The governance of the institution is reflective of and in tune with the vision and mission of the institution

6.1.1 The governance of the institution is reflective of and in tune with the vision and mission of the institution.

INDRODUCTION

Government of Maharashtra has been included newly formed Dodamarg taluka in the hilly region development programs because nearly 53 villages of the taluka are completely in the hilly and remote areas of western ghat, bordering the states of Maharashtra, Goa and Karnataka. Mainly agriculture and agriculture-based employment is the main means of livelihood. Due to inconvenience of public transport, sparse population in villages etc., this taluka became somewhat backward educationally and economically.

To promote the education in the society where the education is very important for the holistic development of society. Shramik Vidyarthi Dnyanaseva Sanstha was established on 26th January 2003 with the motto of 'Dnyan Vidnyan Susanskar'. If the flow of education should reach the doorsteps of children in such underdeveloped areas, if the village student wants to be empowered in this era of globalization, if he wants to make a substantial contribution to the society, there is no such viable alternative to science. Therefore, from the point of view of 'Science to all Strata of the Society', Amdar Deepakbhai Kesarkar Science College Dodamarg was approved by the government on 19th June 2012 and affiliated to Mumbai University on July 2012.

Earlier, students of the Dodamarg had to travel up to 65 kilometers to get a science degree, now the problem has been removed. The college has so far

provided education to deprived class students at very low cost. Economically self-reliant, society and environment conscious citizens have been created. It would not be an exaggeration to say that by 2024-25, more than 300 students have graduated from college, thereby stabilizing that many families. The percentage of girls among graduate students has always been high. The graph of the number of students admitted to colleges has always been climbing and result percentage has always been excellent.

On 26th May 2022 Maharashtra Government approved hundred percent grant to the college and there is no doubt that this approval will be a revival for the college and we are sure that in the future this college will become well-known and this stream of education will be widened.

★ VISION: SSS ★

Science to all the **S**trata of the **S**ociety

★ MISSION ★

- ❖ Empower rural students with a capability to compete & contribute in the globalized world.
- ❖ Provide access to scientific education at the doorstep of the students in the hilly & undeveloped areas.
- ❖ Inculcate mindsets of Science, Simplicity & Spirituality to face the challenge of Sustainability before the humanity.

★ GOAL ★

- ❖ Make scientific education affordable & accessible to the students of peasants & workers class.
- ❖ Create citizens that are economically independent, socially responsible & environmentally sensible.
- ❖ Create leaders that will contribute to the Sustainable Development of the planet earth.

★ OBJECTIVES★

- 1) To promote girls for higher education and bring them into the mainstream of education.
- 2) To ensure higher education to rural downtrodden and socio economically backward class students
- 3) To empower student to become able, responsible citizens by imparting quality and inculcating sound values.
- 4) To provide opportunities to students and make them competent to face challenges of the competitive world and to utilize their potential.

- 5) To approach the community, serve it for its betterment, educate and conserve their culture.
- 6) To create awareness in students and community, for the sustainable development of environment.
- 7) To inculcate values amongst students and make them recognize their duties in the development of society and nation.
- 8) To cherish the virtues of dignity of labour and self-help through extracurricular and co- curricular activities.

The vision and mission of the institution are defined and they give importance to produce responsible citizens of the nation. The institution has a policy making Governing Body. The institution follows a democratised and participatory mode of governance with all stakeholders participating actively in its administration.

The governing body prepares the short-term and long-term perspective plans of the institution integrating the departmental plans, and recommendations of College Development Committee (CDC) and other stakeholders. Internal Quality Assurance Cell (I.Q.A.C.) of the institution performs a pivotal role in the quality enhancement process. It regularly conducts meetings and obtains suggestions on quality initiatives in the college. They are discussed in the IQAC meetings. After the discussion with the Principal, the issues are put in the CDC meetings. Commencement of short term certificate courses, implementation and accountability of the teaching-learning process, organization of seminars, conferences and workshops etc. are taken by CDC. Some issues about the institution, after discussing in the CDC meetings, are forwarded to the Governing Body to be discussed in its meetings. The Principal implements the policy decisions taken by the CDC and Governing Body.

Teachers' participation in Decision Making:

The representatives of teaching and nonteaching faculty are the members of IQAC and CDC. They provide suggestions on quality initiatives and partake into the planning and decision making process.

Student Participation in Decision Making:-

Student representatives are the members of IQAC and other functional committees like DLLE, Cultural, and Sports etc. They participate in decision-making as well as in organizing various events.
