counselling programme was held for B.Sc. students. The programme gave an insight about how important it was for students of science streams to have a backup plan along with aiming for an admission in IIT's and Medical. The session provided us the information about the various branches of engineering and also the colleges apart from IIT and AIIMs that offer these courses. Discussion was held about the variety of option available other than engineering and medicine which were open for all the students, such as law, National Defence Services. Students were informed about the changes made in examination and pattern of National Level Examinations. The workshop also provided vital information about alternate courses in medical sciences like paramedics and alternative therapeutic approaches such as Ayurveda, Naturopathy etc. Information about cost efficient courses in medicine outside India was also provided to the students. The workshop emphasised on the point that there are various opportunities that are now being availed by science students other than Medical and Engineering. Informative booklets were given which contained information about various courses, the universities that offer those courses and the eligibility criteria of getting admission to those courses of different universities.

“Report on Competitive Exams and Career Guidance”

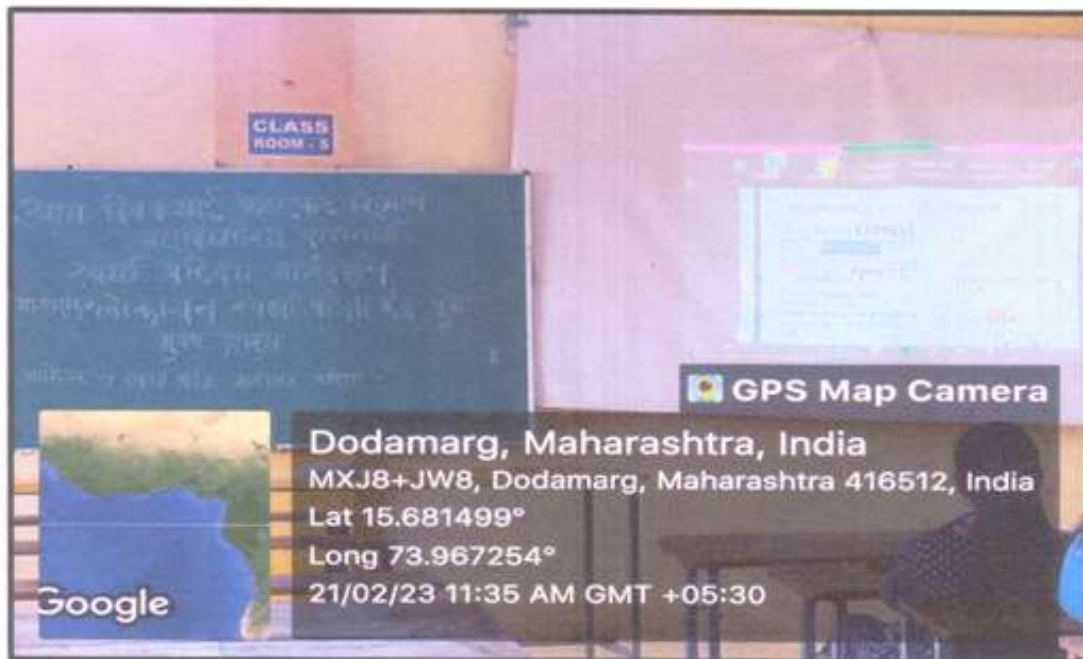

The program was organized by Career Guidance Committee, Department of Physics, 21/02/2023, Time – 11.00 am. The chief guide in the competitive examination and career guidance program from **Lokayan IAS Academy Mr. Bhushan Deshmukh Sir**. He gave valuable guidance to the students about the competitive examination. Also the program was chaired by Prof. N. M. Chougale. The program was moderated by Prof. M. S. Patil Sir. Also, all the teachers, non-teaching staff, 50 students were present in this program and they also got valuable support for this program. Thanks for this program done by Prof. A. B. Dhenge Sir.

He suggested varied ways that how to opt the career in one's life depending on the capabilities and potential. He talked about how to focus on the chosen career and what are the efforts to be put in to make that dream true. He explained by giving examples of various successful people, that how they achieved the status in spite of having lack of facilities and financial support.

The students cleared their doubts by asking various questions regarding the confusions, they usually face while deciding their career.

He motivated the students to be confident and communicative in life. Besides, hard work, time management and focus on the line opted are important aspects to be taken care of.

All the students were highly motivated and got to know about various opportunities after completing their graduation. It was a very informative day for the students.

“Report on Competitive Exams Talathi Bharati and Career Guidance”

The program was organized by Career Guidance Committee, Department of Physics, 17/08/2023, Time – 11.00 am, Tuesday. The chief guide in the competitive examination and career guidance program from **Mr. Vishwajit Patil (Unique Academy)**. He gave valuable guidance to the students about the competitive examination .Also the program was chaired by Mr. B. V. Rashivade Sir. The program was moderated by Prof. M. S. Patil Sir. Also, all the teachers, non-teaching staff, 60 students were present in this program and they also got valuable support for this program. Thanks for this program done by Mr. V. M . Hodawadekar sir .

He suggested how to clear Talathi bharati exam. He talked about how to focus on the chosen career and what are the efforts to be put in to make that dream true. He explained by giving examples of various successful people, that how they achieved the status in spite of having lack of facilities and financial support.

The students cleared their doubts by asking various questions regarding the confusions, they usually face while choosing books and free materials on youtube.

He motivated the students to be confident and communicative in life. Besides, hard work, time management and focus on the line opted are important aspects to be taken care of.

All the students were highly motivated and got to know about various opportunities after completing their graduation. It was a very informative day for the students.

“Report on Wildlife Tourism”

The program was organized by Career Guidance Committee, 03/02/2020, Time - 11.00. The chief guide in the Wildlife Tourism is Assistant Prof. G. A. Margaj. (S. P. K. College, Sawantwadi). He gave valuable guidance to the students about Wildlife Tourism. All the teachers, non-teaching staff, 54 students were present in this program and they also got valuable support for this program.

The seminar focusing on the prospects and nuances of Wildlife Tourism as a potential career avenue. This seminar aimed to enlighten students about the vast opportunities available in this sector and how they can carve a niche for themselves.

The event commenced with an inaugural speech by Margaj Sir, a prominent faculty member of the S. P. K. College Sawantwadi. The speaker emphasized the importance of exploring diverse career opportunities and the significance of wildlife conservation in today's world.

Mr. Ganesh Margaj, a renowned figure in the field of wildlife tourism, graced the occasion as the Chief Guest. His vast experience and profound knowledge in the domain provided students with invaluable insights.

Several sessions were dedicated to discussing various career paths within wildlife tourism, including tour guiding, conservation research, eco-resort management, and wildlife photography. Experts from the industry shared their personal experiences and success stories, inspiring students to pursue their passion.

A lively Q&A session allowed students to clarify their doubts and seek guidance on career prospects, educational qualifications, and skill development required to excel in the field.

The seminar concluded with a vote of thanks by Mr. J. A. Sawant, expressing gratitude to Mr. Ganesh Margaj, the speakers, and all attendees for their active participation and valuable contributions.

The seminar received overwhelming positive feedback from the students and faculty alike. Many expressed their newfound interest in exploring careers in wildlife tourism and appreciated the college's initiative in organizing such an informative session.

The Career Guidance Committee intends to organize more such seminars and workshops in the future, focusing on diverse career avenues to equip students with knowledge and opportunities beyond conventional paths.

Carrier Guidance Committee

Report on Programme: Career Guidance on Industrial Jobs

Date- 25/03/2021

The career guidance program organized by the Department of Chemistry was an extensive and well-rounded initiative designed to equip students with essential skills and knowledge for navigating their professional paths. Spanning three days, the program featured a diverse range of sessions and activities aimed at addressing various facets of career development. It began with personalized career counselling sessions, offering students the chance to engage one-on-one with experienced career advisors. This initial segment provided tailored advice and insights into aligning their career goals with practical steps for achievement. Mr. M. S. Patil gave his valueable guidance for students.

The event continued with workshops and seminars on resume building, interview techniques, and industry trends, complemented by networking opportunities with professionals from various fields. Through interactive activities and expert panels, the program not only offered valuable information but also fostered a supportive environment where students could explore their interests and aspirations. Overall, the initiative served as a comprehensive platform for empowering students to take informed and confident steps in their professional journeys.

This was followed by a series of workshops and seminars focusing on essential job search skills such as resume writing, interview techniques, and effective networking strategies. One of the highlights of the program was the industry connections segment, which featured networking events, career fairs, and alumni panels, providing students

with valuable opportunities to interact with professionals from the field and gain insights into various career paths.

Additionally, the program offered guidance on securing internships and research positions, emphasizing the importance of practical experience in building a successful career. For those interested in further studies, there were dedicated sessions on graduate school preparation, covering topics such as exam preparation, application processes, and selecting the right programs. The program also featured several key speakers, including industry experts and successful alumni, who shared their experiences and offered valuable advice.

The participants were overwhelmingly positive, with many students reporting that they felt more confident and prepared to pursue their career goals. The program concluded with a summary of outcomes, highlighting the internships secured, job offers received, and further studies planned by the participants. Overall, the career guidance program was deemed a great success, with recommendations for future iterations to include more interactive sessions and expanded networking opportunities.

Report On Workshop: How to face Interview

A one-day workshop on “ HOW TO FACE INTERVIEW ” organized by the Amdar Deepakbhai Kesarkar Science College Dodamarg in association with Department of chemistry, on a 3rd march 2023 from 9:00 AM to 4:30 PM .

Inauguration of workshop is done by college I/C principal Mr. M. V. Golase Sir. This workshop will be very useful to our all college students in future and some important keynotes are given by the principal sir.

Next session related about to introduction and CV preparation conducting by Mr. A. B. Dhenge sir. They discuss about what important points must be included in CV such as academic achievement,

extracurricular activities, Objective of working and any relevant experience listed on your resume. As well as Anticipate question about your strength, weakness, career goals and why you are interested in job.

HoD Mr. N. M. Chougale sir explained concepts of solution chemistry. In which they told what are the basic concept involved in solution chemistry for examples ,Normality , Formality , Molarity , molality etc.

Then the IV session related to spectroscopy that is involves types spectroscopy, examples- IR,NMR UV Visible spectroscopy as well as explained in detailed working and applications The session is conducted by Mr. M. S. Patil Sir.

Miss. P. V. Samarth madam described about to chromatography introduction part to including types of chromatography their working as well as application also for HPLC, TLC, GAS Chromatograohy.

The most important part of this workshop is introduction of pharma company related information gave to detailed in how many departments in pharma company ,mostly highlighted to QC, QA Production, Packing, Storage are available in factory related department. And end of this workshop the thanks giving of all the teachers was done. Students very much Happy & satisfied with this workshop.

Report on Programme: know Your Job Opportunities

A programme on " **KNOW YOUR JOB OPPORTUNITIES**" organized by the Amdar Deepakbhai Kesarkar Science College Dodamarg, on 22/03/2024.

Inauguration of programme is done by college principal Mr. M. V. Golase Sir. This programme will be very useful to our all college students in future and some important keynotes are given by the principal sir.

The event was well-attended by university students, recent graduates, and early-career professionals. The primary goal of the talk was to equip participants with essential knowledge about various career paths and the current job market landscape. The speakers aimed to provide a comprehensive overview of job market trends, highlight emerging industries, and offer actionable advice for effective job searching and career development.

The agenda of the event was structured to cover several key areas. Mr. A. B. Dhenge began with a lecture on current job market trends, focusing on the latest statistics and highlighting growth areas such as technology, healthcare, and sustainable industries. He detailed how sectors like artificial intelligence, cybersecurity, and renewable energy are driving new job opportunities. Following this, Mr. N. M. Chougale provided a breakdown of career opportunities in emerging fields. He discussed specific areas experiencing growth, such as data science, environmental management, and remote work roles. This lecture offered practical insights into these fields, helping attendees understand the skills and qualifications required for success.

In a subsequent segment, Mr. A. B. Dhenge elaborated on the essential skills and qualifications needed for various industries. He emphasized the importance of both technical skills, like coding and data analysis, and soft skills, such as communication and adaptability. He also covered the educational and training requirements for different careers, providing attendees with a clear understanding of what is needed to enter and excel in their chosen fields. N. M. Chougale then shared effective job-searching strategies, offering advice on crafting tailored resumes, leveraging professional networks, and preparing for interviews. His practical tips were designed to help participants navigate the job market more effectively and increase their chances of securing desirable positions.

The event concluded with a lively Q&A session, where attendees engaged with the speakers on specific industries and job search challenges. The interactive discussion provided valuable feedback and further clarification on various topics.

Overall, the feedback from attendees was highly positive. Participants found the talk to be highly informative and relevant, appreciating the practical advice and insights shared by the speakers. The clarity and depth of the information presented, particularly on emerging job sectors, were highlighted as major strengths of the event. However, some attendees suggested incorporating more interactive elements, such as breakout sessions, to facilitate hands-on practice and deeper engagement with the material.

In conclusion, the **"Know Your Job Opportunities"** career talk successfully provided participants with a thorough understanding of the current job market and emerging career opportunities. The event was valuable in helping attendees navigate their job searches and plan their careers effectively. As a follow-up, participants are encouraged to apply the strategies discussed, explore emerging fields, and continuously develop both their technical and soft skills. Additional guidance can be sought from the Career Development Centre, with further resources available through their online portal.
