REPORT ON

INTERNATIONAL YOGA DAY CELEBRATION

Academic Year	2019-20
Name of the Committee	Sport Committee
Name of the Event	International Yoga Day
Date	June 21, 2019
Venue	Seminar hall
Objective	To raise global awareness about the benefits of practising of yoga.
No. of Participants	

5th International Yoga day was celebrated by the students and the teachers of MES night college of Arts and Commerce on 21st June 2019 with great enthusiasm. Principal Mr. Milind Golase Sir and Mr. A. B. Dhenge also participated in the celebration. The function began with a brief introduction of Yoga Day by Prof. N. M. Chaugale Sir. A brief introduction of the guests of Local Yoga trainer from Dodamarg was given by Miss. S. B. Sutar Madam, the chief guests were felicitated by Mr. A. B. Dhenge and Principal Mr. Milind Golase Sir respectively. Yoga Day is celebrated among the youth and children to make them understand the importance of Yoga in their life. It helps the students understand how to maintain harmony between body and mind. Brief information was provided to explain the importance of Yoga. Mr. Milind Golase Sir explained the importance of Yoga in the life of youngsters. He explained that regular practice of Yoga will help the students achieve better mental and physical health. Mr. Golase started Yoga demonstrations with the Yoga prayer. After which a few warm up

and simple Asanas were performed by the students and the teachers enthusiastically and the importance of these Asanas was explained simultaneously by Yoga trainer and Mr. A. B. Dhenge. He spoke about 'The Positive Framework of Meditation'. He began by explaining how negative thoughts disturb a person. Negativity he said increases the hormonal imbalance in people and thus there is a confusion of thoughts leading to stress. He also spoke about her experience as a counsellor where he has patients ranging from the age group 3 years to 90 years. He emphasized the fact that purity of thought increases positivity in a person. Purity of thought increases mentally and physically strong people, which further create a positive nation leading to positive world. Prof. Mahesh Patil Sir told the students that the International Yoga Day is a gift to the world by PM Modi, who put forward proposal on 11th December 2014 in the United Nations General Assembly (UNGA), which was accepted by 193 Nations. 21st June is since been celebrated as International Yoga Day. Mr. A. B. Dhenge explained the importance of breath in meditation. He told the students they should read ancient Indian texts books on yoga along with personality development books by international writers. The function ended with a vote of thanks by Prof. S. B. Sutar. The function was organised by sport Committee and DLLE students along with all the Professors and office staff who put in a lot of effort to make the function a success.

Department Of Lifelong Learning And Extension

Report on Ganesh Sahit stall

Date- 01/09/2019

Department of Lifelong Learning & Extension at Amdar Deepakbhai Kesarkar Science College organized the Ganesha Sahitya Stall, where 57 students demonstrated their entrepreneurial spirit and culinary talents. The purpose of this event was to foster a business-minded mindset among the students by allowing them to showcase their skill & sell a variety of product, along with traditional items like agarbatti and perfumed cones, pooja sahitya & all things associated with the celebration of Ganesha Chaturthi. The Stall was a vibrant and engaging affair that attracted students, faculty, and the local community. The event showcased the diverse talents of our students and their commitment to learning beyond the classroom.

The stall featured an impressive display of agarbatti and dhup, essential elements of Ganesha Chaturthi celebrations. These items were lovingly crafted by the students and made available for purchase. The sale of these traditional items not only enriched the cultural experience but also contributed to the overall success of the event. The Stall aimed to install a sense of entrepreneurship among our students. They were actively involved in setting prices, managing finances, and interacting with customers. This hands-on experience allowed them to develop crucial business skills such as marketing, customer service, and financial management. The event received overwhelming support from the local community, which not only boosted the morale of our students

but also demonstrated the importance of community engagement and collaboration. It was heartening to see students and community members come together to celebrate this auspicious occasion.

The Ganesha Sahitya Stall organized by the Department of Lifelong Learning & Extension was a resounding success. It not only showcased the culinary talents of our students but also encouraged them to think like business-minded individuals. The event's emphasis on community involvement and cultural enrichment added to its significance. We hope that such initiatives will continue to empower our students and inspire them to excel in various aspects of life, including entrepreneurship.

Report on food festival

Date - 23/01/2020

This event aimed to foster entrepreneurial skills among students by encouraging them to create and serve a variety of dishes. The Department of Lifelong Learning & Extension have program of 'Annapurna yojana' so this festival provided a platform for students to showcase their culinary talents and understand the business. The Food Festival was a delightful spectacle of creativity and flavours. It featured an array of delectable dishes prepared and presented by the 51 students. The event drew an including student, faculty members.

The festival celebrated the diversity of culinary traditions, with students offering dishes from various regions and cultures. Some of the highlights included traditional Indian dishes, international cuisines. One of the primary objectives of the Food Festival was to instil an entrepreneurial spirit in the students. As they prepared and served their dishes, they gained valuable insights into the practical aspects of running a food business. Students learned about budgeting, pricing, marketing, and customer service, all essential skills for aspiring entrepreneurs.

The festival was not just about cooking and selling food; it also provided valuable learning opportunities. Students had the chance to interact with customers, gather feedback, and adapt their offerings

based on customer preferences. This hands-on experience will undoubtedly serve them well in their future.

The Food Festival organized by the Department of Lifelong Learning & Extension at Amdar Deepakbhai Kesarkar Science College was a delightful and educational experience for all involved. It not only showcased the students' culinary skills but also nurtured their entrepreneurial spirit. This event serves as a testament to the college's commitment to holistic education and community engagement, preparing students not only for academic success but also for real-world challenges and opportunities.

Report on Personality Development Programme

The Student welfare committee had organized a programme on "Personality development" on 13th Feb 2020 for the B.Sc. students. Personality development is the development of the organised pattern of behaviours and attitude that makes a person distinctive. Personality development incurs by the continuous interaction of temperament, character and environment. The objective of this workshop was to develop the students spiritually and build self-confidence, enhance self-esteem and improve overall personality. The programme aimed at grooming the students through sensitizing them about proper behaviour, socially and professionally in both formal and informal circumstances. Nehru Yuva Kendra Sindhudurg were the resource persons on this special event. 55 students were present to this programme.

They said, "Personality should be like a magnet, which means attracting people towards oneself to learn something. And for that personality, students needed to be groomed". Further he added, "There are certain values like way of talking, behaving and dress code which shows one's personality that relates oneself to other". He concluded hoping for the change in students.

Time Management & Positive Thinking.

Speaking on time management he gave a task to the students of closing their eyes for one minute and to think whatever comes in their mind, through this the students realised that when it comes to closing eyes for one minute it seems a long period of time. They said, "Time management is setting priorities and taking charge of the situation and time utilization". They advised the students to spend every second in an efficient and productive way. They highlighted the major source of time

management problems and solutions to them. Sr. No. Major source of time management problems Solutions to go with time management.

1 Unclear objectives SMART Goal settings- SMART work

2 Disorganised Working with To Do list

3 Paper work Computerized

4 Procrastination Time to time work

5 Lack of concentration etc. Focus and concentration etc.

Topic: Grooming and Personality Development.

They said that a 'smile' can lead a person towards success. So he advised the students to keep a smile on face every time and never cry for the same problem several times. To face job interviews he presented the rule of ABC. i.e. Appearance, Body language and Communication. Appearance Body language Communication.

- Clean face
- Smiling face
- Ironed and formal cloths
- Polished shoes
- Well set hair
- Sit and stand upright
- Firm Handshake
- Attentive
- Look in the eye when spoken to
- Never keep arms crossed or wrists or keep them in pockets.
- Don't speak too loud or too low.
- Speak clearly.
- Don't use your phone while talking to someone.
- Don't interrupt people when they speak.
- Listen carefully before responding.

Report on World Suryanamskar Day

Student Welfare Committee Organized **World Suryanamskar Day** on 14 January 2022 with great zeal and devotion under the guidance of **Assistant Prof. M. S. Patil** as a Yoga Activity to present the theme. **50 Students** and all teaching and non-teaching staff from college participated in the World Suryanamskar Day. On this occasion Yoga teachers of Sahaj Yoga guided us. They are guided us by demonstrating different steps of Suryanamskar, yoga types and health benefits of yoga.

Physical and mental health

The Surya Namaskar tones the entire body, helps with weight loss, and strengthens muscles and joints. Practice this flow if you want to improve your complexion as it ensures a better functioning digestive system. Improve your sleep as it helps combat insomnia and reduces stress levels. This is especially beneficial for women as it ensures regular menstrual cycle. The sun salutation is also useful in treatment of frozen shoulders. It helps in weight loss, improves balance in the nervous system, reduces blood sugar levels and stimulates the manipura chakra.

Benefits of Surya Namaskar:

1. Improved complexion
2. Ensures a better functioning digestive system
3. Helps with weight loss
4. Strengthens muscles and joints
5. Helps combat insomnia

6. Ensures regular menstrual cycle
7. Useful in treatment of frozen shoulders
8. Spinal cord and abdominal muscles are stretched
9. Internal organs are massaged
10. Improves flexibility of the hips
11. Stimulates the Manipura Chakra
12. Improves balance in the nervous system
13. Reduces blood sugar levels
14. Reduces stress levels
15. Tones the entire body
16. Improves digestion and reduces constipation
17. Eliminates stomach ailments
18. Promotes balance between both sides of the body

Report on Food Festival

Date - 11/02/2022

A food stall organized by DLLE college students is an exciting event that offers a variety of food options, drinks, and snacks to cater to different tastes and dietary requirements. It's a perfect opportunity for students to indulge in their favourite foods, socialize with their peers while enjoying the festive atmosphere.

One of the most remarkable aspects of food festival was the vast array of cuisines represented. Student were encouraging to showcase traditional dishes from their respective cultures, resulting in a rich tapestry of flavours. This diverse selection of foods aimed to cater to every taste preference and provided an opportunity for attendees to explore new culinary experience.

The event was held in a college area allowing for ample seating and socializing space. The area was thoughtfully divided into different food stalls, each representing a specific cuisine. The food festival started at 10 am and 34 students took part in stall arrangement and management.

The student organizers displayed exceptional attention to details ensuring that the food stalls were presented attractively and maintained proper hygiene standards. The participating took pride in creating visually appealing food display, incorporating decorations. After that the examiner examine the quality of taste and decoration for deciding best food stall winner.

The food stall function organized for college students was a huge success as it provided a wide variety of food options, a festive and lively atmosphere, and affordable prices. The students were able to enjoy their favourite food while socializing with their peers, and the event proved to be a memorable one for all. Overall, the food stall function was an excellent addition to the college fest and helped enhance the student's overall experience.

आज दिनांक 11 फेब्रुवारी 2022 आमदार दीपकभाई केसरकर विज्ञान महाविद्यालय दोडामार्ग, आज DLLE मार्फत फूड फेस्टिवल आयोजित करण्यात आले. या फूड फेस्टिवल साठी मुलांनी उत्स्फूर्त प्रतिसाद दिला व आपल्या नवीन नवीन कल्पना येणे पदार्थ बनवले, या कार्यक्रमासाठी महाविद्यालयाचे प्राचार्य प्रा.एम.व्ही. गोळसे व विभाग प्रमुख प्रा.एम एस पाटील यांचे मार्गदर्शन लाभले.

Report on TIRANGA OUR PRIDE

Rally and street play

Date-16/08/2022

On the occasion 75th independence year DLLE department arranged rally and street play named as TIRANGA OUR PRIDE in Dodamarg Bazarpeth. In rally student made awareness on the importance of independence and work of the great men and women who scarified their life for the people of this country and for their unity. The rally started with holding flag in our hand from the college heading towards Dodamarg bazarpeth with announcing Mahatma's names, exclamation sentences and independence songs. After reaching at Pimpleshwar temple which is centre of bazarpeth all student's made a circle at the centre of the street which was surrounded by local peoples to perform the street play. DLLE student perform TIRANGA OUR PRIDE street play and sends out a powerful message for the people, that India got its independence more than 75 year ago. After all these years, what does freedom means to us How do we perceive it. Student's tried to ask these important question through this play. Student also give information that 'Har Ghar Tiranga' is a campaign under the aegis of Azadi Ka Amrit Mahotsav to encourage people to bring the Tiranga home and to hoist it to mark the 75th year of India's independence.

Our relationship with the flag has always been more formal and institutional than personal. Bringing the flag home collectively as a nation in the 75th year of independence thus becomes symbolic of not

only an act of personal connection to the Tiranga but also an embodiment of our commitment to nation-building. The idea behind the initiative is to invoke the feeling of patriotism in the hearts of the people and to promote awareness about the Indian National Flag.

After performing street play the rally return to college then DLLE committee head Mr. M. S. Patil congratulate all the participating 100 students and the college staff for successful programme.

Report on Ganpati festival stall

Date-28/08/2022

To develop entrepreneur skill in students by providing them the opportunities to pursue small business modules. It was decided to organize a stall in the college for the students participating in the lifelong learning and extension department. Under the Project 'Anna Poorna Yojana (APY)' for the students to try their hand in small scale business. In this stall students can sell food items as well as non-food items also.

The stall was set up in the college on the occasion of Ganesha festival celebrated in Kokan. All the materials required for this stall were purchased by the students from the market at a low price and in large quantity and kept in the stall. Accordingly, materials were purchased from various shops, their special packets were prepared by the student so that the customer will get attracted and buy more material.

In this stall, incense sticks, camphor, Ganesha garlands and Ganesha decorations, Ganesh modak were put on sale for the college students and faculty as well as non-teaching staff. Then on the next day the stall was set up in Dodamarg market, the people of Dodamarg village participated to buy the materials from the stall. This stall helped to develop the key quality communication with customer and convenes them to purchase more material from stall.

The cost of all purchases and sales in this stall was passed to the students to inculcate in them time management and money management

skills that would help them become entrepreneurs in the future and helping them to start a small-scale business to become a self-reliant. The 50 students were present to this activity.

Report on World Suryanamskar Day

Student Welfare Committee Organized World Suryanamskar Day on 28 January 2023 with great zeal and devotion under the guidance of Assistant Prof. P. R. Desai as a Yoga Activity to present the theme. About 101 students and all teaching and non-teaching staff from college participated in the World Suryanamskar Day. On this occasion Yoga teacher Hon. Mr. Shrivankumar Rajpurohit (Patanjali Aarogyakendra, Dodamarg) guided us. They are guided us by demonstrating different steps of Suryanamskar, yoga types and health benefits of yoga.

Physical and mental health

The Surya Namaskar tones the entire body, helps with weight loss, and strengthens muscles and joints. Practice this flow if you want to

improve your complexion as it ensures a better functioning digestive system. Improve your sleep as it helps combat insomnia and reduces stress levels. This is especially beneficial for women as it ensures regular menstrual cycle. The sun salutation is also useful in treatment of frozen shoulders. It helps in weight loss, improves balance in the nervous system, reduces blood sugar levels and stimulates the manipura chakra.

Steps to perform Surya Namaskar

- Pranam Asana (The Prayer pose)
- Hastha Utanasana (Raised arm pose)
- Padahastasana (Standing forward bend)
- Ashwa Sanchalanasana (Equestrian pose)
- Santholanasana (Plank Pose)
- Ashtanga Namaskar Asana (Eight limbed salutation)
- Bhujangasana (Cobra pose)
- Adho Mukha Svanasana (Downward dog pose)
- Ashwa Sanchalanasana (Equestrian pose)
- Padahastasana (Standing forward bend)
- Hastha Uthanasana
- Pranam Asana

Benefits of Surya Namaskar:

- Improved complexion
- Ensures a better functioning digestive system
- Helps with weight loss
- Strengthens muscles and joints
- Helps combat insomnia
- Ensures regular menstrual cycle
- Useful in treatment of frozen shoulders
- Spinal cord and abdominal muscles are stretched
- Internal organs are massaged
- Improves flexibility of the hips
- Stimulates the Manipura Chakra

- Improves balance in the nervous system
- Reduces blood sugar levels
- Reduces stress levels
- Tones the entire body
- Improves digestion and reduces constipation
- Eliminates stomach ailments
- Promotes balance between both sides of the body

Department Of Lifelong Learning And Extension

Report on Food Festival Celebration

Date-01/02/2023

The Department of Lifelong Learning Extension (DLLE) of our college recently organized a vibrant and delicious food festival exclusively for college students and community.

Objectives:

Culinary Exploration:

To give college students an opportunity to explore and savour a diverse range of culinary delights from various cuisines.

Community Building:

Foster a sense of community among students by bringing them together in a festive atmosphere.

Activities:

The DLLE-organized food festival featured a variety of engaging activities:

Food Stalls:

A section of the festival was dedicated to local and regional specialties, allowing students to appreciate their cultural heritage.

Cultural Exhibitions: Displays and exhibitions highlighting the cultural significance of different cuisines.

Cooking competition

The department decided to declare best food stall by examine their taste and unique dish from all food stall.

Outcomes:

The DLLE-organized food festival achieved several remarkable outcomes:

Culinary Exploration:

Students had the chance to explore diverse culinary experiences, expanding their palates and knowledge of different cuisines.

Cultural Exchange:

The event promoted cultural understanding and appreciation as students sampled foods from various regions and engaged in cultural performances.

Community Building:

The festival brought all students together from different departments and backgrounds, fostering a sense of community and camaraderie.

The DLLE-organized food festival was a resounding success, achieving its objectives of culinary exploration, cultural exchange, and community building among college students. For this food festival 50 students and staff was present. Such events not only provide a platform for students to indulge in diverse Flavors but also promote cultural awareness and create a stronger sense of belonging within the college community. This endeavour exemplifies the positive impact of organizing engaging and culturally enriching activities for college students.

Report on Healthy lifestyle

Student Welfare Committee Organized Healthy Lifestyle on 03 Feb. 2023 with great zeal and devotion under the guidance of **Assistant Prof. P. R. Desai** to present the theme. 99 **students** and all teaching and non-teaching staff from college participated in this programme. On this occasion **Hon. Mr. Dr. Dnyaneshwar Awale (Medical Officer Rural Hospital, Dodamarg)**, **Hon. Mr. Dr. Ramdas Redkar (RBSK Medical officer)**, **Hon. Mrs. Kranti Baraskar (RBSK Medical officer)** guided us. They are guided us by Daily routine, meditation and health benefits of yoga.

Living a healthy lifestyle is crucial for overall well-being and reducing the risk of various health problems. It involves making positive changes to your daily routine and habits, such as eating a balanced diet, engaging in regular physical activity, getting enough sleep, managing stress and avoiding harmful substances.

Eating a healthy and balanced diet is a fundamental aspect of a healthy lifestyle. It is essential to consume a variety of nutrient-rich foods, including fruits, vegetables, whole grains, lean proteins and healthy fats. Consuming a balanced diet provides the body with the necessary nutrients to function correctly and helps prevent chronic diseases like heart disease, diabetes and obesity.

Engaging in regular physical activity is also crucial for a healthy lifestyle. Exercise helps maintain a healthy weight, improve cardiovascular health, boost mood and increase energy levels. It is recommended that adults get at least 150 minutes of moderate – intensity aerobic exercise or 75 minutes of vigorous –intensity aerobic exercise per week.

Getting enough sleep is essential for the body to function correctly. Adults should aim to get between seven and nine hours of sleep each night. Sleep deprivation can lead to a range of health problems, including obesity, diabetes and cardiovascular disease.

Managing stress is also an important aspect of a healthy lifestyle. Chronic stress can have detrimental effects on physical and mental health. Techniques such as meditation, yoga and deep breathing can help manage stress levels and promote relaxation.

Finally, avoiding harmful substances such as tobacco, drugs and excessive alcohol consumption is essential for a healthy lifestyle. These substances can have significant negative effects on physical and mental health, leading to a range of chronic diseases and conditions.

In conclusion, adopting a healthy lifestyle can have many positive effects on physical and mental wellbeing. By making small, positive changes to daily habits it is possible to improve overall health and reduce the risk of chronic diseases.

Marathi Bhasha Din

Marathi language Day is celebrated on February 27, every day. This day is celebrated to mark the Birth Anniversary of the famous Marathi poet Vishna Vaman Shirwadkar, also known as kusumagraj. This program was celebrated by the joint organized of civil court Dodamarg and Department of library at college. Civil court Advocate sonu Gawas was present as the chief guest. Chndradas Rahul and Uday Paste were present as guests. Sonu Gowas also gave valuable guidance to the students. The program was moderated by Vinayak Hodawadeker and Thanks to B.V. Rashivade Sir.

All the students, Teacher and Non teaching Staff were present for this program.

Report on Yoga Shibir

Date: 10/07/2023

Location: Amdar Deepakbhai Kesarkar Science College Dodamarg

Objective: To promote physical, mental, and spiritual well-being through yoga and meditation practices.

Activities:

- Yoga sessions (Asana, Pranayama, and Relaxation techniques)
- Meditation and mindfulness practices
- Yoga philosophy and theory discussions
- Healthy living and nutrition workshops
- Cultural events and group activities

Participants: 30 participants from 18 to 25 years old

Benefits:

- Improved physical flexibility and strength
- Reduced stress and anxiety
- Enhanced mental clarity and focus
- Boosted energy and overall well-being
- New connections and friendships formed

Feedback:

- "Transformative experience that renewed my energy and purpose."
- "Learned valuable techniques to manage stress and improve my health."
- "Inspiring atmosphere and supportive community."

The Yoga Shibir was a resounding success, empowering participants to adopt a holistic approach to health and wellness. We look forward to future events, fostering a community that prioritizes physical, mental, and spiritual growth. **Student Welfare Committee** Organized Yoga Shibir – being programme on 10/07/2023 with great zeal and devotion. 56 students and all teaching and non-teaching staff from college participated in this programme. **Hon. Prajapati Brahmakumari Ishawariya Vishwa Vidyalaya** guided us. They are guided us by Daily routine, meditation and health benefits of yoga.

Report on Ganpati Festival Stall Event

Date -16/09/2023

The Amdar Deepakbhai Kesarkar Science college, Dodamarg, organized a vibrant and engaging event featuring non-food stalls, which showcased the talent, and entrepreneurial spirit of our students. The event aimed to provide a platform for students to display and sell various non-food items, including incense sticks, camphor, Ganesha garlands and Ganesha decorations, Ganesh modak, fashion accessories, and more. This report provides an overview of the event and its impact on the college community. For this activity 79 students was take part.

Event Highlights:

Inauguration- The non-food stall is inaugurated by one of the parents who was present on this occasion and principal and other dignities present. Some of the parents also bought some items from stall and this made a positive mind set start among the student.

Diverse Range of Stalls:

These included incense sticks, camphor, Ganesha garlands and Ganesha decorations, Ganesh modak and other creative items. The variety of stalls ensured that there was something for everyone.

Student Entrepreneurship:

Many of the stalls were run by student entrepreneurs who used this event as an opportunity to test their business ideas and gain practical

experience in marketing and sales. It was inspiring to see our student's taking initiative and showcasing their entrepreneurial skills.

Eco-friendly and Sustainable Products:

Many stalls focused on eco-friendly and sustainable products, aligning with the growing global emphasis on sustainability. This highlighted our students' awareness of environmental issues and their commitment to responsible consumerism.

Impact:

The non-food stall event had a significant impact on the college community:

Entrepreneurship Development:

Student entrepreneurs gained valuable experience in marketing, sales, and business management. This hands-on experience will benefit them in their future careers.

Community Building:

The event brought together students, faculty, and staff, fostering a sense of community and camaraderie within the college.

Promoting Sustainability:

The emphasis on eco-friendly and sustainable products raised awareness about environmental issues and encouraged responsible consumer behaviour.

Skill Enhancement:

The workshops and demonstrations allowed students to acquire new skills and enhance their existing ones, contributing to their personal and professional development.

“Report on Unlocking Your Potential: Personality Development ”

The program was organized by Student Welfare Committee, Department of Physics, 19/01/2024, Time – 10.00 am, Friday. The chief guide in the Unlocking Your Potential: Personality Development guidance program from **Mr. Hrudaynath Hand (Lakshya career Academy)**. He gave valuable guidance to the students about the personality development. Also the program was chaired by Mr. B. V. Rashivade Sir. The program was moderated by Ass. Prof. N. M. Chougale Sir. Also, all the teachers, non-teaching staff and 66 students were present in this program and they also got valuable support for this program. Thanks for this program done by Mr. M. S. Patil sir.

Personality development is the process of enhancing and refining your personality traits, skills and behaviours to achieve personal and professional growth.

Key areas of focus

1. Self-Awareness : Understanding your strengths, weaknesses, values and emotions.
2. Communication skills : Effective verbal and nonverbal communication.
3. Confidence Building : Developing a positive self-image and assertiveness.
4. Emotional Intelligence : Managing emotions, empathy and relationships.
5. Goal setting : Setting and achieving personal and professional goals.

Benefits:

1. Improved relationships
2. Increased confidence and self-esteem
3. Enhanced communication skills
4. Better decision- making and problem- solving
5. Personal and professional growth

Tips for Personality Development:

1. Practice self – reflection and journaling
2. Engage in public speaking and group activities
3. Develop a growth mind-set
4. Seek feedback and learn from criticism
5. Set achievable goals and work towards them

Personality development is lifelong process that empowers you to become a better version of yourself. By focusing on key areas and practicing tips, you can unlock your potentials and achieve success in all aspects of life.

Report on Food Festival 2023-2024

Date- 24/01/2024

In a culturally diverse country such as India which has a rich culinary heritage and eating meals together is a part of social traditions followed since generations. With this background in mind on order to bring motivate students to engage and culinary arts and share the food cooked by the with the teacher's and the 60 student of the college, the Department of lifelong learning and Extension organizes annual Food Festival in the college premises. The food festival is very popular amongst the student and teachers since it takes them on a culinary trip with an opportunity to taste diverse Indian and western recipes. This event is also combined with the Entrepreneurship exhibition to motivate students to turn their culinary hobby into business.

Objectives-

1. To create an awareness about rich culinary heritage.
2. To motivate students to engage in culinary arts and share food preparing skills amongst themselves.
3. To recognize the important of traditional ingredients.
4. To share stories and recipes through various media.

Outcomes-

1. This event helps the students to present their culinary skills with a touch of creativity.
2. They learn the importance of ingredients used for preparation of food items.

3. This platform helps them to participate for various cookery competitions.
4. It helps students to learn about profit and loss as well as management.
5. It helps attendees gain a deeper understanding of diverse cuisines and cooking techniques.
6. It enhanced recognition and respect for different food cultures and traditions.

ANALYSIS**

COURSE AIM

The course intends to prepare a student in acquiring skills on the art of water monitoring & quantitative analysis of critical water quality parameters. It also brings in those aspects of chemistry which are important for quality management & pollution control.

LEARNING OBJECTIVES

At the end of the course the students will able to:

- Explain the general properties of water & understand water resources & water conservation
- Develop awareness about water quality criteria & standards, & their relation to public health & environment
- Understand important parameters for measuring water quality
- Know about the methods for the determination of water quality parameters
- Learn how to run accurate water quality tests and to determine how the parameters relate to each other.

ABOUT COLLEGE

Established in 2012, Amdar Deepakbhai Kesarkar Science College (ADKSC), Dodamarg is a leading Private Aided college based in Dodamarg, Sindhudurg. The college is popularly known as ADKSC among the students. The institute offers a wide array of academic courses.

ABOUT COURSE

Clean fresh water is one of the most vital natural resources. Since quality of water is susceptible to changes with time & other factors, hence continuous monitoring of water is essential. Water quality assessment provides the base line information on water safety. Qualitative & quantitative measurements are needed to guarantee the purity of water from various sources of supply. This course on quality assessment is an attempt to equip students with theoretical background & practical skills to participate in water quality ensuring practices.

❖ AIM & OBJECTIVES

- Students will be able to learn in a limited space and describe the Knowledge of Birds.
- The interested students will get the knowledge of Bird Identification,
- Students will get the employment as a naturalist and birder,
- They can generate employments,
- Will get the knowledge of biodiversity of local birds.

The detail of the course is as follows:

- ❖ **Focus:**
- ❖ **To learn about birds and their biodiversity.**
- ❖ **Name of the course:** Certificate Course in Basic Ornithology
- ❖ **Level:** Certificate
- ❖ **Stream:** Science or any stream
- ❖ **Subject:** BASIC ORNITHOLOGY
- ❖ **Eligibility Criteria:** HSC/Graduate
- ❖ **Language:** English/Marathi
- ❖ **Intake:** 35 seats
- ❖ **Selection /Admission Criteria:** First come first serve
- ❖ **Teaching Staff:** Qualified, Experienced Lecturers.
- ❖ **Course Content:** Syllabus/Program:
- ❖ **Title of the Course:** Certificate Course in BASIC ORNITHOLOGY

Principal
Amdar, Deepakbhai Kesarkar Science College
Dodamarg, Tal.Dodamarg, Dist.Sindhudrug

The nature of theory Question Paper will be as follows :

Multiple choice : 20 Que. 4 Mark each

Standard of Passing : Students have to obtain 35 % marks and attend min 02 field visits.

Award of Certificate : A certificate will be issued to students on successful completion of the Course.

Expected Outcomes :

By the end of this course,

- ❖ Students will appreciate the diversity of birds of the world and understand how birds are classified
- ❖ learn how birds evolved and are still evolving.
- ❖ Recognize some of the ways that birds are physically adapted to fly, communicate, find food, and attract mates.
- ❖ Understand the role of birds in the world and how they interact with humans.

Learnig objectives :

- Students will be able to learn in limited space and describe the knowledge of Bird identification.
- The interested students will get knowledge of Bird identification.
- Students will get the employment as a naturalist and Birder, they can generate employment.
- Students will get the knowledge of Biodiversity of local bird.

Total number of enrolled students: 32

Total number of students who passed : 32

Certificate Course in **Repair and Maintenance of Home Appliances**

Course Details: Duration of Course: 30 hrs

Tentative starting date of Course: Jan , 2022

Fees of Course: Free

Eligibility: HSC passed (Science students)

Mode of conduct: offline

Organizer Name: Physics Department,

Amdar Deepakbhai Kesarkar Science college ,Dodamarg .416512

Last date of registration: 12 January 2022

Registration : offline

What is the meaning of appliance repair?

Appliance repair service means the maintenance, repair or replacement of appliances, lighting, motors or other energy-consuming devices at the end user's premises.

About Course

- The course is designed for under graduate students who have little or no knowledge in **Repair and Maintenance of Home Appliances**
- This course will help them understand the fundamental and concepts of **Repair and Maintenance**. It will enhance their knowledge and skills in the field of **Repair and Maintenance**.
- As a **Maintenance** officer you will work in **Maintenance** department of various companies.

Principal
Principal

Amdar, Deepakbhai Kesarkar Science Colleg
Dodamarg, Tal.Dodamarg, Dist.Sindhudrug

Course Objectives

1. Understand key elements of electrical and electronics appliances.
2. Understand key elements of RAC (AC and Refrigerators).
3. Understand domestic wiring and layout
4. Basic safety practices.

Course Structure

Module 1: Basic safety practices (3hrs)

Module 2: Maintenance & Repair of house hold gadgets (27hrs)

Learning Outcomes

1. Repair maintenance of the basic electrical and electronics appliances.
2. Identification to protective devices
3. Repair and maintenance of the split AC and Refrigerators
4. Able to do domestic wiring and maintenance.

Career Opportunities

Repair and maintenance department are the 2 backbones of any company, the company cannot stand in domestic or international market without them.

- For each company (small or big or medium sized), Repair and maintenance division is a must and thus the need for Repair and maintenance personnel is never ending.
- Not only this the Govt. regulatory and quality check departments also need learned and trained Repair and maintenance staff as part of their auditing and Repair and maintenance compliance testing teams.
- All this adds to the huge pool of job opportunities

- ❖ **Title of the Course:** Certificate Course in BASIC ORNITHOLOGY

Principal
Amdar, Deepakbhai Kesarkar Science College
Dodamarg, Tal. Dodamarg, Dist. Sindhudrug

The nature of theory Question Paper will be as follows :

Multiple choice : 20 Que. 4 Mark each

Standard of Passing : Students have to obtain 35 % marks and attend min 02 field visits.

Award of Certificate : A certificate will be issued to students on successful completion of the Course.

Expected Outcomes :

By the end of this course,

- ❖ Students will appreciate the diversity of birds of the world and understand how birds are classified
- ❖ learn how birds evolved and are still evolving.
- ❖ Recognize some of the ways that birds are physically adapted to fly, communicate, find food, and attract mates.
- ❖ Understand the role of birds in the world and how they interact with humans.

Learnig objectives :

- Students will be able to learn in limited space and describe the knowledge of Bird identification.
- The interested students will get knowledge of Bird identification.
- Students will get the employment as a naturalist and Birder, they can generate employment.
- Students will get the knowledge of Biodiversity of local bird.

What is the meaning of appliance repair?

Appliance repair service means the maintenance, repair or replacement of appliances, lighting, motors or other energy-consuming devices at the end user's premises.

About Course

- The course is designed for under graduate students who have little or no knowledge in **Repair and Maintenance of Home Appliances**
- This course will help them understand the fundamental and concepts of **Repair and Maintenance**. It will enhance their knowledge and skills in the field of **Repair and Maintenance**.
- As a **Maintenance** officer you will work in **Maintenance** department of various companies.

Principal

Amdar, Deepakbhai Kesarkar Science College
Dodamarg, Tal. Dodamarg, Dist. Sindhudurg

Course Objectives

1. Understand key elements of electrical and electronics appliances.
2. Understand key elements of RAC (AC and Refrigerators).
3. Understand domestic wiring and layout
4. Basic safety practices.

Course Structure

Module 1: Basic safety practices (3hrs)

Module 2: Maintenance & Repair of house hold gadgets (27hrs)

Learning Outcomes

1. Repair maintenance of the basic electrical and electronics appliances.
2. Identification to protective devices
3. Repair and maintenance of the split AC and Refrigerators
4. Able to do domestic wiring and maintenance.

Career Opportunities

Repair and maintenance department are the 2 backbones of any company, the company cannot stand in domestic or international market without them.

- For each company (small or big or medium sized), Repair and maintenance division is a must and thus the need for Repair and maintenance personnel is never ending.
- Not only this the Govt. regulatory and quality check departments also need learned and trained Repair and maintenance staff as part of their auditing and Repair and maintenance compliance testing teams.
- All this adds to the huge pool of job opportunities

on

**WATER QUALITY
ANALYSIS**

COURSE AIM

The course intends to prepare a student in acquiring skills on the art of water monitoring & quantitative analysis of critical water quality parameters. It also brings in those aspects of chemistry which are important for quality management & pollution control.

LEARNING OBJECTIVES

At the end of the course the students will able to:

- Explain the general properties of water & understand water resources & water conservation
- Develop awareness about water quality criteria & standards, & their relation to public health & environment
- Understand important parameters for measuring water quality
- Know about the methods for the determination of water quality parameters
- Learn how to run accurate water quality tests and to determine how the parameters relate to each other.

ABOUT COLLEGE

Established in 2012, Amdar Deepakbhai Kesarkar Science College (ADKSC), Dodamarg is a leading Private Aided college based in Dodamarg, Sindhudurg. The college is popularly known as ADKSC among the students. The institute offers a wide array of academic courses.

ABOUT COURSE

Clean fresh water is one of the most vital natural resources. Since quality of water is susceptible to changes with time & other factors, hence continuous monitoring of water is essential. Water quality assessment provides the base line information on water safety. Qualitative & quantitative measurements are needed to guarantee the purity of water from various sources of supply. This course on quality assessment is an attempt to equip students with theoretical background & practical skills to participate in water quality ensuring practices.

❖ AIM & OBJECTIVES

- Students will be able to learn in a limited space and describe the Knowledge of Birds.
- The interested students will get the knowledge of Bird Identification,
- Students will get the employment as a naturalist and birder,
- They can generate employments,
- Will get the knowledge of biodiversity of local birds.

The detail of the course is as follows:

- ❖ **Focus:**
- ❖ **To learn about birds and their biodiversity.**
- ❖ **Name of the course:** Certificate Course in Basic Ornithology
- ❖ **Level:** Certificate
- ❖ **Stream:** Science or any stream
- ❖ **Subject:** BASIC ORNITHOLOGY
- ❖ **Eligibility Criteria:** HSC/Graduate
- ❖ **Language:** English/Marathi
- ❖ **Intake:** 35 seats
- ❖ **Selection /Admission Criteria:** First come first serve
- ❖ **Teaching Staff:** Qualified, Experienced Lecturers,
- ❖ **Course Content:** Syllabus/Program:
- ❖ **Title of the Course:** Certificate Course in BASIC ORNITHOLOGY

Activity Report

Name of Activity	Certificate Course in Water Analysis
Date	20 th Nov. 2021 To 16 th Dec. 2021
Organized By	Department of Chemistry
Coordinator	Asst.Prof.N.M.Chougale
Activity For	All College Students
Number of Beneficiaries	37
Nature	Co-curricular Activity
Objectives of Activity	- Explain the general properties of water & understand water resources & water conservation - Develop awareness about water quality criteria & standards , & their relation to public health & environment - Understand important parameters for measuring water quality - Know about the methods for the determination of water quality parameters - Learn how to run accurate water quality tests and to determine how the parameters relate to each other.
About Course	- Clean fresh water is one of the most vital natural resources. Since quality of water is susceptible to changes with time &

Am. Deepakbhai Kesarkar Science College
Dodamarg, Tal. Dodamarg, Dist. Sindhudrug

	other factors, hence continuous monitoring of water is essential. Water quality assessment provides the base line information on water safety. Qualitative & quantitative measurements are needed to guarantee the purity of water from various sources of supply. This course on quality assessment is an attempt to equip students with theoretical background & practical skills to participate in water quality ensuring practices.
Outcomes	About 37 students are enrolled for this course. They are benefited as, - Students are acquired skill of monitoring the water quality. - They know about quantitative analysis of critical water quality parameters - Peoples are aware about water quality

DEPARTMENT OF ZOOLOGY

Activity Report

Name of Activity	Certificate Course in Basic Ornithology
Date	11/01/2022 to 07/03/2022
Organized by	Department of Zoology
Coordinator	Dr. S. V. More
Activity For	Open to all
Number of Beneficiaries	32
Nature	Co-Curricular Activity
Objectives of Activity	• Students will be able to learn in a limited space and describe the Knowledge of Birds. • The interested students will get the knowledge of Bird Identification, • Students will get the employment as a naturalist and birder, • They can generate employments, • Will get the knowledge of biodiversity of local birds.

Amdar, Deepakbhai Kesarkar Science College
Dodamarg, Tal. Dodamarg, Dist. Sindhudrug

[Signature]
Principal

Outcomes	• Students will appreciate the diversity of birds of the world and understand how birds are classified • learn how birds evolved and are still evolving. • Recognize some of the ways that birds are physically adapted to fly, communicate, find food, and attract mates. • Understand the role of birds in the world and how they interact with humans.

Activity Report

Name of Activity	Repair and Maintenance of Home Appliances
Date	12 th Jan. 2022 To 14 th March 2022
Organized By	Department of Physics
Coordinator	Asst.Prof.M.D. Patade
Activity For	All College Students
Number of Beneficiaries	10
Nature	Co-curricular Activity
Objectives of Activity	1. Understand key elements of electrical and electronics appliances. 2. Understand key elements of RAC (AC and Refrigerators). 3. Understand domestic wiring and layout 4. Basic safety practices.
About Course	The course is designed for under graduate students who have little or no knowledge in Repair and Maintenance of Home Appliances

Principal

Amdar. Deepakbhai Kesarkar Science College
Dodamarg, Tal. Dodamarg, Dist. Sindhudurg

	• This course will help them understand the fundamental and concepts of Repair and Maintenance. It will enhance their knowledge and skills in the field of Repair and Maintenance. • As a Maintenance officer you will work in Maintenance department of various companies. • Guest lectures will be engaged by teachers from Govt. ITI college ,Dodamarg
Outcomes	About 10 students are enrolled for this course. They are benefited as, 1. Repair maintenance of the basic electrical and electronics appliances. 2. Identification to protective devices 3. Repair and maintenance of the split AC and Refrigerators 4. Able to do domestic wiring and maintenance.
Feedback Analysis	Feedback Collected from students are positive & satisfactory

Activity Report

Name of Activity	Certificate Course in Water Analysis
Date	15 th Nov. 2022 To 01 st April 2023
Organized By	Department of Chemistry
Coordinator	Asst.Prof.N.M.Chougale
Activity For	All College Students
Number of Beneficiaries	22
Nature	Co-curricular Activity
Objectives of Activity	- Explain the general properties of water & understand water resources & water conservation - Develop awareness about water quality criteria & standards , & their relation to public health & environment - Understand important parameters for measuring water quality - Know about the methods for the determination of water quality parameters - Learn how to run accurate water quality tests and to determine how the parameters relate to each other.

Principal
Amdar. Deepakbhai Kesarkar Science College
Dodamarg, Tal. Dodamarg, Dist. Sindhudrug

About Course	- Clean fresh water is one of the most vital natural resources. Since quality of water is susceptible to changes with time & other factors, hence continuous monitoring of water is essential. Water quality assessment provides the base line information on water safety. Qualitative & quantitative measurements are needed to guarantee the purity of water from various sources of supply. This course on quality assessment is an attempt to equip students with theoretical background & practical skills to participate in water quality ensuring practices.
Outcomes	About 22 students are enrolled for this course. They are benefited as, - Students are acquired skill of monitoring the water quality. - They know about quantitative analysis of critical water quality parameters - Peoples are aware about water quality
Feedback Analysis	Feedback Collected from students are positive & satisfactory

DEPAERTMENT OF ZOOLOGY

Activity Report

Name of Activity	Certificate Course in Basic Ornithology
Date	28/11/20222 to 28/02/2023
Organized by	Department of Zoology
Coordinator	Dr. S.V. More
Activity For	Open to all
Number of Beneficiaries	44
Nature	Co-Curricular Activity
Objectives of Activity	• Students will be able to learn in a limited space and describe the Knowledge of Birds. • The interested students will get the knowledge of Bird Identification, • Students will get the employment as a naturalist and birder, • They can generate employments, • Will get the knowledge of biodiversity of local birds.

(Signature)
Principal
Amdar. Deepakbhai Kesarkar Science College
Dodamarg, Tal. Dodamarg, Dist. Sindhudrug

Outcomes	• Students will appreciate the diversity of birds of the world and understand how birds are classified • learn how birds evolved and are still evolving. • Recognize some of the ways that birds are physically adapted to fly, communicate, find food, and attract mates. • Understand the role of birds in the world and how they interact with humans.
Feedback Analysis	Feedback Collected from few students via google form, Feedbacks are positive and satisfactoty

Report On Blood Checkup Camp

Academic Year	2022-23
Name of the Committee	Zoology department
Name of the Event	Blood check-up camp
Date	October 6, 2022
Venue	Lecture Hall
Objective	The main objective of the camp was to raise mass awareness about health and importance of regular check-up.
No. of Participants	

A significant health initiative was undertaken by the Zoology Department of Aamdar Deepakbhai Kesarkar College, aimed at promoting the well-being of students and staff. The event, a Blood Checking Camp, was conducted in collaboration with the Primary Health Center in Morgaon Dodamarg. The initiative was conducted on October 6, 2022, with the active participation of faculty members and students.

Program Highlights:

Blood Sampling: Trained nurses from the Primary Health Center were present at the venue to collect blood samples from both students and teachers. The process was carried out with precision and care to ensure minimal discomfort to the participants.

Medical Tests:

The collected blood samples were subjected to a range of medical tests to assess various health parameters. These tests aimed to detect any

potential health issues and provide valuable insights into the overall well-being of the participants.

Presence of Dignitaries:

The event witnessed the esteemed presence of Dr. S. V. More, Head of the Zoology Department, and Dr. G. S. Marjag, Associate Professor from SPK College Sawantwadi. Their active involvement and encouragement added a sense of significance to the health initiative.

Educational Awareness:

Alongside the health checkup, educational awareness sessions were conducted to enlighten participants about the importance of regular health checkups, preventive measures, and the significance of maintaining a healthy lifestyle.

Participant Involvement:

The program received an overwhelming response from both students and teachers. The active participation demonstrated the awareness and importance placed on health and wellness within the academic community.

Conclusion:

The Blood Checking Camp organized by the Zoology Department at Aamdar Deepakbhai Kesarkar College, in collaboration with the Primary Health Center, was a commendable initiative promoting the health and well-being of the academic community. The successful execution of the program, with the support of faculty members and participation from students and teachers, highlights the commitment of the institution towards fostering a healthy and aware academic environment.

This event not only addressed immediate health concerns but also served as a platform for fostering a culture of health consciousness and regular health checkups among the participants. Such initiatives play a crucial role in ensuring the holistic development and welfare of the academic community.
