Venue	Seminar Hall
Objective	The main objective of this day is to remember the contribution of Chhatrapati Maharaj to Maratha history and its culture.
No. of Participants	

Chhatrapati Shivaji Maharaj Jayanti, also known simply as Shiv Jayanti, is a festival and public holiday of the Indian state of Maharashtra. This festival is celebrated on February 19, celebrating the birth anniversary of Chhatrapati Shivaji Maharaj, the first Chhatrapati and founder of the Maratha Empire. Chhatrapati Shivaji Maharaj Bhonsale was born on 19th February, 1930. He was an Indian ruler and a member of the Bhonsle Maratha clan. Shivaji carved out an enclave from the declining Adilshahi sultanate of Bijapur that formed the genesis of the Maratha Empire. In 1674, he was formally crowned the Chhatrapati of his realm at Raigad Fort. Over the course of his life, Shivaji Maharaj engaged in both alliances and hostilities with the Mughal Empire, the Sultanate of Golkonda, Sultanate of Bijapur and the European colonial powers. Shivaji Maharaj's military forces expanded the Maratha sphere of influence, capturing and building forts, and forming a Maratha navy. Shivaji Maharaj established a competent

and progressive civil rule with well-structured administrative organisations. He revived ancient Hindu political traditions, court conventions and promoted the usage of the Marathi and Sanskrit languages, replacing Persian in court and administration. Shivaji Maharaj's legacy was to vary by observer and time, but even after nearly two centuries after his death, he began to take on increased importance with the emergence of the Indian independence movement, as many Indian nationalists elevated him as a proto-nationalist and hero of the Hindus. Amdar Deepakbhai Kesarkar Science College Dodamarg paid tribute to the Chatrapati Shivaji Maharaj on his birth anniversary. On this day, college has arranged small programme in the guidance of Principal Mr. M. V. Golase At start, Dr. S. V. More sir garland to the Statue of Chatrapati Shivaji Maharaj. Report On

Chhatrapati Shivaji Maharaj Jayanti Celebration

Academic Year	2022-23
Name of the Committee	Cultural Committee
Name of the Event	Chhatrapati Shivaji Maharaj Jayanti
Date	February 19, 2023
Venue	A D. K. Sc. College Dodamarg
Objective	The main objective of this day is to remember the contribution of Chhatrapati Shivaji Maharaj to Maratha history and its culture.
No. of Participants	

Chhatrapati Shivaji Maharaj Jayanti, also known simply as Shiv Jayanti, is a festival and public holiday of the Indian state of Maharashtra. This festival is celebrated on February 19, celebrating the birth anniversary of Chhatrapati Shivaji Maharaj, the first Chhatrapati and founder of the Maratha Empire. Chhatrapati Shivaji Maharaj Bhonsale was born on 19th February, 1930. He was an Indian ruler and a member of the Bhonsle Maratha clan. Shivaji carved out an enclave from the declining Adilshahi sultanate of Bijapur that formed the genesis of the Maratha Empire. In 1674, he was formally crowned the Chhatrapati of his realm at Raigad Fort. Over the course of his life, Shivaji Maharaj engaged in both alliances and hostilities with the Mughal Empire, the Sultanate of Golkonda, Sultanate of Bijapur and the European colonial powers. Shivaji Maharaj's military forces

expanded the Maratha sphere of influence, capturing and building forts, and forming a Maratha navy. Shivaji Maharaj established a competent and progressive civil rule with well-structured administrative organisations. He revived ancient Hindu political traditions, court conventions and promoted the usage of the Marathi and Sanskrit languages, replacing Persian in court and administration. Shivaji Maharaj's legacy was to vary by observer and time, but even after nearly two centuries after his death, he began to take on increased importance with the emergence of the Indian independence movement, as many Indian nationalists elevated him as a proto-nationalist and hero of the Hindus. Amdar Deepakbhai Kesarkar Science College Dodamarg paid tribute to the Chatrapati Shivaji Maharaj on his birth anniversary. On this day, college has arranged small programme in the guidance of Dr. S V. More. at start, Dr. S. V. More sir garland to the Statue of Chatrapati Shivaji Maharaj. And also introduced students about the ethics and values we can learn from the life of Chatrapati Shivaji Maharaj. Mr. P. R. Desai gave speech on the life of Chatrapati Shivaji Maharaj and motivate students.

“Report on Competitive Exams and Career Guidance”

The program was organized by Career Guidance Committee, Department of Physics, 17/ 07/2019, Time – 11.00. The chief guide in the competitive examination and career guidance program is Mr. P. R. Singate, Mrs. S. P. Singate, Miss. Isha Singate. He gave valuable guidance to the students about the competitive examination. All the teachers, non-teaching staff, 60 students were present in this program and they also got valuable support for this program. Thanks for this program done by Asst. Prof. J. A. Sawant.

Career guidance plays a very important role in the lives of all individuals specially in youngsters, as it helps in setting future goals and choosing careers. Career guidance is much-needed service to those who did not plan for their future at an early stage; more should be done

to assist the younger generations in personal career development. When college students have a clear grasp of their greatest job options, they may plan better, proceed faster to higher education, and contribute to a more productive society in the future.

All the students were highly motivated and got to know about various opportunities after completing their graduation. It was a very informative day for the students.

Report on Ganesh Sahit stall

Date- 01/09/2019

Department of Lifelong Learning & Extension at Amdar Deepakbhai Kesarkar Science College organized the Ganesha Sahitya Stall, where 57 students demonstrated their entrepreneurial spirit and culinary talents. The purpose of this event was to foster a business-minded mindset among the students by allowing them to showcase their skill & sell a variety of product, along with traditional items like agarbatti and perfumed cones, pooja sahitya & all things associated with the celebration of Ganesha Chaturthi. The Stall was a vibrant and engaging affair that attracted students, faculty, and the local community. The event showcased the diverse talents of our students and their commitment to learning beyond the classroom.

The stall featured an impressive display of agarbatti and dhup, essential elements of Ganesha Chaturthi celebrations. These items were lovingly crafted by the students and made available for purchase. The sale of these traditional items not only enriched the cultural experience but also contributed to the overall success of the event. The Stall aimed to install a sense of entrepreneurship among our students. They were actively involved in setting prices, managing finances, and interacting with customers. This hands-on experience allowed them to develop crucial business skills such as marketing, customer service, and financial management. The event received overwhelming support from the local community, which not only boosted the morale of our students

but also demonstrated the importance of community engagement and collaboration. It was heartening to see students and community members come together to celebrate this auspicious occasion.

The Ganesha Sahitya Stall organized by the Department of Lifelong Learning & Extension was a resounding success. It not only showcased the culinary talents of our students but also encouraged them to think like business-minded individuals. The event's emphasis on community involvement and cultural enrichment added to its significance. We hope that such initiatives will continue to empower our students and inspire them to excel in various aspects of life, including entrepreneurship.

Report of Street Play on theme Save Food

Date - 25/01/2020

The "Save Food" concept is a crucial issue that needs to be addressed on a global level so Department of Lifelong Learning and extension of Amdar Deepakbhai Kesarkar Science College Dodamarg, decided to make awareness in Dodamarg city and bazarpeth by performing street play. Street plays is always an effective medium to convey social messages to the community. A street play based on the "Save Food" concept is an innovative way to create awareness about food wastage and encourage people to take necessary steps to reduce it.

The street play theme was started with a group of DLLE student playing the roles of a family sitting at a dining table, wasting a significant amount of food, and throwing it away. The play then showed the adverse effects of food wastage on the environment, economy, and society. The student also highlighted the hunger and malnutrition issues faced by several people worldwide and how food wastage only adds to the problem.

The next segment of the street play was showcased the audience practical tips on how they can contribute to reducing food wastage. That tips include simple things like planning meals, storing food properly, and using leftovers creatively.

Finally, the play concluded by emphasizing the need for collective action to reduce food wastage. It encouraged people to take part in local

initiatives and support organizations working towards this cause. The play also reminded people that every small step counts and together, we can make a significant impact.

In conclusion, a street play on the "Save Food" concept was a powerful medium to create awareness and bring about change. It is an excellent way to convey a crucial message to people of all ages and backgrounds, making them more conscious of their actions and their impact on the environment and society.

After the performing street play by DLLE student in Dodamrg bazarpeth they return to college. Our college Principal congratulated 65 students participating in street play for their performance and well-planned theme of street play.

Report on TIRANGA OUR PRIDE

Rally and street play

Date-16/08/2022

On the occasion 75th independence year DLLE department arranged rally and street play named as TIRANGA OUR PRIDE in Dodamarg Bazarpeth. In rally student made awareness on the importance of independence and work of the great men and women who scarified their life for the people of this country and for their unity. The rally started with holding flag in our hand from the college heading towards Dodamarg bazarpeth with announcing Mahatma's names, exclamation sentences and independence songs. After reaching at Pimpleshwar temple which is centre of bazarpeth all student's made a circle at the centre of the street which was surrounded by local peoples to perform the street play. DLLE student perform TIRANGA OUR PRIDE street play and sends out a powerful message for the people, that India got its independence more than 75 year ago. After all these years, what does freedom means to us How do we perceive it. Student's tried to ask these important question through this play. Student also give information that 'Har Ghar Tiranga' is a campaign under the aegis of Azadi Ka Amrit Mahotsav to encourage people to bring the Tiranga home and to hoist it to mark the 75th year of India's independence.

Our relationship with the flag has always been more formal and institutional than personal. Bringing the flag home collectively as a nation in the 75th year of independence thus becomes symbolic of not

only an act of personal connection to the Tiranga but also an embodiment of our commitment to nation-building. The idea behind the initiative is to invoke the feeling of patriotism in the hearts of the people and to promote awareness about the Indian National Flag.

After performing street play the rally return to college then DLLE committee head Mr. M. S. Patil congratulate all the participating 100 students and the college staff for successful programme.

Report on Rally to Protect the Ozone Layer and Combat Pollution

Date-16/09/2022

The ozone layer of the Earth protects us from the harmful ultraviolet rays of the sun. Unfortunately, our race for maintaining a high quality of life has led to its depletion. On 1st January 1989 the Montreal Protocol came into force to stop the depletion and reduce the usage of substances that cause holes in our protective blanket. Sustaining the Ozone layer is hence the collective responsibility of all the nations.

The International Day for the Preservation of the Ozone Layer, more generally known as the World Ozone Day, is celebrated on the 16th of September every year.

To spread awareness about these interconnected issues, our college organized a rally that was attended by 101 students, faculty, and the local community.

OBJECTIVES OF THE PROGRAMME:

1. To raise awareness about protecting the environment
2. To take action for the protection of our environment.

Our college rally was an important step in raising awareness about the ozone layer and pollution. It underscored the significance of collective action to combat these environmental issues and highlighted the urgency of protecting the ozone layer for the sake of human health,

biodiversity, and our planet's future. This event served as a reminder that small steps, when taken together, can make a significant impact in preserving our environment for upcoming generations. It is our collective responsibility to continue working towards a cleaner, healthier, and more sustainable world.

One of the main objectives of the drive is to make India Open Defecation Free (ODF). The campaign also targets raising public awareness about cleanliness through rigorous media campaigns and to institute door to door garbage collection in rural/urban household and ensuring its safe disposal.

Importance of Swachh Bharat Abhiyan:

Swachh Bharat Mission is very important considering the condition of sanitation, cleanliness and hygiene in India. Millions of deaths in India have been reported in previous years due to diseases resulting from poor sanitation and hygiene. Also, people were not fully aware of the need for cleanliness and its impact on their health and social life. Every urban/rural Indian household as well as offices were generating a good quantity of waste every day. This waste was either being accumulated or was strewn on streets in the absence of proper collection and disposal mechanism. It is very important to make people aware of the nuisance caused by open defecation and also to strengthen the local bodies for proper door to door efficient collection of waste and its proper disposal. To reduce the spread of contagious diseases which causes due to poor sanitation facilities, open defecation and garbage collection at various places.

Swachh Bharat Mission in Dodamarg Taluka:

The project Swachh Bharat Abhiyan aims for creating awareness among the villagers and motivating panchayats to participate actively in the cleanliness drives and campaigns. In the Dodamarg taluka ADK Science college have organized cleanliness drive in the college campus and also in the vicinity of the college, after this SBA committee also conducted campaign and rally in the market area to spread the awareness and importance of SBA among the local people about hygiene at personal and public places, how to maintain cleanliness at public places and benefit of reducing open defecation.

Why India Needs Swachh Bharat Abhiyan:

Swachh Bharat Abhiyan is a much needed initiative by India, as poor state of cleanliness in the country could be directly linked to high infant mortality and degrading health conditions. Poor hygiene and cleanliness is causing maximum number of infant deaths in the country. Moreover, there is a direct link between poor sanitation and life threatening diseases like cholera, diarrhoea and typhoid etc.

Objectives of Swachh Bharat Abhiyan:

The various objectives stated under the Swachh Bharat Abhiyan are listed in bulleted points below-

- Improving the quality of life in rural areas through cleanliness and personal hygiene.
- To make India free of open defecation within five years.
- To construct toilets in rural areas.
- To encourage private sectors for making capital expenditure in the project or into the operational and maintenance cost.
- To convert unsanitary toilets into the toilets with flush.
- Create awareness among communities towards sanitation and cleanliness.
- To bring about behavioral changes in the people towards sanitation and hygiene.
- Motivating the communities for adopting a proper sanitation model for better health and life.
- To tell people how sanitation is linked to their overall health and happiness.
- To encourage and acknowledge new technological innovation in the field of sanitation or cleanliness.
- To rope in proper support from eminent personalities and notable public figures to raise awareness among the people.
- To devise a proper, door to door, waste collection and disposal system, both in villages as well as urban areas.

Department of Chemistry

Workshop On Fire Safety

Workshop on "Fire Safety" Organized by Amdar Deepakbhai Kesarkar Science College Dodamarg in association with Department of Chemistry and Surya Gas Safety Device Kudal, Sindhudurg to the Office Assistant, Assistant Professors and Lab attenders in college premises.

About the Workshop:

A workshop is conducted on fire safety on 16 January 2023 from 9.00 am for Lab Attenders, Assistant Professors and office Assistants. Fire safety training begins by identifying the basic properties of fire. All fires start when heat (a source of ignition) comes into contact with fuel (anything that burns) and oxygen is present. To prevent a fire the goal is to keep sources of ignition and fuel apart.

The fire safety risk assessment helps identify what a workplace needs to do to prevent a fire and keep people safe. The assessment looks at:

- Emergency routes and exits
- Fire detection and warning systems
- Firefighting equipment
- Removal or safe storage of dangerous substances
- The emergency fire evacuation plan
- The needs of vulnerable people
- Communication with employees and others on the premises
- Staff fire safety training

A fire safety risk assessment is the first step in identifying fire hazards. It also identifies the people at risk, state of emergency preparedness, and effectiveness of controls in the workplace. With the information from the risk assessment staff can make improvements in their fire safety plans and eliminate or reduce risks. College can also ensure appropriate training is provided to staff of each Departments. Participants were actively involved in the Demo process and learnt to deal with prevention of Accidental generation of fire in different situations. Mr. M. V. Golase , I/C Principal had instigated the session. Mr. N. M. Chougale, HOD of Chemistry had coordinated this workshop.

Report on Vanbhojan Event

Date-15/02/2023

Introduction:

The Department of lifelong learning and extension of our College organized a vibrant and culturally rich event called "Vanbhojan" in Tilari Forest Area. The event aimed to bring all students, faculty, and staff together in a unique and informal setting, fostering a sense of community and celebrating diversity.

Event Concept:

"Vanbhojan" translates to "forest feast" in English, and the event drew inspiration from the traditional Indian concept of community dining in nature. The DLLE department aimed to create an atmosphere that promoted social interaction, cultural exchange, and a break from the routine of academic life.

Community Building:

Vanbhojan provided an informal setting for students, faculty and staff to interact beyond the classroom. The shared dining experience encouraged conversations, fostering a sense of belonging and unity among participants. It also provided an opportunity for networking and collaboration among individuals from different academic backgrounds.

Environmental Awareness:

In line with the DLLE department's commitment to sustainable practices, Vanbhojan emphasized eco-friendly measures. The use of

biodegradable plates and cutlery, waste recycling stations, and educational displays promoted environmental awareness among attendees.

Vanbhojan organized by the DLLE Department of Amdar Deepakbhai kesarkar science College was a resounding success, achieving its goals of cultural celebration, and environmental consciousness. The event not only provided a break from the academic routine but also highlighted the importance of fostering a sense of togetherness within the college community. Vanbhojan is poised to become an annual tradition, bringing joy and unity to the college campus for years to come. The 103 students were present for the vanbhojan activity.

Student Welfare Committee Organized Healthy Lifestyle on 03 Feb. 2023 with great zeal and devotion under the guidance of **Assistant Prof. P. R. Desai** to present the theme. 99 **students** and all teaching and non-teaching staff from college participated in this programme. On this occasion **Hon. Mr. Dr. Dnyaneshwar Awale (Medical Officer Rural Hospital, Dodamarg)**, **Hon. Mr. Dr. Ramdas Redkar (RBSK Medical officer)**, **Hon. Mrs. Kranti Baraskar (RBSK Medical officer)** guided us. They are guided us by Daily routine, meditation and health benefits of yoga.

Living a healthy lifestyle is crucial for overall well-being and reducing the risk of various health problems. It involves making positive changes to your daily routine and habits, such as eating a balanced diet, engaging in regular physical activity, getting enough sleep, managing stress and avoiding harmful substances.

Eating a healthy and balanced diet is a fundamental aspect of a healthy lifestyle. It is essential to consume a variety of nutrient-rich foods, including fruits, vegetables, whole grains, lean proteins and healthy fats. Consuming a balanced diet provides the body with the necessary nutrients to function correctly and helps prevent chronic diseases like heart disease, diabetes and obesity.

Engaging in regular physical activity is also crucial for a healthy lifestyle. Exercise helps maintain a healthy weight, improve cardiovascular health, boost mood and increase energy levels. It is recommended that adults get at least 150 minutes of moderate – intensity aerobic exercise or 75 minutes of vigorous –intensity aerobic exercise per week.

Getting enough sleep is essential for the body to function correctly. Adults should aim to get between seven and nine hours of sleep each night. Sleep deprivation can lead to a range of health problems, including obesity, diabetes and cardiovascular disease.

Managing stress is also an important aspect of a healthy lifestyle. Chronic stress can have detrimental effects on physical and mental health. Techniques such as meditation, yoga and deep breathing can help manage stress levels and promote relaxation.

Finally, avoiding harmful substances such as tobacco, drugs and excessive alcohol consumption is essential for a healthy lifestyle. These substances can have significant negative effects on physical and mental health, leading to a range of chronic diseases and conditions.

In conclusion, adopting a healthy lifestyle can have many positive effects on physical and mental wellbeing. By making small, positive changes to daily habits it is possible to improve overall health and reduce the risk of chronic diseases.
