INDUSTRIAL VISIT REPORT

Date-02/12/2022

On 02nd of December 2022, 17 students of Third Year B.Sc. Chemistry along with 5 faculty members of Amdar Deepakbhai Kesarkar Science College Dodamarg visited Sadekar Enviro Engineers Pvt.Ltd. B-306/307, Plot No.61, Patel Estate, Reis Magos, Verem, Alto, Old Betim Road, Bardez, Porvorim, Panjim-goia Near football ground, Food ball Ground Porvorim Goa - 403101. We left our college at 10:00 am and reached Sadekar Enviro Engineers Pvt. Ltd. by 11:30 am. We travelled in a comfortable bus with 17 students and five teachers.

Firstly, they had taken to us in conference room. A brief introduction about industry was given by Mrs. Varsha Chopdekar, Technical Manager. The first department that we visited was Microbial section where we got to know how culturing, examination and identification of microorganisms like bacteria, fungi, yeasts, etc are doing. Then we had taken to instrumentation section where we shown different types of instruments which were used in water testing like UV spectrophotometer, COD measuring instrument, Gas chromatography, incubator, inductive coupled plasma, conductometry, Bomb calorimeter. Brief information of all these instruments was given by Technical Manager Mrs. Varsha Chopdekar. Meanwhile we got to know about why the sampling of tested water stored in storage section and what different kinds of analysis techniques they were using.

After that all were taken again to conference room and given us snacks. After that the Senior Scientific Officer Mr. Anand Chavan was felicitated. Lastly, we ended the visit by clicking a group photograph at 1.30 PM and we moved out of the plant.

Outcomes

- Industrial visits provide the students with an opportunity to learn practically through interaction, working methods and employment practices.
- It gives the students an exposure to current work practices as opposed to theoretical knowledge being taught at their college classrooms.
- Industrial visits grant the students a great opportunity to interact with industries and know more about industrial environment.
- Industrial visits are arranged by colleges for their respective students with an objective of providing them an opportunity to explore the different industry sectors like pharmaceutical, manufacturing, services, finance.
- Industrial visit helps students to combine their theoretical knowledge of business operations with the practical knowledge of its actual functioning.
- Industrial realities are opened to the students through industrial visits.
