### **Report on "Social Media: A Good Friend"**

The seminar on "Social Media: A Good Friend" was held by the Department of Lifelong Learning & Extension, Amdar Deepakbhai Kesarkar Science College, on 15 Feb 2020. The seminar aimed to explore the positive aspects of social media and how it can be a valuable tool in our lives. The event was attended by 60 students, faculty members.

The seminar commenced with discussing the evolution of social media and its impact on society. How social media has brought people from different corners of the world closer and facilitated the exchange of ideas, information, and cultural experiences. The seminar featured discussion with Guest. They discussed the ethical use of social media, the impact of social media on mental health, and strategies for maintaining a healthy balance between online and offline life. Social media can be a powerful tool for connecting people, sharing knowledge, and promoting educational opportunities. Digital literacy is essential for using social media responsibly and effectively. Networking on social media platforms can open doors to career opportunities and professional growth. It is important to be aware of the potential negative effects of excessive social media use and take steps to protect one's mental health.

The seminar on "Social Media: A Good Friend" provided valuable insights into the positive aspects of social media and how it can be harnessed for personal, educational, and professional growth. It emphasized the need for responsible and ethical use of social media to maximize its benefits. The event served as a platform for meaningful

discussions and encouraged participants to make informed choices regarding their online presence. The Department of Lifelong Learning & Extension at Amdar Deepakbhai Kesarkar Science College is committed to promoting awareness and knowledge about important contemporary issues, and this seminar on social media was a testament to their dedication to lifelong learning and community engagement.

## **Report on Enrichment of computing knowledge**

Computing skills are also known as computer skills digital era. Computer plays a vital role in our day today life. The dependence on computer is increasing day by day. Computers have helped in reducing cost and increase efficiency and productivity at the same time. It helps in researching, keeping records, producing documents, presentations, documentations, training, saving paper etc.

### **About the programme**

A Lecture on computing skills was held on Friday, 10 Feb 2023, at 11:00 a.m. organised by Student Welfare Committee, A. D. K. Sc. College, Dodamarg. The Lecture was delivered by **Hon. Mr. K. N. Somanache Sir** (Govt. Industrial Training Institute, Dodamarg). The main objective for conducting such a Lecture was to give enrichment of computing knowledge to the students of this college since computer skills are so important. Knowledge of how to access and use the internet opens up a variety of possibilities to communicate with people to people. Instant messaging, e-mail and social media are all computer-based ways to communicate with people. Knowledge on correct e-mail etiquette and when it was appropriate to communicate via social media are invaluable soft skills that look for computer- based communication. students were present/ attended in the programme. Resource person **Hon. Mr. K. N. Somanache Sir** delivered the Lecture on computing skills so eloquently and it benefitted the 100 students of this college as well as the faculty member.
